13 equity to compel the authority, and the members,
14 officers, agents, or employees thereof to perform each
15 and every item, provision, and covenant contained in
16 any contract of the authority, and to require the
17 carrying out of any or all covenants and agreements of
18 the authority and the fulfillment of all duties
19 imposed upon the authority by this chapter;
- 20 (2) By suit, action, or proceeding in equity to enjoin any
21 acts or things which may be unlawful, or the violation
22 of any of the rights of the obligee of the authority;

- 1 (3) By suit, action, or proceeding in any court of
2 competent jurisdiction to cause possession of any
3 public housing project or any part thereof to be
4 surrendered to any obligee having the right to
5 possession pursuant to any contract of the authority;
- 6 (4) By suit, action, or proceeding in any court of
7 competent jurisdiction, upon the happening of an event
8 of default (as defined in a contract of the
9 authority), to obtain the appointment of a receiver of
10 any public housing project of the authority or any
11 part or parts thereof, and if the receiver is
12 appointed, the receiver may enter and take possession
13 of the public housing project or any part or parts
14 thereof and operate and maintain same, and collect and
15 receive all fees, rents, revenues, or other charges
16 thereafter arising therefrom in the same manner as the
17 authority itself might do and shall keep the moneys in
18 a separate account or accounts and apply the same in
19 accordance with the obligations of the authority as
20 the court shall direct; and
- 21 (5) By suit, action, or proceeding in any court of
22 competent jurisdiction to require the authority and

1 the members thereof to account as if it and they were
 2 the trustees of an express trust.

3 **§ -19 Subordination of mortgage to agreement with**
 4 **government.** The authority may agree in any mortgage made by it
 5 that the mortgage shall be subordinate to a contract for the
 6 supervision by a government of the operation and maintenance of
 7 the mortgaged property and the construction of improvements
 8 thereon. In that event, any purchaser or purchasers at a sale
 9 of the property of the authority pursuant to a foreclosure of
 10 the mortgage or any other remedy in connection therewith shall
 11 obtain title subject to the contract.

12 **§ -20 Duty to make reports.** Except as otherwise
 13 provided by law, the authority shall be responsible for the
 14 following reports:

15 (1) The authority shall file at least once a year with the
 16 governor a report of its activities for the preceding
 17 fiscal year;

18 (2) The authority shall report to the state comptroller on
 19 moneys deposited in depositories other than the state
 20 treasury under section 40-81, and rules adopted
 21 thereunder;

1 (3) The authority shall submit an annual report to the
2 legislature on all program areas no later than twenty
3 days prior to the convening of each regular session,
4 which shall provide the following information on the
5 status of its programs and finances:

6 (A) A financial audit and report conducted on an
7 annual basis by a certified public accounting
8 firm; and

9 (B) Recommendations with reference to any additional
10 legislation or other action that may be necessary
11 in order to carry out the purposes of this part.

12 **§ -21 Bonds; authorization.** (a) The authority, with
13 the approval of the governor, may issue from time to time bonds
14 (including refunding bonds to pay, retire, or provide for the
15 retirement of bonds previously issued by the authority) in
16 amounts not exceeding the total amount of bonds authorized to be
17 issued by the legislature for any of its corporate purposes.

18 (b) All bonds shall be issued pursuant to part III of
19 chapter 39, except as provided in this part.

20 (c) The bonds shall be issued in the name of the
21 authority, and not in the name of the State. The final maturity

1 date of the revenue bonds may be any date not exceeding sixty
2 years from the date of issuance.

3 (d) The authority may issue such types of bonds as it may
4 determine, including, without limitation, bonds payable from and
5 secured, in whole or in part, by:

6 (1) Income and revenues derived from the public housing
7 project or projects financed from the proceeds of
8 bonds;

9 (2) Receipts derived from any grant from the federal
10 government made in aid of a public housing project or
11 projects financed from the proceeds of bonds;

12 (3) Income and revenues derived from a particular
13 designated public housing project or projects whether
14 or not financed, in whole or in part, from the
15 proceeds of bonds;

16 (4) Income and revenues of the authority generally; or

17 (5) Any combination of the above.

18 (e) Any pledge made by the authority shall create a
19 perfected security interest in the revenues, moneys, or property
20 so pledged and thereafter received by the authority from and
21 after the time that a financing statement with respect to the
22 revenues, moneys, or property so pledged and thereafter received

1 shall be filed with the bureau of conveyances. Upon the filing,
2 the revenues, moneys, or property so pledged and thereafter
3 received by the authority shall immediately be subject to the
4 lien of such pledge without any physical delivery thereof or
5 further act, and the lien of any such pledge shall be prior to
6 the lien of all parties having claims by any kind in tort,
7 contract, or otherwise against the authority, irrespective of
8 whether such parties have notice thereof. This section shall
9 apply to any financing statement heretofore or hereafter filed
10 with the bureau of conveyances with respect to any pledge made
11 to secure revenue bonds issued under this part.

12 (f) Any public housing project or projects authorized by,
13 and undertaken pursuant to, this chapter shall constitute an
14 "undertaking" within the meaning of that term as defined and
15 used in part III, chapter 39; and the authority shall constitute
16 a "department" and the board shall constitute a "governing body"
17 within the meaning of those terms as defined and used in
18 part III, chapter 39.

19 (g) Neither the members of the authority nor any person
20 executing the bonds shall be liable personally on the bonds by
21 reason of the issuance thereof.

1 **§ -22 Bonds; interest rate, price, and sale.** (a) The
2 bonds shall bear interest at rates payable at times that the
3 authority, with the approval of the governor, may determine
4 except for deeply discounted bonds that are subject to
5 redemption or retirement at their accreted value; provided that
6 the discounted value of the bonds shall not exceed ten per cent
7 of any issue; and provided further that no bonds may be issued
8 without the approval of the director of finance and the
9 governor. Notwithstanding any other law to the contrary, the
10 authority may, subject to the approval of the director of
11 finance and the governor, issue bonds pursuant to
12 section -21, in which the discounted value of the bonds
13 exceeds ten per cent of the issue.

14 (b) The authority may include the costs of undertaking and
15 maintaining any public housing project or projects for which the
16 bonds are issued in determining the principal amount of bonds to
17 be issued. In determining the cost of undertaking and
18 maintaining the public housing projects, the authority may
19 include the cost of studies and surveys; insurance premiums;
20 underwriting fees; financial consultant, legal, accounting, and
21 other services incurred; reserve account, trustee, custodian,

1 and rating agency fees; and interest on the bonds for a period
2 determined by the authority.

3 **§ -23 Trustee; designation, duties.** (a) The authority
4 may designate a trustee for each issue of bonds secured under
5 the same trust indenture; provided that the trustee shall be
6 approved by the director of finance.

7 (b) The trustee shall be authorized by the authority to
8 receive and receipt for, hold, and administer the proceeds of
9 the bonds, and to apply the proceeds to the purposes for which
10 the bonds are issued.

11 (c) The trustee shall also be authorized by the authority
12 to hold and administer any public housing project bond special
13 funds established pursuant to section -28, and to receive and
14 receipt for, hold, and administer the revenues derived by the
15 authority from any public housing project or projects for which
16 the bonds are issued or the projects pledged to the payment of
17 the bonds, and to apply the revenues to the payment of the cost
18 of administering, operating, and maintaining the public housing
19 project or projects, to pay the principal of and the interest on
20 the bonds, to the establishment of reserves, and to other
21 purposes as may be authorized in the proceedings providing for
22 the issuance of the bonds.

1 (d) Notwithstanding section 39-68, the director of finance
2 may appoint the trustee to serve as fiscal agent for:

3 (1) The payment of the principal of and interest on the
4 bonds; and

5 (2) The purchase, registration, transfer, exchange, and
6 redemption of the bonds.

7 (e) The trustee shall perform additional functions with
8 respect to the payment, purchase, registration, transfer,
9 exchange, and redemption, as the director of finance may deem
10 necessary, advisable, or expeditious, including the holding of
11 the bonds and coupons, if any, that have been paid and the
12 supervision of their destruction in accordance with law.

13 (f) Nothing in this part shall limit or be construed to
14 limit the powers granted to the director of finance in sections
15 36-3, 39-13, and 39-68(a), to appoint the trustee or others as
16 fiscal agents, paying agents, and registrars for the bonds or to
17 authorize and empower those fiscal agents, paying agents, and
18 registrars to perform the functions referred to in those
19 sections.

20 **§ -24 Trust indenture.** (a) A trust indenture may
21 contain covenants and provisions authorized by part III of

1 chapter 39, and as deemed necessary or convenient by the
2 authority for the purposes of this part.

3 (b) A trust indenture may allow the authority to pledge
4 and assign to the trustee agreements related to the public
5 housing project or projects and the rights of the authority
6 thereunder, including the right to receive revenues thereunder
7 and to enforce the provision thereof.

8 (c) Where a trust indenture provides that any bond issued
9 under that trust indenture is not valid or obligatory for any
10 purpose unless certified or authenticated by the trustee, all
11 signatures of the officers of the State upon the bonds required
12 by section 39-56 may be facsimiles of their signatures.

13 (d) A trust indenture shall also contain provisions as to:

14 (1) The investment of the proceeds of the bonds, the
15 investment of any reserve for the bonds, the
16 investment of the revenues of the public housing
17 project or system of public housing projects, and the
18 use and application of the earnings from investments;
19 and

20 (2) The terms and conditions upon which the holders of the
21 bonds or any portion of them or any trustee thereof
22 may institute proceedings for the enforcement of any

1 agreement or any note or other undertaking,
2 obligation, or property securing the payment of the
3 bonds and the use and application of the moneys
4 derived therefrom.

