# A BILL FOR AN ACT

RELATING TO LAND USE.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1           SECTION 1. Section 46-4, Hawaii Revised Statutes, is  
2 amended to read as follows:

3           "**§46-4 County zoning.** (a) This section and any  
4 ordinance, rule, or regulation adopted in accordance with this  
5 section shall apply to lands not contained within the forest  
6 reserve boundaries as established on January 31, 1957, or as  
7 subsequently amended.

8           Zoning in all counties shall be accomplished within the  
9 framework of a long-range, comprehensive general plan prepared  
10 or being prepared to guide the overall future development of the  
11 county. Zoning shall be one of the tools available to the  
12 county to put the general plan into effect in an orderly manner.  
13 Zoning in the counties of Hawaii, Maui, and Kauai means the  
14 establishment of districts of such number, shape, and area, and  
15 the adoption of regulations for each district to carry out the  
16 purposes of this section. In establishing or regulating the  
17 districts, full consideration shall be given to all available  
18 data as to soil classification and physical use capabilities of

1 the land to allow and encourage the most beneficial use of the  
2 land consonant with good zoning practices. The zoning power  
3 granted herein shall be exercised by ordinance which may relate  
4 to:

- 5 (1) The areas within which agriculture, forestry,  
6 industry, trade, and business may be conducted;
- 7 (2) The areas in which residential uses may be regulated  
8 or prohibited;
- 9 (3) The areas bordering natural watercourses, channels,  
10 and streams, in which trades or industries, filling or  
11 dumping, erection of structures, and the location of  
12 buildings may be prohibited or restricted;
- 13 (4) The areas in which particular uses may be subjected to  
14 special restrictions;
- 15 (5) The location of buildings and structures designed for  
16 specific uses and designation of uses for which  
17 buildings and structures may not be used or altered;
- 18 (6) The location, height, bulk, number of stories, and  
19 size of buildings and other structures;
- 20 (7) The location of roads, schools, and recreation areas;
- 21 (8) Building setback lines and future street lines;
- 22 (9) The density and distribution of population;

- 1       (10) The percentage of a lot that may be occupied, size of
- 2               yards, courts, and other open spaces;
- 3       (11) Minimum and maximum lot sizes; and
- 4       (12) Other regulations the boards or city council find
- 5               necessary and proper to permit and encourage the
- 6               orderly development of land resources within their
- 7               jurisdictions.

8       The council of any county shall prescribe rules,  
9 regulations, and administrative procedures and provide personnel  
10 it finds necessary to enforce this section and any ordinance  
11 enacted in accordance with this section. The ordinances may be  
12 enforced by appropriate fines and penalties, civil or criminal,  
13 or by court order at the suit of the county or the owner or  
14 owners of real estate directly affected by the ordinances.

15       Any civil fine or penalty provided by ordinance under this  
16 section may be imposed by the district court, or by the zoning  
17 agency after an opportunity for a hearing pursuant to chapter  
18 91. The proceeding shall not be a prerequisite for any  
19 injunctive relief ordered by the circuit court.

20       Nothing in this section shall invalidate any zoning  
21 ordinance or regulation adopted by any county or other agency of

1 government pursuant to the statutes in effect prior to July 1,  
2 1957.

3 The powers granted [~~herein~~] in this section shall be  
4 liberally construed in favor of the county exercising them, and  
5 in such a manner as to promote the orderly development of each  
6 county or city and county in accordance with a long-range,  
7 comprehensive general plan to insure the greatest benefit for  
8 the State as a whole. This section shall not be construed to  
9 limit or repeal any powers of any county to achieve these ends  
10 through zoning and building regulations, except insofar as  
11 forest and water reserve zones are concerned and as provided in  
12 subsections (c) and (d).

13 Neither this section nor any ordinance enacted pursuant to  
14 this section shall prohibit the continued lawful use of any  
15 building or premises for any trade, industrial, residential,  
16 agricultural, or other purpose for which the building or  
17 premises is used at the time this section or the ordinance takes  
18 effect; provided that a zoning ordinance may provide for  
19 elimination of nonconforming uses as the uses are discontinued,  
20 or for the amortization or phasing out of nonconforming uses or  
21 signs over a reasonable period of time in commercial,  
22 industrial, resort, and apartment zoned areas only. In no event

1 shall [~~such~~] the amortization or phasing out of nonconforming  
2 uses apply to any existing building or premises used for  
3 residential (single-family or duplex) or agricultural uses.  
4 Nothing in this section shall affect or impair the powers and  
5 duties of the director of transportation as set forth in chapter  
6 262.

7 (b) Any final order of a zoning agency established under  
8 this section may be appealed to the circuit court of the circuit  
9 in which the land in question is found. The appeal shall be in  
10 accordance with the Hawaii rules of civil procedure.

11 (c) Each county may adopt reasonable standards to allow  
12 the construction of two single-family dwelling units on any lot  
13 where a residential dwelling unit is permitted.

14 (d) Neither this section nor any other law, county  
15 ordinance, or rule shall prohibit group living in facilities  
16 with eight or fewer residents and that are licensed by the State  
17 as provided for under section 321-15.6, or in an intermediate  
18 care facility/mental retardation-community for persons,  
19 including mentally ill, elder, disabled, developmentally  
20 disabled, or totally disabled persons, who are not related to  
21 the home operator or facility staff; provided that those group  
22 living facilities meet all applicable county requirements not

1 inconsistent with the intent of this subsection and including  
2 building height, setback, maximum lot coverage, parking, and  
3 floor area requirements.

4 (e) No permit shall be issued by a county agency for the  
5 operation of a halfway house, a clean and sober home, or a drug  
6 rehabilitation home unless a public informational meeting is  
7 first held in the affected community. The State shall provide

9 under chapter 846E.
