
A BILL FOR AN ACT

RELATING TO WATER RESOURCES.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. Chapter 174C, Hawaii Revised Statutes, is
2 amended by adding a new section to be appropriately designated
3 and to read as follows:

4 "§174C- Dual line water supply systems; installation in
5 new golf course developments. (a) Beginning January 1, 2007,
6 the commission, as a condition for issuing permits pursuant to
7 this part, shall require the use of dual line water supply
8 systems in new golf course developments.

9 (b) The county boards of water supply, in consultation
10 with the department of health, shall adopt standards for
11 nonpotable water distributed through dual line water supply
12 systems, and rules regarding the use of nonpotable water. The
13 standards and rules shall be adopted in accordance with chapter
14 91 and shall protect existing water quality and the health and
15 safety of the public.

16 (c) For the purposes of this section, the term:
