JUSTIFICATION SHEET

DEPARTMENT: University of Hawaii

TITLE: A BILL FOR AN ACT RELATING TO THE FUNDS OF THE UNIVERSITY OF HAWAII.

PURPOSE: The purpose of this bill is to consolidate various special and revolving funds of the University of Hawaii for efficient management and greater flexibility into four special funds:
University of Hawaii at Manoa Special Fund, University of Hawaii at Hilo Special Fund, University of Hawaii-West Oahu Special Fund, and University of Hawaii Systemwide Support Special Fund.

MEANS: Add four new sections to chapter 304, amend sections 304-1.5, 304-8.1, 304-8.41(c), 304-8.7, 304-8.96, and 305-4, and repeal sections 304-8.3, 304-8.4, 304-8.5, 304-8.91, 304-8.93, 304-8.94, 304-8.945, 304-8.946, 304-8.955, 304-8.97, 304-8.98, 304-68.5, 304-77, 304-112, 305-5, and 308-2, Hawaii Revised Statutes.

JUSTIFICATION: The University of Hawaii System has over forty special and revolving funds. This bill repeals a number of special funds and creates four special funds. Some of these funds being repealed are outdated and are no longer being used, while others will be combined for programmatic purposes. Accounts will be established in the appropriate new special funds for the program's continued use. Funds to be repealed include:

- Transcript and Diploma Revolving Fund
- Vocational and Technical Training Projects Revolving Fund
- Animal Research Farm, Waialeale, Oahu Revolving Fund
- Child Care Programs Revolving Fund
- Library Special Fund

- Conference Center Revolving Fund
- Conference Center Revolving Fund for Hilo Campus
- University of Hawaii-Hilo Theatre Revolving Fund
- University of Hawaii Community Services Special Fund
- University of Hawaii Alumni Revolving Fund
- University of Hawaii Graduate Application Revolving Fund
- International Exchange Health Care Tourism Revolving Fund
- Seed Distribution Revolving Fund
- Western Governors University Special Fund
- Community College Conference Center Revolving Fund
- University Parking Revolving Fund

The University is also reclassifying four revolving funds as special funds to better reflect their usage. They include:

- Research and Training Special Fund
- University of Hawaii at Manoa Intercollegiate Athletic Special Fund and University of Hawaii at Hilo Intercollegiate Athletic Special Fund
- University of Hawaii Housing Assistance Special Fund

Creating campus special funds provides greater flexibility in establishing new programs without having to create new special funds. As the University of Hawaii becomes increasingly fee conscious, hosts new activities, and establishes nontraditional training and consultative services it will need flexibility in the use of its special funds. The University is charged with generating more of its operating revenue and this bill will simplify funding of programs with multiple funding sources. Consolidation of special funds is consistent with the streamlining and efficient management of these funds.

The creation of campus funds will be in alignment with the program ID format for budgetary purposes.

Impact on the public: None.