5 (e) A trust indenture may also contain provisions deemed
6 necessary or desirable by the authority to obtain or permit, by
7 grant, interest subsidy, or otherwise, the participation of the
8 federal government in the public housing projects or in the
9 financing of the costs of administering, operating, or
10 maintaining the public housing projects.

11 **§ -25 Investment of reserves, etc.** The authority may
12 invest any funds held in reserves or sinking funds or any funds
13 not required for immediate disbursement, including the proceeds
14 of bonds, in property or securities in which the director of
15 finance may legally invest, as provided in section 36-21, except
16 that funds held outside the state treasury may be invested for
17 terms not to exceed thirty-five years. No provisions with
18 respect to the acquisition, operation, or disposition of
19 property by other public bodies shall be applicable to the
20 authority unless the legislature shall specifically so state.

1 § -26 Security for funds deposited by the authority.

2 The authority may by resolution provide that all moneys
3 deposited by it shall be secured:

4 (1) By any securities by which funds deposited by the
5 director of finance may be legally secured as provided
6 in section 38-3; or

7 (2) By an undertaking with sureties as are approved by the
8 authority faithfully to keep and pay over upon the
9 order of the authority any deposits and agreed
10 interest thereon, and all banks and trust companies
11 are authorized to give any such security for such
12 deposits.

13 § -27 Arbitrage provisions; interest rate. (a) Any
14 other provision of law to the contrary notwithstanding, neither
15 the authority nor the director of finance shall make loans or
16 purchase mortgages with the proceeds of general obligation bonds
17 of the State or from a revolving fund established or maintained
18 from the proceeds of bonds, at a rate of interest or upon terms
19 and conditions which would cause any general obligation bond of
20 the State or any bond to be an "arbitrage bond" within the
21 meaning of that term as defined in the Internal Revenue Code of

1 1986, as amended, and the regulations of the Internal Revenue
2 Service promulgated pursuant thereto.

3 (b) The rate of interest on loans made under this chapter
4 from the proceeds of general obligation bonds of the State shall
5 be established by the authority, with the approval of the
6 director of finance, after each sale of general obligation bonds
7 of the State, the proceeds of which are to be used for the
8 purposes of making loans or purchasing mortgages under this
9 chapter. If no sale of general obligation bonds of the State
10 intervenes in a twelve-month period after the last rate fixing,
11 the authority may review the then existing rates on loans or
12 mortgages made under this chapter from the proceeds of general
13 obligation bonds of the State and retain the existing rate or,
14 with the approval of the director of finance, establish
15 different rates.

16 (c) The director of finance shall approve those rates so
17 as to produce up to, but not in excess of, the maximum yield to
18 the State or the authority permitted under the Internal Revenue
19 Code of 1986, as amended, and the regulations of the Internal
20 Revenue Service promulgated pursuant thereto, on the assumption
21 that the general obligation bonds of the State, the proceeds of
22 which have been or are to be used for the purposes of making

1 loans or purchasing mortgages under this chapter, would
2 otherwise be "arbitrage bonds" under the Internal Revenue Code
3 of 1986, as amended, and the regulations of the Internal Revenue
4 Service promulgated pursuant thereto, were the maximum yield to
5 be exceeded. The establishment of the rates of interest shall
6 be exempt from chapter 91.

7 **§ -28 Public housing revolving fund; housing project**

8 **bond special funds.** (a) There is established the public
9 housing revolving fund to be administered by the authority.

10 Notwithstanding section 36-21, the proceeds in the fund shall be
11 used for long-term and other special financings of the authority
12 and for necessary expenses in administering this chapter.

13 (b) All moneys received and collected by the authority,
14 not otherwise pledged or obligated nor required by law to be
15 placed in any other special fund, shall be deposited into the
16 public housing revolving fund.

17 (c) A separate special fund shall be established for each
18 public housing project or projects financed from the proceeds of
19 bonds secured under the trust indenture. Each fund shall be
20 designated "housing project bond special fund" and shall bear
21 additional designation as the authority deems appropriate to
22 properly identify the fund.

1 (d) Notwithstanding any other law to the contrary, all
2 revenues, income, and receipts derived from a public housing
3 project or projects financed from the proceeds of bonds or
4 pledged to the payment of principal of and interest and premium
5 on bonds, shall be paid into the housing project bond special
6 fund established for the public housing project or projects and
7 applied as provided in the proceedings authorizing the issuance
8 of bonds.

9 **§ -29 Quitclaim deeds.** Unless otherwise provided by
10 law, the authority shall issue quitclaim deeds and leases
11 whenever it conveys, transfers, sells, or assigns any property
12 developed, constructed, or sponsored under this chapter.

13 **PART II. FEDERAL LOW INCOME HOUSING**

14 **§ -31 Rentals and tenant selection.** (a) In the
15 operation or management of public housing projects, the
16 authority (acting directly or by an agent or agents) shall at
17 all times, observe the following duties with respect to rentals
18 and tenant selections:

19 (1) It may establish maximum limits of annual net income
20 for tenant selection in any public housing project,
21 less such exemptions as may be authorized by federal
22 regulations pertaining to public housing. The

1 authority may agree to conditions as to tenant
2 eligibility or preference required by the federal
3 government pursuant to federal law in any contract for
4 financial assistance with the authority;

5 (2) It may rent or lease the dwelling accommodations
6 therein only at rentals within the financial reach of
7 persons who lack the amount of income which it
8 determines to be necessary in order to obtain safe,
9 sanitary, and uncongested dwelling accommodations
10 within the area of operation of the authority and to
11 provide an adequate standard of living; and

12 (3) It may rent or lease to a tenant a dwelling consisting
13 of the number of rooms (but no greater number) which
14 it deems necessary to provide safe and sanitary
15 accommodations to the proposed occupants thereof,
16 without overcrowding.

17 (b) Nothing in this part shall be construed as limiting
18 the power of the authority:

19 (1) To vest in an obligee the right, in the event of a
20 default by the authority, to take possession of a
21 public housing project or cause the appointment of a
22 receiver thereof, free from all the restrictions

1 imposed by this part with respect to rentals, tenant
2 selection, manner of operation, or otherwise; or

3 (2) To vest in obligees the right, in the event of a
4 default by the authority, to acquire title to a public
5 housing project or the property mortgaged by the
6 authority, free from all the restrictions imposed by
7 this part.

8 **§ -32 Delinquent accounts.** (a) Notwithstanding section
9 40-82, the authority, with the approval of the attorney general,
10 may delete from its accounts receivable records delinquent
11 accounts for vacated units within federal low rent public
12 housing projects that have been delinquent for at least ninety
13 days.

14 (b) The delinquent accounts may be assigned to a
15 collection agency.

16 (c) Before the authority seeks eviction of a tenant due to
17 delinquency in payment of rent, the authority shall comply with
18 the procedures set forth in section -92(b) before proceeding
19 with the eviction hearing.

20 **§ -33 Investigatory powers.** (a) The authority may:

- 1 (1) Investigate living, dwelling, and housing conditions
2 and the means and methods of improving such
3 conditions;
- 4 (2) Enter upon any building or property in order to
5 conduct investigations or to make surveys or
6 soundings;
- 7 (3) Conduct examinations and investigations and hear
8 testimony and take proof under oath at public or
9 private hearings on any matter material for its
10 information;
- 11 (4) Issue subpoenas requiring the attendance of witnesses
12 or the production of books and papers, and order the
13 examination of witnesses who are unable to attend
14 before the authority, are excused from attendance, or
15 by leave of courts as provided by chapter 624, are out
16 of the State; and
- 17 (5) Make available to any government agency charged with
18 the duty of abating or requiring the correction of
19 nuisances or like conditions, or of demolishing unsafe
20 or unsanitary structures within its territorial
21 limits, its findings and recommendations with regard
22 to any building or property where conditions exist

1 which are dangerous to the public health, morals,
2 safety, or welfare.

3 (b) Investigations or examinations may be conducted by the
4 authority or by a committee appointed by it, consisting of one
5 or more members, or by counsel, or by an officer or employee
6 specially authorized by the authority to conduct it. Any person
7 designated by the authority to conduct an investigation or
8 examination shall have power to administer oaths, take
9 affidavits, and issue subpoenas or orders for the taking of
10 depositions.

11 **§ -34 Additional powers.** The powers conferred upon the
12 authority by this subpart shall be in addition and supplemental
13 to the powers conferred upon it by any other law, and nothing
14 herein shall be construed as limiting any powers, rights,
15 privileges, or immunities so conferred upon it.

16 **PART III. STATE LOW INCOME HOUSING**

17 **A. State Low Income Housing; Administration**

18 **§ -41 Definitions.** The following terms, wherever used or
19 referred to in this subpart, shall have the following respective
20 meanings, unless a different meaning clearly appears from the
21 context:

1 "Administer" or "administration" means the management,
2 operation, maintenance, and regulation of any state low income
3 housing project. It also includes any and all undertakings
4 necessary therefor.

5 "Veteran" includes any person who served in the military or
6 naval forces of the United States during World War II and who
7 has been discharged or released therefrom under conditions other
8 than dishonorable. The term "veteran" includes Filipino World
9 War II veterans who served honorably in an active duty status
10 under the command of the United States Armed Forces in the Far
11 East (USAFFE), or within the Philippine Army, the Philippine
12 Scouts, or recognized guerilla units. The Filipino World War II
13 veterans must have: served at any time between September 1,
14 1939, and December 31, 1946; been born in the Philippines; and
15 resided in the Philippines prior to the military service.

16 **§ -42 Housing, tenant selection.** Subject to the
17 following limitations and preferences, the authority shall
18 select tenants upon the basis of those in greatest need for such
19 housing. The authority may limit the tenants of any state low
20 income housing project to classes of persons when required by
21 federal law or regulation as a term or condition of obtaining
22 assistance from the federal government. Within the priorities

1 established by the authority recognizing need, veterans with a
2 permanent disability of ten per cent or more as certified by the
3 United States Department of Veterans' Affairs, the dependent
4 parents of the veteran and the deceased veteran's widow shall be
5 given first preference.

