
A BILL FOR AN ACT

RELATING TO EDUCATION.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that the department of
2 education federal revenue maximization program was established
3 to develop a claiming process for all medicaid-eligible health
4 services that it provides to Hawaii's school-aged children.

5 The legislature also finds that moneys generated from the
6 revenue maximization program would be deposited into the general
7 fund. However, the deposit of generated revenue into the
8 general fund does not guarantee the moneys would be dedicated to
9 the school-based claiming program.

10 The establishment of a revolving fund for the federal
11 revenue maximization program would provide a clear nexus between
12 the revenue generated from the school-based claiming program and
13 the provision of those services.

14 The purpose of this Act is to create a revolving fund for
15 the collection and disbursement of generated revenue to support
16 the administration and operations of the federal revenue
17 maximization program.

1 SECTION 2. Chapter 302A, Hawaii Revised Statutes, is
2 amended by adding a new section to be appropriately designated
3 and to read as follows:

4 "§302A- Federal revenue maximization program revolving
5 fund. (a) There is established in the state treasury the
6 federal revenue maximization program revolving fund to be
7 administered by the department.

8 (b) The federal revenue maximization program revolving
9 fund shall consist of:

10 (1) Federal revenue collected by the department for
11 administering and operating the school-based claiming
12 program;

13 (2) Legislative appropriations;

14 (3) All interest earned on the deposit or investment of
15 moneys in the federal revenue maximization program;
16 and

17 (4) Any other moneys made available to the federal revenue
18 maximization program revolving fund from other
19 sources."

20 SECTION 3. New statutory material is underscored.

H.B. NO. 2961

1 SECTION 4. This Act shall take effect on July 1, 2006.

2

INTRODUCED BY:

JAN 25 2006

HB2961

Report Title:

Education; Federal Revenue Maximization Revolving Fund

Description:

Establishes the federal revenue maximization revolving fund to collect and disburse revenue for medicaid-eligible health services provided to public school children.
