
A BILL FOR AN ACT

RELATING TO DENTAL SPECIALISTS.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. Chapter 448, Hawaii Revised Statutes, is

9 applicant has graduated from an accredited dental specialty
10 education program in orthodontics, endodontics, pedodontics,

12 dentistry, or oral medicine/oral pathology. A qualified
13 applicant under this section includes a person who has graduated
14 from an accredited dental specialty education program whether or
15 not the applicant has applied and been denied licensure under
16 any other applicable laws of the State.

17 (b) The applicant under this section shall submit all of
18 the following to the board:

- 1 (1) A completed application and all required fees;

- 4 (7) Verification that the applicant has not been subject
5 to disciplinary action by any jurisdiction in which
6 the applicant is or has been previously licensed to

10 to issue a license to the applicant;
- 11 (8) Verification that the applicant has no felony
12 convictions of any kind and no other criminal
13 convictions that may affect the applicant's ability to
14 render competent dental care;
- 15 (9) Verification of registration status with the federal

18 provided that the board shall review this information

20 to the applicant; and
- 21 (10) Verification of passage of parts I and II of the
22 National Board Dental Examination.

1 (c) For purposes of this section, an approved ADA
2 residency program qualifies as the practice of dentistry under

4 (d) An applicant under this section shall agree to
5 practice only as a dental specialist within the area of the
6 applicant's specialization."