6 **§ -43 Rentals.** (a) Notwithstanding any provision of
7 law to the contrary, the authority shall fix the rates of the
8 rentals for dwelling accommodations and other facilities in the
9 state low income housing projects provided for by this subpart,
10 at rates that will produce revenues that will be sufficient to
11 pay all expenses of management, operation, and maintenance,
12 including the cost of insurance, a proportionate share of the
13 administrative expenses of the authority to be fixed by it, and
14 the costs of repairs, equipment, and improvements, to the end
15 that the state low income housing projects shall be and always
16 remain self-supporting. The authority, in its discretion, may
17 fix the rates in such amounts as will produce additional
18 revenues (in addition to the foregoing) sufficient to amortize
19 the cost of the state low income housing project or projects,
20 including equipment, over a period or periods of time that the
21 authority may deem advisable.

1 (b) Notwithstanding any provision of law to the contrary,
2 if any such state low income housing project or projects have
3 been specified in any resolution of issuance adopted pursuant to
4 part I or if the income or revenues from any such project or
5 projects have been pledged by the authority to the payment of
6 any bonds issued under part I, or if any of the property of any
7 such state low income housing project or projects is security
8 for any such bonds, the authority shall fix the rates of the
9 rentals for dwelling accommodations and other facilities in the
10 state low income housing project or projects so specified or
11 encumbered at increased rates that will produce the revenues
12 required by subsection (a) and, in addition, those amounts that
13 may be required by part I, by any resolution of issuance adopted
14 under part I and by any bonds or mortgage or other security
15 issued or given under part I.

16 **§ -44 Administration of state low income housing**
17 **projects and programs.** (a) The authority may construct,
18 develop, and administer property or housing for the purpose of
19 state low income housing projects and programs.

20 (b) State low income housing projects shall be subject to
21 chapter 521, Hawaii Revised Statutes.

1 (c) The authority shall adopt necessary rules in
2 accordance with chapter 91 including the establishment and
3 collection of reasonable fees for administering the state low
4 income housing projects or programs and to carry out any state
5 program under subsection (a).

6 **§ -45 State low income housing revolving fund.** The
7 director of finance shall establish a revolving fund to be known
8 as "the state low income housing revolving fund."

9 Notwithstanding any law to the contrary, moneys received by the
10 authority under or pursuant to this subpart, including refunds,
11 reimbursements, rentals, fees, and charges received from
12 tenants, shall be deposited in the state low income housing
13 revolving fund. Except as otherwise provided in this chapter,
14 the state low income housing revolving fund may be expended by
15 the authority for any and all of the purposes of this subpart,
16 including, without prejudice to the generality of the foregoing,
17 the expenses of management, operation, and maintenance of state
18 low income housing, including but not limited to the cost of
19 insurance, a proportionate share of the administrative expenses
20 of the authority, and the cost of repairs, equipment, and
21 improvement; the acquisition, clearance, and improvement of
22 property; the construction and reconstruction of building sites;

1 the construction, reconstruction, repair, remodeling, extension,
2 equipment, and furnishing of any state low income housing
3 project; the development and administration of any state low
4 income housing project; the payment of rentals; and
5 administration and other expenses.

6 **§ -46 Investigatory powers.** (a) The authority may:

- 7 (1) Investigate living, dwelling, and housing conditions
8 and the means and methods of improving those
9 conditions;
- 10 (2) Enter upon any building or property in order to
11 conduct investigations or to make surveys or
12 soundings;
- 13 (3) Conduct examinations and investigations, hear
14 testimony and take proof under oath at public or
15 private hearings on any matter material for its
16 information;
- 17 (4) Issue subpoenas requiring the attendance of witnesses
18 or the production of books and papers, and order the
19 examination of witnesses who are unable to attend
20 before the authority, are excused from attendance, or
21 by leave of courts as provided by chapter 624, are out
22 of the State; and

1 (5) Make available to any government agency charged with
2 the duty of abating or requiring the correction of
3 nuisances or like conditions, or of demolishing unsafe
4 or unsanitary structures within its jurisdictional
5 limits, its findings and recommendations with regard
6 to any building or property where conditions exist
7 which are dangerous to the public health, morals,
8 safety, or welfare.

9 (b) Investigations or examinations may be conducted by the
10 authority or by a committee appointed by it, consisting of one
11 or more members, or by counsel, or by an officer or employee
12 specially authorized by the authority to conduct it. Any person
13 designated by the authority to conduct an investigation or
14 examination may administer oaths, take affidavits, and issue
15 subpoenas or orders for the taking of depositions.

16 **§ -47 Housing, government aid, political subdivisions.**

17 Any political subdivision may appropriate money for the purposes
18 of meeting any local participation in housing costs or expenses
19 required in order to obtain assistance from the federal
20 government in the development and administration of state low
21 income housing projects and programs under this subpart, or of

1 providing funds for use by the authority in developing and
2 administering state low income housing projects.

3 **§ -48 Additional powers.** The powers conferred upon the
4 authority by this subpart shall be in addition and supplemental
5 to the powers conferred upon it by any other law, and nothing in
6 this subpart shall be construed as limiting any powers, rights,
7 privileges, or immunities conferred upon it.

8 **B. State Low Income Housing; Liens**

9 **§ -51 Definitions.** The following terms wherever used or
10 referred to in this subpart shall have the following respective
11 meanings, unless a different meaning clearly appears from the
12 context:

13 "State low income housing project" means and includes any
14 state low income housing project or projects owned, managed,
15 administered, or operated by the authority.

16 "Tenant" includes any person occupying a room, dwelling
17 accommodation, living quarters, or space in any state low income
18 housing project, under or by virtue of any tenancy lease,
19 license, or permit under or from the authority.

20 **§ -52 Lien on personalty for rent, etc.** The authority
21 shall have a statutory lien on all personal property, not exempt
22 from execution, belonging to, or in the lawful possession of,

17 sell the same at public auction and apply the proceeds thereof
18 to the payment of its charges for storage of the personal
19 property, and for public notice and sale, and to the payment of
20 other amounts, if any, then due and owing to it from the former
21 resident or occupant for rent or for any utility or service.

4 known, of the former resident or occupant who so left the
5 property in or about the housing project; the amount of the

3 continues to tender the usual rent to the authority or
4 proceeds to tender receipts for rent lawfully
5 withheld, no action or proceeding to recover
6 possession of the dwelling unit may be maintained
7 against the elder, nor shall the authority otherwise

9 prejudice to the generality of the foregoing, the planning,
10 construction, maintenance, and operation of teachers' housing,
11 as well as for the salaries of the necessary personnel in charge
12 thereof.

13 Whenever the governor determines that the amount in the

2 meeting provided for in subsection (c), the authority shall
3 provide the tenant with a second written notice. The notice
4 shall inform the tenant that:

5 (1) The authority shall proceed to terminate the tenant's
6 tenancy because of the tenant's outstanding rent

8 authority's written notice issued pursuant to
9 subsection (b);

11 written notice to request a grievance hearing; and

17 in subsection (c), the authority shall decide, based upon the
18 facts discussed at the meeting, what action is appropriate to
19 address the tenant's case. The authority shall notify the
20 tenant of such decision in writing. If the authority decides to

2 to request a grievance hearing; and

3 (2) If the tenant fails to request a grievance hearing
4 within thirty days, the authority has the right to proceed with
5 the eviction hearing pursuant to section -93.

6 **§ -93 Hearings.** (a) Where the authority proposes to
7 terminate a lease, rental agreement, permit, or license, and
8 evict a tenant, licensee, or other occupant under section -92,
9 a hearing shall be held to determine whether cause exists for
10 the action. The authority shall give written notice to the
11 person concerned specifying the reason for which the eviction is
12 proposed and fixing the date and place of hearing. The written
13 notice shall further inform the tenant, licensee, or other
14 occupant of the right to inspect and copy the tenant file at the
15 tenant's expense before the hearing is held. The notice shall
16 be given at least five days before the date set for the hearing.
17 At the hearing, before final action is taken, the person

19 counsel, and shall be accorded a full and fair hearing in
20 accordance with the requirements of a contested case hearing
21 provided for under sections 91-9 and 91-10 to 91-13. This full

1 and fair hearing shall be deemed to be a contested case hearing
2 before the agency that is required pursuant to chapter 91.

3 (b) Hearings shall be conducted by an eviction board
4 appointed by the authority. The eviction board shall consist of
5 not fewer than three persons, of which one member shall be a
6 tenant. At least one eviction board shall be established in
7 each county of the State. The findings, conclusions, decision,
8 and order of the eviction board shall be final unless an appeal
9 is taken as hereinafter provided.

11 respecting administering oaths, compelling the attendance of
12 witnesses and the production of documentary evidence, and
13 examining witnesses, as are possessed by circuit courts. In
14 case of disobedience by any person of any order of the eviction
15 board, or of any subpoena issued by the eviction board, or the
16 refusal of any witness to testify to any matter regarding which
17 the witness may lawfully be questioned, any circuit judge, on
18 application by the eviction board, shall compel obedience as in
19 the case of disobedience of the requirements of a subpoena
20 issued by a circuit court, or a refusal to testify therein.

21 **§ -94 Eviction.** (a) If it is proven to the
22 satisfaction of the eviction board that there is cause to

1 terminate a lease, rental agreement, permit, or license and
2 evict the tenant, licensee, or other occupant, the authority
3 shall provide the tenant with a written notice of the
4 authority's decision to terminate the lease. The notice shall
5 inform the tenant that a writ of possession may be issued by the
6 authority within ten days. The notice shall also inform the
7 tenant of whether the grounds for eviction are considered
8 curable, and if so, what the tenant must do to remedy the
9 grounds, by when it must be done, and what the tenant must do to
10 document for the authority that the grounds have been remedied.

