

H .B. NO. 2346

A BILL FOR AN ACT

MAKING AN EMERGENCY APPROPRIATION FOR DEPARTMENT OF EDUCATION
ELECTRICITY.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. This Act is recommended by the governor for
2 immediate passage in accordance with section 9 of article VII of
3 the Constitution of the State of Hawaii.

4 SECTION 2. The purpose of this Act is to appropriate funds
5 to fund the cost of the department of education's electricity
6 usage. Increasing usage and cost of electricity has created a
7 critical funding emergency for fiscal year 2005-2006. The
8 department of education will not have sufficient funds to pay
9 for electricity with the current appropriation amount. An
10 emergency appropriation is needed to fund the program for the
11 first year of the biennium.

12 SECTION 3. There is appropriated out of the general
13 revenues of the State of Hawaii the sum of \$5,169,458, or so
14 much thereof as may be necessary, for fiscal year 2005-2006 for
15 the purposes of this Act.

16 The sum appropriated shall be expended by the department of
17 education.

On November 3, 2005 \$2,493,965 of Impact Aid was allocated to the electricity budget. The projected unmet need as of November 2005 is \$5,169,458.
