
A BILL FOR AN ACT

RELATING TO HOUSING.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that the closure of Del
2 Monte Fresh Produce will result in significant negative impacts
3 to Kunia pineapple workers. Housing ranks among their primary
4 concerns. Currently, many employees and their families live in
5 plantation homes owned by the company at Kunia Camp. With the
6 closure of Del Monte Fresh Produce, many of these families face
7 the possibility of losing their homes. Housing is a fundamental
8 need, to which every person should have access.

9 With the loss of their jobs, many employees will undergo a
10 transition period as they seek new employment, participate in
11 job training programs, or seek other opportunities. While
12 incomes may be greatly diminished, these employees must continue
13 to make their housing payments and meet other living expenses.
14 Many former employees in transition may find it difficult to
15 qualify for loans under conventional loan-writing standards.

16 The purpose of this omnibus Act is to address the housing
17 needs of pineapple workers who are displaced by the closure of

1 Del Monte Fresh Produce and in danger of losing their homes at
2 Kunia Camp. Specifically, this Act provides for the following:

- 3 (1) A grant program to finance the purchase of existing
4 homes by their current occupants;
- 5 (2) Mortgage loans at below market interest rates for
6 eligible borrowers to purchase their homes;
- 7 (3) Rent supplements to enable eligible families to rent
8 safe, decent, and sanitary housing elsewhere in the
9 private market;
- 10 (4) Rental assistance to owners of Kunia Camp housing who
11 maintain existing units at affordable rents for
12 displaced workers and their families;
- 13 (5) Loans or grants for the preservation and substantial
14 rehabilitation of existing rental housing units;
- 15 (6) Funds for the demolition and reconstruction of
16 dilapidated housing units; and
- 17 (7) Funds for direct downpayment loans to eligible
18 borrowers for the purchase of their homes.

19 SECTION 2. There is appropriated out of the dwelling unit
20 revolving fund of the State of Hawaii the sum of \$ _____, or
21 so much thereof as may be necessary for fiscal year 2006-2007,
22 to provide grants for displaced Del Monte pineapple workers and

1 their families to purchase their existing homes in Kunia Camp;
 2 provided that the Hawaii housing finance and development
 3 administration shall by rule apply section 201G-127, Hawaii
 4 Revised Statutes, relating to restrictions on transfer, and
 5 section 201G-129, Hawaii Revised Statutes, relating to
 6 restrictions on use, to real property purchased pursuant to this
 7 section; and provided further, that this appropriation shall not
 8 lapse at the end of the 2006-2007 fiscal year, and that any
 9 amount that is unencumbered as of June 30, 2007, shall lapse
 10 into the dwelling unit revolving fund as of that date.

11 SECTION 3. The Hawaii housing finance and development
 12 administration, with the approval of the director of finance and
 13 the governor, is authorized pursuant to part III, chapter 39,
 14 Hawaii Revised Statutes, and part III, chapter 201G, Hawaii
 15 Revised Statutes, to issue revenue bonds in an aggregate
 16 principal amount not to exceed \$, at such times and in
 17 such amounts as it deems advisable, for the purpose of carrying
 18 out the provisions of subpart B of part III of chapter 201G,

11 amount that is unencumbered as of June 30, 2007, shall lapse