11 (b) When the grounds for termination of the lease may be
12 cured by the occupant, licensee, or other occupant, the tenant
13 shall have ten days from receipt of the notice provided for in
14 subsection (a) to cure such grounds. If the grounds are cured
15 within the ten-day period, no writ of possession may be issued.
16 If the condition is not cured within the ten-day period, the
17 authority may issue a writ of possession forthwith.

18 (c) The authority may adopt rules to define curable and
19 noncurable grounds for eviction pursuant to chapter 91. The
20 authority may consider a tenant's history in determining
21 noncurable grounds for eviction. A tenant's history may include

1 chronic or consistent delinquency, or repeated violations of the
2 terms of the rental agreement.

3 (d) Enforcement of the order by a writ of possession shall
4 be effected either by an officer appointed by the authority, who
5 shall have all of the powers of a police officer for all action
6 in connection with the enforcement of the order, or by the
7 sheriff, or any other law enforcement officer of the State or
8 any county, whose duty it shall be to carry out the order. The
9 person enforcing the order shall remove all persons from the
10 premises and put the authority in full possession thereof.

11 (e) Upon eviction, the household goods and personal
12 effects of the person against whom the order is entered, and
13 those of any persons using the premises incident to the person's
14 holding, may be removed from the premises and stored by the
15 authority. If the action is taken, the authority shall have a
16 lien on the property so taken for the expenses incurred by it in
17 moving and storing the same, and the authority is authorized to
18 sell or otherwise dispose of the property, if unclaimed after
19 thirty days.

20 § -95 **Ex parte motion.** If a tenant or licensee cannot
21 be served with an order of eviction or writ of possession, and
22 the facts shall appear by affidavit to the authority, service to

1 the tenant or licensee may be made according to the special
2 order of the authority. The order shall require the officer to
3 affix a certified copy of the order of eviction or writ of
4 possession in a conspicuous place upon the premises such as the
5 door or wall of the dwelling unit.

6 **§ -96 Judicial review.** (a) Any person aggrieved by a
7 final decision and order by the authority or by a preliminary
8 ruling of the nature that deferral of review pending entry of a
9 subsequent final decision would deprive the appellant of
10 adequate relief is entitled to judicial review thereof under
11 this subpart.

12 (b) Except as otherwise provided herein, proceedings for
13 review shall be instituted in the circuit court within thirty
14 days after the preliminary ruling or within thirty days after
15 service of the certified copy of the final decision and order of
16 the authority pursuant to the provisions of the rules of court,
17 except where a statute provides for a direct appeal to the
18 intermediate appellate court. In such cases, the appeal shall
19 be treated in the same manner as an appeal from the circuit
20 court, including payment of the fee prescribed by section 607-5
21 for filing the notice of appeal. The court in its discretion
22 may permit other interested persons to intervene.

1 (c) The proceedings for review shall not stay enforcement
2 of the decisions of the authority; but the authority or the
3 reviewing court may order a stay upon such terms as it deems
4 proper.

5 (d) Within twenty days after the determination of the
6 contents of the record on appeal in the manner provided by the
7 rules of court, or within further time as the court may allow,
8 the authority shall transmit to the reviewing court the record
9 of the proceeding under review. The court may require or permit
10 subsequent corrections or additions to the record when deemed
11 desirable.

12 (e) If, before the date set for hearing, application is
13 made to the court for leave to present additional evidence and
14 the evidence is material and good cause exists for the failure
15 to present the evidence in the proceeding before the authority,
16 the court may order the authority to hear the evidence upon the
17 conditions as the court deems proper. The authority may modify
18 its findings, decision, and order by reason of the additional
19 evidence and shall file with the reviewing court, to become a
20 part of the record, the additional evidence, together with any
21 modification of its findings or decision.

1 (f) The review shall be conducted by the court without a
2 jury and shall be confined to the record. In cases of alleged
3 irregularities in procedure before the authority and not shown
4 in the record, testimony thereon may be taken in court. The
5 court may, upon request by any party, hear oral argument and
6 receive written briefs.

7 (g) Upon review of the record the court may affirm the
8 decision of the authority or remand the case with instructions
9 for further proceedings, or it may reverse or modify the
10 decision and order if the substantial rights of the petitioners
11 may have been prejudiced because the administrative findings,
12 conclusions, decisions, or orders are:

- 13 (1) In violation of constitutional or statutory
14 provisions;
- 15 (2) In excess of the statutory authority or jurisdiction
16 of the authority;
- 17 (3) Made upon unlawful procedure;
- 18 (4) Affected by other error of law;
- 19 (5) Clearly erroneous in view of the reliable, probative,
20 and substantial evidence on the whole record; or

2 discretion or clearly unwarranted exercise of
3 discretion.

5 of any final judgment of the circuit court under this subpart by
6 appeal to the intermediate appellate court, subject to
7 chapter 602. The appeal shall be taken in the manner provided
8 in the rules of court.

21 privileges, if in its discretion it deems such payment
22 advisable."

5 each county shall allow the authority to establish, maintain, or
6 operate its own garbage and trash collection and disposal
7 service for any or all public housing project or complex located
8 within the county, and in regard to such service, shall allow
9 the authority to use, free of charge, all incinerators, garbage
10 dumps, and other facilities that the county may own, control, or

16 (b) The authority shall adopt rules pursuant to chapter 91
17 for the purposes of this part; provided that these rules or any
18 rules relating directly to homelessness authorized by any
19 statute, shall be exempt from the requirements of chapter 91,
20 and shall take effect immediately upon filing with the office of
21 the lieutenant governor.

1 § -123 **Exception to liability for donors.** (a) Any
2 donor who gives money to a provider agency, to a homeless
3 facility, to or through the authority, or for any other program
4 for the homeless authorized by this part, shall not be liable
5 for any civil damages resulting from the donation.

6 (b) Any donor who gives land and improvements, or who

9 Notwithstanding any other law to the contrary, the board of land
10 and natural resources or other state agency holding such lands
11 and improvements, for purposes of this part, may contract or
12 otherwise convey at a nominal consideration, by direct
13 negotiation and without recourse to public auction, the land and
14 improvements, or the management, operation, and administrative
15 responsibility over the land and improvements, to the authority
16 or its designee. The land and improvements shall be used by the
17 authority or its designee for homeless facilities, or for any
18 other program for the homeless authorized by this part.

19 **§ -125 Program administration.** To the extent that
20 appropriations are made available, the authority may contract
21 with a provider agency to administer homeless facilities, or any
22 other program for the homeless created by this part. The

1 selection of provider agencies to administer homeless
2 facilities, or any other program for the homeless authorized by
3 this part, shall not be subject to chapters 42F, 102, 103, and
4 103F. The selection of provider agencies shall be subject to
5 qualifying standards and criteria established by rule.

6 **§ -126 Time limits.** To the extent that appropriations
7 are made available, a provider agency shall provide shelter or
8 any other program assistance authorized by this part to eligible
9 homeless families and homeless individuals not later than two
10 days, or such time as is set by rule which shall not be later
11 than seven days, after they apply and qualify for the shelter or
12 other program assistance, pursuant to rule. Such time limits
13 may be waived at the discretion of the authority for a maximum
14 period of fourteen days for the purpose of implementing repairs
15 to the subject shelter, which repairs the authority deems major
16 or extensive.

17 **§ -127 Determination of eligibility and need.** (a) The
18 provider agency operating and managing a homeless facility, or
19 any other program for the homeless authorized by this part, or
20 the authority operating and managing its own homeless facility,
21 shall be responsible for determining if an applicant is eligible
22 for shelter or other services at the homeless facility or

1 through any other program for the homeless, pursuant to
2 standards and criteria established by rule.

3 (b) The provider agency or the authority operating and
4 managing its own homeless facility shall determine the degree of
5 need for each homeless family or individual and in its
6 determination shall consider the resources available and the
7 number of potential eligible applicants in the area served by
8 the homeless facility or other program for the homeless
9 authorized by this part.

10 (c) The authority may establish by rule standards and
11 criteria for eligibility, need, and priority for each program;
12 provided that the authority may establish by rule exceptions to
13 these eligibility requirements based on special circumstances.

14 **§ -128 Abuse of assistance.** (a) The provider agency
15 operating and managing a homeless facility, or any other program
16 for the homeless authorized by this part, or the authority
17 operating and managing its own homeless facility, shall be
18 responsible for determining if a participant is no longer
19 eligible for shelter or other services at the homeless facility
20 or through any other program for the homeless, pursuant to
21 standards and criteria established by rule.

1 (b) Pursuant to rule and the right of due process, the
2 authority or its designee, or provider agencies together with
3 the authority, may act to bar homeless families or individuals
4 from participating further in any homeless facility, may issue a
5 writ of possession, and take such other actions as provided by
6 rule.

7 The enforcement of a writ of possession shall be effected
8 either by an officer appointed by the authority, who shall have
9 all of the powers of a police officer for all action in
10 connection with the enforcement of the writ, or any other law
11 enforcement officer of the State or any county, whose duty it
12 shall be to enforce the writ. The person enforcing the writ
13 shall remove all persons from the premises and put the authority
14 or its designee, or the provider agency designated by the
15 authority, in full possession thereof.

16 Upon eviction, the household goods and personal effects of
17 the person against whom the writ is entered, and those of any
18 persons using the premises incident to the person's holding, may
19 be removed from the premises immediately and sold or otherwise
20 disposed of by the authority or its designee, or the provider
21 agency. If the action is taken, the authority or its designee,

1 or the provider agency, shall have a lien on the property so
2 removed for the expenses incurred by it in moving the property.

