

PROPOSED

A BILL FOR AN ACT

RELATING TO CRUELTY TO ANIMALS.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that violence, whether
2 against humans or animals, must not be tolerated in our
3 community. The legislature further finds that evidence suggests
4 that there is a link between animal abuse and the commission of
5 violent acts against humans, including domestic violence, child
6 abuse, and elder abuse. Mahatma Gandhi once said, "the
7 greatness of a nation and its moral progress can be judged by
8 the way animals are treated." In order to properly address the
9 growing problem of violence in our society, we must first
10 examine our attitudes regarding the mistreatment of animals. By
11 ridding our community of animal abuse we will not only provide a
12 safe environment for pets and other animals, but also help to
13 eliminate acts of violence against people. The legislature
14 believes that, by establishing that our community will not
15 tolerate those who commit acts of violence against animals,
16 Hawaii will become a safer and more secure place for animals and
17 humans alike.
