HOUSE OF REPRESENTATIVES
TWENTY-THIRD LEGISLATURE, 2006
STATE OF HAWAII

H.B. NO. 2265
H.D. 2
S.D. 1

A BILL FOR AN ACT

RELATING TO CORRECTIONS.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that presently there are
2 three major components that make up the department of public
3 safety: administration, law enforcement, and corrections. The
4 responsibility of corrections is to provide a safe and humane
5 environment for those offenders that the courts commit to the
6 department and to ensure the safety of the community by
7 preventing escapes and preparing the inmates that some day may
8 return to society.

9 Therefore, within corrections, there are programs such as
10 supervised release managed by the intake service centers, and
11 work furlough operated by the community correctional centers, to
12 fulfill those objectives. Staff assigned to these programs
13 conduct assessments to identify those inmates appropriate for
14 these programs and provide supervision and monitoring upon their
15 conditional release into the community.

16 The legislature further finds that the field service branch
17 of the Hawaii paroling authority provides similar adult
18 supervisory and counseling services to parolees and monitors

1 their compliance with their terms and conditions of release.
 2 The services supplied by the field service branch are similar to
 3 those provided by the intake service centers and the community
 4 correctional centers, although they are provided at different
 5 stages in the criminal justice process.

6 To be cost-efficient, consistent in the delivery of
 7 services, and maintain a continuum of care, the supervisory and
 8 counseling functions of the field service branch should be
 9 transferred to the department of public safety. This transfer
 10 will not affect the Hawaii paroling authority and its functions
 11 that include:

- 12 (1) Selecting individuals for parole;
- 13 (2) Determining the time when parole shall be granted;
- 14 (3) Determining conditions of parole for any individual
 15 granted parole;
- 16 (4) Revoking and suspending parole; and
- 17 (5) Discharging an individual from parole when supervision
 18 is no longer needed.

19 The purpose of this Act is to transfer the supervisory and
 20 counseling functions, positions, and employees of the field
 21 service branch to the department of public safety.

1 SECTION 2. Section 353-62, Hawaii Revised Statutes, is
2 amended by amending subsection (a) to read as follows:

5 paroling authority shall:

6 (1) Serve as the central paroling authority for the State;

7 (2) In selecting individuals for parole, consider for
8 parole all committed persons, except in cases where
9 the penalty of life imprisonment not subject to parole
10 has been imposed, regardless of the nature of the
11 offense committed;

12 (3) Determine the time at which parole shall be granted to
13 any eligible individual as that time at which maximum
14 benefits of the correctional institutions to the
15 individual have been reached and the element of risk