3 (c) Any person who enters or remains unlawfully in or upon
4 the premises or living quarters of any homeless facility, or any
5 other program for the homeless authorized by this part, after
6 reasonable warning or request to leave by that provider agency's
7 authorities, the authority or its designee, or a police officer,
8 shall be guilty of a misdemeanor; provided that the offense in
9 this subsection shall be in addition to any other applicable
10 offense in the Hawaii Penal Code. A warning or request shall
11 only be issued if the person has engaged in unlawful conduct or
12 has violated house rules and regulations; provided that the
13 warning or request for violation of house rules and regulations
14 shall be issued only if that provider agency, or the authority
15 or its designee, has filed a copy of its current house rules and
16 regulations governing tenancy or participation at the shelter,
17 facility, or program, and any changes thereto, with the director
18 of commerce and consumer affairs. The house rules and
19 regulations shall be reasonable and a copy shall be provided to
20 each tenant or participant. The warning or request shall
21 supersede any invitation by a tenant or participant at the

1 shelter, facility, or program to that person to visit the
2 premises or living quarters.

3 **§ -129 Exemptions.** (a) Any compensation received by a
4 provider agency for services rendered to homeless families or
5 individuals, or in operating or managing a homeless facility
6 authorized by this part, is exempt from taxes under chapter 237.

7 (b) Any county mayor may exempt, by executive order,
8 donors and homeless provider agencies from real property taxes,
9 water and sewer development fees, rates collected for water
10 supplied to consumers and for use of sewers, and any other
11 county taxes, charges, or fees; provided that any county may
12 enact ordinances to regulate the exemptions granted by this
13 subsection.

14 (c) Any provider agency operating or managing a homeless
15 facility, or any other program for the homeless authorized by
16 this part, is exempt, for purposes of those facilities or
17 programs, from any requirements contained in part VIII of
18 chapter 346 and chapters 467 and 521.

19 **§ -130 Emergency/transitional shelter volunteers**
20 **exempted.** (a) For the purposes of this section,
21 "emergency/transitional shelter volunteer" means an individual
22 who:

- 1 (1) Is a tenant at an emergency or transitional shelter
- 2 administered pursuant to this part;
- 3 (2) Is not an employee of the provider agency operating or
- 4 managing the shelter;
- 5 (3) Is under the direction of the provider agency
- 6 operating or managing the shelter and not the
- 7 authority or the State; and
- 8 (4) Provides up to eighty hours of volunteer labor or
- 9 services per month to the provider agency operating or
- 10 managing the shelter, notwithstanding payment of
- 11 stipends or credits for such labor and services.
- 12 (b) Provider agencies may accept labor and services from
- 13 emergency/transitional shelter volunteers.
- 14 (c) In addition to any exemptions granted to nonpaid
- 15 labor, emergency/transitional shelter volunteers who acknowledge
- 16 in writing that they are emergency/transitional shelter
- 17 volunteers, shall not be construed to be in the employ of the
- 18 provider agency operating or managing the shelter. The
- 19 volunteers' labor and services provided to the provider agency
- 20 operating or managing the shelter shall not be construed to
- 21 constitute employment, and the volunteers shall not be construed

1 to be employees of the provider agency operating or managing the
2 shelter, under any labor law.

3 **§ -131 Annual performance audits.** (a) The authority
4 shall require any provider agency that dispensed shelter or
5 assistance for any homeless facility or any other program for
6 the homeless authorized by this part to submit to the authority
7 a financial audit and report on an annual basis conducted by a
8 certified public accounting firm. This audit and report shall
9 contain information specific to the funds received under state
10 homeless programs contracts. The audit shall include
11 recommendations to address any problems found.

12 (b) Continuing contracts with provider agencies to
13 participate in any program for the homeless authorized by this
14 part shall require that the provider agency address the
15 recommendations made by the auditing agency, subject to
16 exceptions as set by the authority.

17 (c) Failure to carry out the recommendations made by the
18 auditing agency may be grounds for the authority to bar a
19 provider agency from further contracts for programs authorized
20 by this part until the barred provider has addressed all
21 deficiencies.

1 shall be related to the difference in unit size, pursuant to
2 standards established by rule.

3 (b) The authority may make or may contract to make
4 homeless shelter stipend payments on behalf of one or more
5 homeless families or individuals to a provider agency operating
6 or managing an emergency or transitional shelter or, in the case
7 that the authority itself operates and manages a homeless
8 facility, to the authority in such amounts and under such
9 circumstances as provided by rule. The contract may specify a
10 minimum total amount of homeless shelter stipends to be received
11 by a provider agency for making its shelter and services
12 available to eligible homeless families or individuals, pursuant
13 to rule.

14 (c) In making homeless shelter stipend payments to a
15 provider agency the authority may establish minimal services to
16 be provided by the provider agency to homeless families or
17 individuals at the agency's shelter. The authority may also
18 direct provider agencies to establish and manage a savings
19 account program as described in subsection (d). Additionally,
20 the authority may direct provider agencies to subcontract for
21 outreach services from other private agencies specializing in
22 programs for the unsheltered homeless.

1 (d) Provider agencies and the authority may establish and
 2 collect shelter and services payments from homeless families or
 3 individuals in addition to the amount received in homeless
 4 shelter stipend payments pursuant to rule. Provider agencies
 5 and the authority may also set aside a portion of the payments
 6 in a savings account to be made available to homeless families
 7 or individuals when these families and individuals vacate the
 8 shelter.

9 § -135 **Additional powers.** The powers conferred upon the
 10 authority by this part shall be in addition and supplemental to
 11 the powers conferred upon it by any other law, and nothing in
 12 this part shall be construed as limiting any powers, rights,
 13 privileges, or immunities conferred upon the authority.

14 **B. Hale Kokua Program**

15 § -141 **Findings and purpose.** The legislature finds that
 16 the issue of homelessness should be regarded as one of the
 17 State's most significant social problems. The severity of the
 18 problem is visible in every area of the State, and evidence that
 19 the problem is escalating is becoming more and more apparent.
 20 The problem of homelessness impacts everyone, and the burden of
 21 rectifying this problem should be approached comprehensively and
 22 as a collective responsibility.

1 The purpose of this subpart is to establish a homeless
2 assistance program known as the Hale Kokua program which would
3 authorize the payment of a state grant and a monthly rent
4 supplement to any interested property owner who sets aside any
5 existing rental space or undertakes the improvement or
6 construction of any adjoining or separate dwelling unit for the
7 purpose of renting the unit to any family or individual
8 classified as employed but homeless under the program for a
9 period of five years.

10 The program will place a priority on assisting homeless
11 families in the greatest need. To ensure that no particular
12 district or community of the State is unduly burdened by the
13 sudden influx of homeless families holding rental contracts with
14 qualified homeowners under the program, the number of homeowners
15 authorized to take part in the Hale Kokua program will be
16 limited to ten per census tract.

17 The Hale Kokua program will assist homeless families and
18 individuals who are willing to engage in self-improvement
19 programs and regular employment with an alternative to living in
20 homeless shelters where homeless families as well as the special
21 needs homeless are indiscriminately grouped together.

1 Developing the employment skills of participating tenants is an
2 integral component of the program.

3 Accordingly, the program will allow other available
4 programs to focus more intently on the special needs of the
5 homeless. The program also calls for the establishment of a
6 cooperative effort between the State, the counties, and the
7 federal government to provide the community and the Hale Koa
8 program with the resources and the incentives to eliminate the
9 condition of homelessness. Since the Hale Koa program
10 involves the public and private sectors, the cost of
11 implementing this program should be far less than the cost of
12 building new homeless shelter facilities.

13 The program has the potential to drastically reduce the
14 actual number of homeless families and individuals living in
15 public areas, to ultimately provide full and free access to
16 Hawaii's malls, streets, parks, and campgrounds. As a result,
17 Hawaii's overall quality of life will be enriched and Hawaii's
18 reputation as one of the most beautiful visitor destinations
19 will be enhanced.

20 **§ -142 Definitions.** As used in this subpart, unless the
21 context clearly requires otherwise:

1 "Employed but homeless" means any person who is homeless as
2 defined in subpart A who is employed at least nineteen hours a
3 week or participates in an employment training program and does
4 volunteer work for a total of nineteen hours per week until
5 employment can be found.

6 **§ -143 Hale Kokua program; established.** There is
7 established, within the Hawaii public housing authority, a
8 homeless assistance program known as the Hale Kokua program, to
9 provide incentives and assistance to private homeowners
10 throughout the State who set aside existing dwelling units, or
11 construct or renovate dwelling units, for rental for a period of
12 five years by families or individuals classified as employed but
13 homeless. The Hawaii public housing authority shall administer
14 the Hale Kokua program and adopt the standards and framework
15 necessary to implement the program statewide after the initial
16 phase of the program.

17 **§ -144 Powers and duties.** (a) The authority may
18 contract with private services to carry out the duties and
19 responsibilities of the program.

20 Notwithstanding any other law to the contrary, any
21 contracts entered into by the authority with a private sector

1 entity pursuant to this subsection shall not be subject to
2 chapters 76 and 89.

