TITLE: A BILL FOR AN ACT RELATING TO THE HAWAII OCEAN AND COASTAL COUNCIL.

PURPOSE: To provide statutory authority to continue the Hawaii Ocean and Coastal Council.

In spite of a condition of the EO, that the Council will be terminated no later than the last day of the Regular Session of 2006, there is still a need to continue the leadership actions provided by the Council, not only to eliminate unnecessary duplication of effort and provide maximum leveraging and coordination of existing

state funding from all concerned agencies, but to also help promote increased and targeted participation and funding from cooperating entities.
