# A BILL FOR AN ACT

RELATING TO FAMILY VISITS.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1           SECTION 1. The legislature finds that families are a  
2 resource to offenders during their incarceration. The support  
3 of family members can also play a key role in an offender's  
4 rehabilitation, transition, and successful re-entry from prison  
5 or jail to the community. By bringing together an offender and  
6 an offender's family through positive, consistent, and mutually  
7 desirable contact, the correctional system will be improving  
8 public safety and strengthening communities.

9           The purpose of this Act is to ensure the right of family  
10 members to visit inmates.

11           SECTION 2. Chapter 353, Hawaii Revised Statutes, is  
12 amended by adding a new section to be appropriately designated  
13 and to read as follows:

14           "§353- Visits from family members. (a) Family members  
15 shall be allowed to visit an inmate at any state correctional  
16 facility during official visiting hours.

17           (b) A visit from a family member shall be pre-approved and  
18 pre-scheduled. Notwithstanding any other law to the contrary,

1 pre-approved and pre-scheduled visits for which family members  
2 have incurred substantial costs shall not be cancelled due to  
3 staff absenteeism or any non-emergency situation. In the event  
4 that there are insufficient numbers of security staff available  
5 to maintain the safety of the facility, these visits shall be  
6 conducted in a non-contact setting.

7 (c) The department shall develop internal policies and  
8 procedures consistent with this section.

9 (d) For the purposes of this section, "family members"  
10 means persons who are related to each other by blood, marriage,  
11 adoption, or legal guardianship."

12 SECTION 3. There is appropriated out of the general  
13 revenues of the State of Hawaii the sum of \$ \_\_\_\_\_, or so  
14 much thereof as may be necessary for fiscal year 2006-2007, to  
15 the department of public safety for the purpose of retrofitting  
16 facilities with non-contact visitation areas.

17 The sum appropriated shall be expended by the department of  
18 public safety for the purposes of this Act.

19 SECTION 4. New statutory material is underscored.

20 SECTION 5. This Act shall take effect on July 1, 2006.