3 (b) The duties of the authority or contracted agency shall
4 include:

5 (1) Carrying out the requirements of the Hale Kokua
6 program under this subpart;

7 (2) Developing and adopting the requirements, eligibility
8 qualifications, registration, background check,
9 initial screening procedures, and procedures for
10 follow-up after placement to determine the ability to
11 make rental payments and the need for social services
12 and referrals for homeless families and individuals to
13 qualify them as tenants under this program;

14 (3) Developing and adopting the requirements,
15 qualifications, and the registration procedures for
16 property owners who provide rental housing to
17 qualified homeless tenants; provided that priority
18 shall be given to those not requesting construction
19 grants;

20 (4) Developing appropriate procedures to address potential
21 liabilities of the State; and adopting the procedures
22 to place qualified homeless tenants with property

- 1 owners participating in the program. Participating
2 property owners shall interview and make final tenant
3 selection from lists of prospective tenants compiled
4 by the administrator or the contracted agency;
- 5 (5) Establishing the procedures and requirements for the
6 disbursement of building improvement grants and rental
7 subsidies and the amounts thereof to property owners
8 participating in the program;
- 9 (6) Working with the counties to develop and propose
10 uniform incentives to encourage and facilitate the
11 participation of property owners, including real
12 property tax waivers or reductions, and exemptions in
13 zoning or building code requirements which shall be
14 conditioned on participation in the program and which
15 shall lapse when program participation ends;
- 16 (7) Monitoring the financial status and progress of
17 homeless tenants and cooperating with other agencies
18 in establishing and coordinating job training, and
19 other programs to help tenants to progress toward
20 self- sufficiency;
- 21 (8) Promoting and assisting in the development of
22 employer-employee relationships between homeless

1 tenants and participating property owners, including
2 but not limited to tenant caretaker, housekeeper, or
3 groundskeeper employment situations;

4 (9) Working towards securing financial, in-kind, and
5 administrative assistance from law enforcement and
6 other state and county agencies and the private sector
7 to implement the program;

8 (10) Working towards securing funding assistance from
9 federal agencies and programs involved in housing
10 development, job-training, or homeless assistance;

11 (11) Monitoring the progress of the Hale Kokua program, and
12 collecting annual statistics showing the numbers of
13 homeless people, homeless families, and homeless
14 children, using appropriate measurement systems; and

15 (12) Preparing recommendations to improve and expand the
16 program, including but not limited to incentives for
17 participating property owners to sign up for
18 additional terms.

19 **-145 Homeowner participation; limitation; payments and**
20 **assistance.** (a) The administrator shall limit the
21 participation of not more than ten property owners within each
22 census tract at any given period in time, without regard to the

1 existence or operation of shelters and other facilities to aid
2 the homeless in the tract. The authority or contracted agency
3 shall notify prospective participants registered on the waiting
4 list in each census tract of the opportunity to participate in
5 the program as these opportunities may arise in each tract.

6 (b) Assistance to any qualified property owner providing
7 rental housing to any homeless tenant under this subpart for a
8 period of five years shall include, but not be limited to, at
9 least one of the following:

10 (1) The payment of a state grant to offset the cost of
11 renovating, building any adjoining addition, or
12 constructing any separate structure upon the premises
13 of the owner's property in preparation for its use as
14 a homeless assistance unit under the program;

15 (2) The payment of a monthly state rent subsidy to
16 supplement the monthly rental payments made by the
17 homeless tenant;

18 (3) Real property tax rate waivers or reductions proposed
19 by the administrator and approved by the council of
20 the county in which the property is located;

21 (4) Zoning and building code exemptions applicable to the
22 construction of adjoining or separate dwelling units

1 on the owner's property, provided that the county, by
2 ordinance, may establish minimum development and
3 construction standards for these units and procedures
4 for approval thereto; and

5 (5) Other incentives consistent with the purposes of this
6 subpart to assist in the participation of property
7 owners under the program.

8 **§ -146 Early withdrawal from program; recovery of grant.**

9 (a) Any property owner who withdraws without just cause from
10 the Hale Kokua program prior to the end of the five-year period
11 shall return the state grant for construction improvements
12 within ninety days of the date of withdrawal. The authority
13 shall effect the recovery of the grant, including but not
14 limited to the filing of liens against the real property of
15 withdrawing property owners. The administrator shall be awarded
16 reasonable attorneys' fees and costs as determined by the court
17 in any action brought to enforce this subpart.

18 (b) The county government whose jurisdiction includes the
19 site shall determine the disposition of the additional unit
20 constructed with the grant.

1 **§ -147 Availability of funding.** All rental subsidies,
2 grants, and payments allocated by the Hale Kokua program under
3 this subpart shall be subject to the availability of funds.

4 **PART VIII. STATE RENT SUPPLEMENT PROGRAM**

5 **§ -151 Rent supplements.** The authority is authorized to
6 make, and contract to make, annual payments to a "housing owner"
7 on behalf of a "qualified tenant," as those terms are defined in
8 this part, in such amounts and under such circumstances as are
9 prescribed in or pursuant to this part. No payment on behalf of
10 a qualified tenant shall exceed a segregated amount of \$160 a
11 month.

12 **§ -152 Housing owner defined.** As used in this part, the
13 term "housing owner" means:

14 (1) A private nonprofit corporation or other private
15 nonprofit legal entity, a limited dividend corporation
16 or other limited dividend legal entity, or a
17 cooperative housing corporation, that is a mortgagor
18 under section 202, 207, 213, 221(d)(3), 221(d)(5), or
19 231 of the National Housing Act, as amended, or that
20 conforms to the standards of those sections but that
21 is not a mortgagor under those sections or any other
22 private mortgagor under the National Housing Act, as

1 amended, for very low income, low-income, or
2 moderate-income family housing, regulated or
3 supervised under federal or state laws or by political
4 subdivisions of the State, or agencies thereof, as to
5 rents, charges, capital structure, rate of return, and
6 methods of operation, from the time of issuance of the
7 building permit for the project;

8 (2) Any other owner of a standard housing unit or units
9 deemed qualified by the authority; and

10 (3) The authority.

11 **§ -153 Qualified tenant defined.** As used in this part,
12 the term "qualified tenant" means any single person or family,
13 pursuant to criteria and procedures established by the
14 authority, that has been determined to have an income not
15 exceeding the very low income limit as determined by the
16 authority pursuant to rules adopted by the authority; provided
17 that the qualified tenant's primary place of residence shall be
18 in the State of Hawaii or that the qualified tenant intends to
19 make the State of Hawaii the qualified tenant's primary place of
20 residence. The terms "qualified tenant" and "tenant" include a
21 member of a cooperative who satisfies the foregoing requirements
22 and who, upon resale of the member's membership to the

1 cooperative, will not be reimbursed for more than fifty per cent
2 of any equity increment accumulated through payments under this
3 part. With respect to members of a cooperative, the terms
4 "rental" and "rental charges" mean the charges under the
5 occupancy agreements between the members and the cooperative.
6 The term "qualified tenant" shall not include any person
7 receiving money payments for public assistance from the
8 department of human services; provided that the term "public
9 assistance" shall exclude aid provided through the federal
10 Supplemental Security Income Program.

11 **§ -154 Relationship of annual payment to rental and**
12 **income.** The amount of the annual payment with respect to any
13 dwelling unit shall not exceed the amount by which the fair
14 market rental for that unit exceeds thirty per cent of the
15 tenant's income as determined by the authority pursuant to
16 procedures and regulations established by it.

17 **§ -155 Determination of eligibility of occupants and**
18 **rental charges.** (a) For purposes of carrying out this part,
19 the authority shall establish criteria and procedures for
20 determining the eligibility of occupants and rental charges,
21 including criteria and procedures with respect to periodic
22 review of tenant incomes and periodic adjustment of rental

1 charges. The authority shall issue, upon the request of a
2 housing owner, certificates as to the income of the single
3 persons and families applying for admission to, or residing in,
4 dwellings of that owner.

5 (b) Procedures adopted by the authority hereunder shall
6 provide for recertification of the incomes of occupants, except
7 elders, at intervals of two years, or at shorter intervals, for
8 the purpose of adjusting rental charges and annual payments on
9 the basis of occupants' incomes, but in no event shall rental
10 charges adjusted under this part for any dwelling exceed the
11 fair market rental of the dwelling.

12 (c) No payments under this part may be made with respect
13 to any property for which the costs of operation, including
14 wages and salaries, are determined by the authority to be
15 greater than similar costs of operation of similar housing in
16 the community where the property is situated.

17 **§ -156 Rules.** The authority may adopt all rules
18 necessary to carry out the purpose of this part, including rules
19 relating to determining preference among applicants for state
20 rent supplements.

21 **§ -157 Additional powers.** The powers conferred upon the
22 authority by this part shall be in addition and supplemental to

1 the powers conferred upon it by any other law, and nothing
2 herein shall be construed as limiting any powers, rights,
3 privileges, or immunities so conferred upon it.

4 **PART IX. STATE SALES HOUSING PROGRAM**

5 **§ -161 State sales housing.** Notwithstanding any law to

12 for the purpose of exempting the project from all statutes,
13 ordinances, charter provisions, and rules of any governmental
14 agency relating to zoning and construction standards for
15 subdivisions, development, and improvement of land and the
16 construction, improvement, and sale of homes thereon; provided

12 attorney general is that the title to the property is good and
13 sufficient, the corporation is authorized to guarantee, or enter
14 into a commitment to guarantee, the mortgagee, against any
15 losses that may thereafter arise from the adverse claims to
16 title. None of the proceeds of any mortgage loan hereafter
17 insured shall be used for title search and title insurance

2 shall be set forth in writing, together with the reasons

19 primary or secondary mortgage upon the fee simple or leasehold
20 interest in the land upon which the dwelling units are
21 constructed, or the corporation may require other security
22 interests and instruments as it deems necessary to secure the

1 indebtedness and such other conditions consistent with the
2 production and marketing of dwelling units at the lowest
3 possible prices. The corporation may also set the conditions of
4 a loan in a building and loan agreement between the borrower and
5 the corporation in order to secure the loan and the performance
6 of the borrower to complete the project.

7 **§201H-N Commercial, industrial and other uses.** (a) In
8 connection with the development of any residential units under
9 this chapter the corporation may also develop commercial,
10 industrial, and other properties if it determines that the uses
11 can be an integral part of the development and can help to
12 preserve the lifestyles of the purchasers of residences in the
13 development. The corporation may designate any portions of the
14 developments as for commercial, industrial, or other use and
15 shall have all the powers granted under this chapter with
16 respect thereto including the power to bypass statutes,
17 ordinances, charter provisions and rules of any governmental
18 agency pursuant to section 201H-H. For this purpose the
19 corporation may use any of the funds authorized under this
20 chapter.

21 (b) The corporation shall establish rules which shall
22 provide the manner of designation of the uses and shall provide

1 that any commercial, industrial, or other properties so
2 developed shall be sold or leased at cost or at economic rents
3 or sales prices. Sale or lease shall be made at cost to owners
4 of commercial, industrial, or other facilities displaced by the
5 corporation. All other leases or sales shall be at economic
6 rents or sales prices determined by the corporation, after
7 appraisal, to be consistent with rents or sales prices in
8 similar locations or terms. The net proceeds of all such sales
9 or leases, less costs to the corporation, shall be deposited in
10 the dwelling unit revolving fund. The rules may also provide
11 that during the first twenty years after its purchase, any
12 commercial, industrial, or other property so developed and sold
13 or leased may be resold or assigned only to the corporation at
14 the original purchase price plus the cost of any improvements
15 made by the purchaser together with simple interest on all of
16 the purchaser's equity in the property at the rate of seven per
17 cent a year. Rules may also provide that ownership of the
18 commercial, industrial, or other property cannot be separated
19 from ownership of the residential property in connection with
20 which it was sold or leased.

21 **§201H-O Sale, mortgage, agreement of sale, other**
22 **instruments.** (a) The corporation shall sell completed dwelling

1 units or dwelling units that are substantially completed and
2 habitable, developed and constructed hereunder, to qualified
3 residents in fee simple, or shall cause them to be leased or
4 rented to qualified residents, at a price or rental based on
5 costs as determined by the corporation. The gross share to the
6 other partners or contract payments and any amounts subsidized
7 by the State, including but not limited to the land, need not be
8 counted as cost so as to increase the price. Such may be borne
9 by the State, under rules subject to reimbursement upon sale as
10 provided for in section 201H-Q.

11 (b) If a qualified purchaser is unable to obtain
12 sufficient funds at reasonable rates from private lenders, the
13 corporation, by way of mortgage, agreement of sale, or other
14 instrument to secure the indebtedness, may loan to the purchaser
15 up to one hundred per cent of the purchase price. The purchaser
16 in that event shall execute with the corporation an agreement of
17 sale or mortgage or other instrument under the terms of which
18 the unpaid principal and the interest thereon shall be paid in
19 monthly installments over a period of not more than forty years.

20 (c) Every mortgage, agreement of sale, other instrument to
21 secure the indebtedness, or instrument of indebtedness executed
22 by the corporation may contain other provisions as are usually

1 found in such instruments and shall provide that the purchaser
2 may repay the whole or any part of the unpaid balance of the
3 purchase price plus accrued interest at any time without
4 prepayment penalty.

5 (d) If the purchaser defaults on the payment of any loan,
6 the corporation shall take all necessary action to collect the
7 delinquent principal and interest on the loan and may take all
8 actions allowed to holders of obligations, including the power
9 to repossess, lease, rent, repair, renovate, modernize, and sell
10 the property foreclosed, subject to the restrictions hereinafter
11 described.

12 (e) The mortgages, agreements of sale, and other
13 instruments of indebtedness, at the direction of the
14 corporation, may be assigned to and serviced by commercial banks
15 and other lending institutions doing business in the State at a
16 fee of not more than one-half of one per cent of the amount
17 loaned to the purchaser.

18 (f) Subsections (a) to (e) need not apply to market-priced
19 units in an economically integrated housing project, except as
20 otherwise determined by the developer of the units; provided
21 that preference shall be given to qualified residents in the
22 initial sale of market-priced units.

1 **§201H-P Co-mortgagor.** For purposes of qualifying for a
2 mortgage loan to finance the purchase of a dwelling unit under
3 this part, a "qualified resident" as defined in section 201H-B
4 may be assisted by a co-mortgagor who is a family member as
5 defined by the corporation, who may own other lands in fee
6 simple or leasehold suitable for dwelling purposes, whose
7 interest in the dwelling unit to be purchased is limited to no
8 more than one per cent, and who certifies that the co-mortgagor
9 does not intend to reside in the dwelling unit. The income and
10 assets of the co-mortgagor shall not be counted in determining
11 the eligibility of the "qualified resident" under this chapter.

12 **§201H-Q Real property; restrictions on transfer; waiver of**
13 **restrictions.** (a) The following restrictions shall apply to
14 the transfer of real property developed and sold under this
15 chapter, whether in fee simple or leasehold:

16 (1) For a period of ten years after the purchase, whether
17 by lease, assignment of lease, deed, or agreement of
18 sale, if the purchaser wishes to transfer title to the
19 real property, the corporation shall have the first
20 option to purchase the real property at a price that
21 shall not exceed the sum of:

1 (A) The original cost to the purchaser, as defined in
2 rules adopted by the corporation;

3 (B) The cost of any improvements added by the
4 purchaser, as defined in rules adopted by the
5 corporation; and

6 (C) Simple interest on the original cost and capital
7 improvements to the purchaser at the rate of one
8 per cent a year.

9 (2) The corporation may purchase the real property either:

10 (A) By conveyance free and clear of all mortgages and
11 liens; or

12 (B) By conveyance subject to existing mortgages and
13 liens.

14 If the real property is conveyed in the manner
15 provided in subparagraph (A), it shall be conveyed to
16 the corporation only after all mortgages and liens are
17 released. If the real property is conveyed in the
18 manner provided in subparagraph (B), the corporation
19 shall acquire the property subject to any first
20 mortgage created for the purpose of securing the
21 payment of a loan of funds expended solely for the
22 purchase of the real property by the seller; and any

1 mortgage or lien created for any other purpose
2 provided that the corporation has previously consented
3 to it in writing.

4 The corporation's interest created by this
5 subsection shall constitute a statutory lien on the
6 real property and shall be superior to any other
7 mortgage or lien except for:

8 (i) Any first mortgage created for the purpose
9 of securing the payment of a loan of funds
10 expended solely for the purchase of the real
11 property by the seller;

12 (ii) Any mortgage insured or held by a federal
13 housing agency; and

14 (iii) Any mortgage or lien created for any other
15 purpose provided that the corporation has
16 previously consented to it in writing.

17 The amount paid by the corporation to the seller shall
18 be the difference, if any, between the purchase price
19 determined by paragraph (1)(A) to (C), and the total
20 of the outstanding principal balances of the mortgages
21 and liens assumed by the corporation.

- 1 (3) A purchaser may refinance real property developed and
2 sold under this chapter provided that the purchaser
3 shall not refinance the real property, within ten
4 years from the date of purchase, for an amount in
5 excess of the purchase price as determined by
6 paragraph (1)(A) to (C).
- 7 (4) After the end of the tenth year from the date of
8 purchase, or execution of an agreement of sale, the
9 purchaser may sell the real property and sell or
10 assign the property free from any price restrictions;
11 provided that the purchaser shall be required to pay
12 to the corporation the sum of:
- 13 (A) The balance of any mortgage note, agreement of
14 sale, or other amount owing to the corporation;
- 15 (B) Any subsidy or deferred sales price made by the
16 corporation in the acquisition, development,
17 construction, and sale of the real property, and
18 any other amount expended by the corporation not
19 counted as cost under section 201H-0 but charged
20 to the real property by good accounting practice
21 as determined by the corporation whose books

1 shall be prima facie evidence of the correctness
2 of the costs;

3 (C) Interest on the subsidy or deferred sales price,
4 if applicable, and any other amount expended at
5 the rate of seven per cent a year computed as to
6 the subsidy or deferred sales price, if
7 applicable, from the date of purchase, or
8 execution of the agreement of sale, and as to any
9 amount expended, from the date of expenditure;
10 provided that the computed interest shall not
11 extend beyond thirty years from the date of
12 purchase, or execution of the agreement of sale,
13 of the real property; and provided further that
14 if any proposed sale or transfer will not
15 generate an amount sufficient to pay the
16 corporation the sum as computed under this
17 paragraph, the corporation shall have the first
18 option to purchase the real property at a price
19 which shall not exceed the sum as computed under
20 paragraphs (1) and (2); and

1 (D) The corporation's share of appreciation in the
2 real property as determined under rules adopted
3 pursuant to chapter 91 when applicable; and

4 (5) Notwithstanding any provision above to the contrary,
5 pursuant to rules adopted by the corporation, the
6 subsidy or deferred sales price described in paragraph
7 (4)(B) and any interest accrued pursuant to paragraph
8 (4)(C) may be paid, in part or in full, at any time.

9 (b) For a period of ten years after the purchase, whether
10 by lease, assignment of lease, deed, or agreement of sale, if
11 the purchaser wishes to transfer title to the real property, and
12 if the corporation does not exercise the option to purchase the
13 real property as provided in subsection (a), then the
14 corporation shall require the purchaser to sell the real
15 property to a "qualified resident" as defined in section 201H-B,
16 and upon the terms that preserve the intent of this section and
17 sections 201H-S and 201H-T, and in accordance with rules adopted
18 by the corporation.

19 (c) The corporation may waive the restrictions prescribed
20 in subsection (a) or (b) if:

21 (1) The purchaser wishes to transfer title to the real
22 property by devise or through the laws of descent to a

1 mortgage holder or other party becomes the owner of the real
2 property pursuant to a mortgage foreclosure, foreclosure under
3 power of sale, or a conveyance in lieu of foreclosure after a
4 foreclosure action is commenced; or when a mortgage is assigned
5 to a federal housing agency. Any law to the contrary
6 notwithstanding, a mortgagee under a mortgage covering real
7 property or leasehold interest encumbered by the first option to
8 purchase in favor of the corporation, prior to commencing
9 mortgage foreclosure proceedings, shall notify the corporation
10 in writing of:

11 (1) Any default of the mortgagor under the mortgage within
12 ninety days after the occurrence of the default; and

13 (2) Any intention of the mortgagee to foreclose the
14 mortgage under chapter 667;

15 provided that the mortgagee's failure to provide written notice
16 to the corporation shall not affect the holder's rights under
17 the mortgage. The corporation shall be a party to any
18 foreclosure action, and shall be entitled to all proceeds
19 remaining in excess of all customary and actual costs and
20 expenses of transfer pursuant to default, including liens and
21 encumbrances of record; provided that the person in default

1 shall be entitled to an amount which shall not exceed the sum of
2 amounts determined pursuant to subsection (a)(1)(B) and (C).

3 (f) The provisions of this section shall be incorporated
4 in any deed, lease, agreement of sale, or any other instrument
5 of conveyance issued by the corporation. In any sale by the
6 corporation of real property for which a subsidy or deferred
7 sales price was made by the corporation, the amount of the
8 subsidy or deferred sales price described in subsection
9 (a)(4)(B), a description of the cost items that constitute the
10 subsidy or deferred sales price, and the conditions of the
11 subsidy or deferred sales price shall be clearly stated at the
12 beginning of the contract document issued by the corporation.

13 (g) This section need not apply to market-priced units in
14 an economically integrated housing project, except as otherwise
15 determined by the developer of the units; provided that
16 preference shall be given to qualified residents in the initial
17 sale of market-priced units.

18 (h) The corporation is authorized to waive any of the
19 restrictions set forth in this section in order to comply with
20 or conform to requirements set forth in federal laws or
21 regulations governing mortgage insurance or guarantee programs

1 or requirements set forth by federally chartered secondary
2 mortgage market participants.

3 **§201H-R Exception of current owners in corporation**

4 **projects.** The corporation may allow a person who is a current
5 owner of a multifamily dwelling unit in a project sponsored by
6 the corporation to apply for the purchase of a larger dwelling
7 unit in a project sponsored by the corporation if the
8 applicant's current family size exceeds the permissible family
9 size for the applicant's current dwelling unit, as determined by
10 prevailing county building or housing codes. The applicant
11 shall be required to sell the applicant's current dwelling unit
12 back to the corporation. Notwithstanding any law to the
13 contrary, any applicant, as it pertains to for-sale housing,
14 shall be a "qualified resident" who:

- 15 (1) Is a citizen of the United States or a resident alien;
- 16 (2) Is at least eighteen years of age;
- 17 (3) Is domiciled in the State and shall physically reside
18 in the dwelling unit purchased under this chapter;
- 19 (4) In the case of purchase of real property in fee simple
20 or leasehold, has a gross income sufficient to qualify
21 for the loan to finance the purchase; and

1 (5) Except for the applicant's current residence, meets
2 the following qualifications:

3 (A) Is a person who either oneself or together with
4 the person's spouse or a household member, does
5 not own a majority interest in fee simple or
6 leasehold lands suitable for dwelling purposes,
7 or a majority interest in lands under any trust
8 agreement or other fiduciary arrangement in which
9 another person holds the legal title to the land;
10 and

11 (B) Is a person whose spouse or a household member
12 does not own a majority interest in fee simple or
13 leasehold lands suitable for dwelling purposes,
14 or a majority interest in lands under any trust
15 agreement or other fiduciary arrangement in which
16 another person holds the legal title to the land,
17 except when husband and wife are living apart
18 under a decree of separation from bed and board
19 issued by the family court pursuant to section
20 580-71.

21 **§201H-S Real property; restrictions on use.** (a) Real
22 property purchased under this chapter shall be occupied by the

1 purchaser at all times during the ten-year restriction period
2 set forth in section 201H-Q, except in hardship circumstances
3 where the inability to reside on the property arises out of
4 unforeseeable job or military transfer, a temporary educational
5 sabbatical, serious illness of the person, or in other hardship
6 circumstances as determined by the corporation on a case-by-case
7 basis.

8 The corporation may waive the owner-occupancy requirement
9 for a total of not more than ten years after the purchase of the
10 dwelling, during which time the dwelling unit may be rented or
11 leased. Waivers may be granted only to qualified residents who
12 have paid resident state income taxes during all years in which
13 they occupied the dwelling, who continue to pay resident state
14 income taxes during the waiver period, and whose inability to
15 reside on the property does not stem from a natural disaster.
16 The ten-year owner-occupancy requirement shall be extended by
17 one month for every month or fraction thereof that the
18 owner-occupancy requirement is waived.

19 The corporation shall adopt rules under chapter 91 to
20 implement the letter and spirit of this subsection and to
21 prescribe necessary terms and conditions. The rules shall
22 include:

- 1 (1) Application and approval procedures for the waivers;
- 2 (2) Exceptions authorized by this subsection;
- 3 (3) The amounts of rents that may be charged by persons
- 4 allowed to rent or lease a dwelling unit; and
- 5 (4) Schedules of fees needed to cover administrative
- 6 expenses and attorneys' fees.

7 No qualified resident who fails to reoccupy a dwelling unit
8 after any waiver period shall receive more than the maximum to
9 which the person would be entitled under section 201H-Q. Any
10 person who disagrees with the corporation's determination under
11 this section shall be entitled to a contested case proceeding
12 under chapter 91.

13 (b) From time to time the corporation may submit a
14 verification of owner-occupancy form to the purchaser. Failure
15 to respond to the verification in a timely manner or violation
16 of subsection (a) shall be sufficient reason for the
17 corporation, at its option, to purchase the unit as provided in
18 section 201H-Q(a)(1), (2), or (4), as applicable.

19 (c) Any deed, lease, agreement of sale, or other
20 instrument of conveyance issued by the corporation shall
21 expressly contain the restrictions on use prescribed in this
22 section.

1 (d) The restrictions prescribed in subsection (a) shall
2 terminate and shall not attach in subsequent transfers of title
3 if the corporation releases the restrictions when the real
4 property is financed under a federally subsidized mortgage
5 program.

6 (e) Subsections (a) to (c) need not apply to market-priced
7 units in an economically integrated housing project, except as
8 otherwise determined by the developer of the units; provided
9 that preference shall be given to qualified residents in the
10 initial sale of market-priced units.

11 (f) The corporation shall be authorized to waive any of
12 the restrictions set forth in this section in order to comply
13 with or conform to requirements set forth in federal laws or
14 regulations governing mortgage insurance or guarantee programs
15 or requirements set forth by federally chartered secondary
16 mortgage market participants.

17 **§201H-T Restrictions on use, sale, and transfer of real**
18 **property; effect of amendment or repeal.** (a) Restrictions on
19 the use, sale, and transfer of real property shall be made as
20 uniform as possible in application to purchasers of all real
21 property, and restrictions shall be conformed with agreement of
22 the purchaser to reflect change or repeal made by any subsequent

1 legislative act, ordinance, rule, or regulation. Purchasers
2 shall be permitted at their election to sell or transfer real
3 property subject to restrictions in effect at the time of their
4 sale or transfer.

5 (b) The corporation, any department of the State, or any
6 county housing agency maintaining restrictions, through
7 contract, deed, other instrument, or by rule, shall notify
8 purchasers of any substantial change in restrictions made by
9 law, ordinance, rule, or regulation not more than one hundred
10 eighty days after a change in restrictions, and the notice shall
11 clearly state the enacted or proposed new provisions, the date
12 or dates upon which they are to be effective, and offer to each
13 purchaser of real property constructed and sold prior to the
14 effective date an opportunity to modify the existing contract or
15 other instrument to incorporate the most recent provisions. The
16 public notice shall be given at least three times in the State
17 for state agencies and at least three times in a county for
18 county agencies.

19 (c) For all purchasers of real property prior to June 25,
20 1990, where the restrictions on use and transfer of property
21 apply for a period of time, the period of time shall not be

1 increased beyond the date calculated from the date of original
2 purchase.

3 (d) No purchaser shall be entitled to modify the
4 restrictions on use, transfer, or sale of the real property,
5 without the written permission of the holder of a duly-recorded
6 first mortgage on the dwelling unit and the owner of the fee
7 simple or leasehold interest in the land underlying the unit,
8 unless the holder of the first mortgage or the owner is an
9 agency of the State or its political subdivisions.

10 (e) This section shall apply to all real property
11 developed, constructed, and sold pursuant to this chapter and
12 similar programs in the State or its political subdivisions and
13 which are sold on the condition that the purchaser accepts
14 restrictions on the use, sale, or transfer of interest in the
15 real property purchased.

16 (f) The provisions of this section shall be incorporated
17 in any deed, lease, instrument, rule, or regulation relating to
18 restrictions on use, sale, or transfer of dwelling units,
19 entered into after June 20, 1977.

20 (g) The restrictions of this section shall terminate as to
21 a particular real property and shall not attach in subsequent
22 transfers of title of that real property if the corporation

1 releases the restrictions when the real property is financed
2 under a federally subsidized mortgage program.

3 **§201H-U Corporation's right to repurchase or rent real**
4 **property; authority to seek recovery.** (a) Notwithstanding any
5 provisions to the contrary, during the period in which the
6 restrictions in section 201H-Q are in effect, the following
7 provisions shall apply when dwelling units developed,
8 constructed, financed, purchased, or sold pursuant to Act 105,
9 Session Laws of Hawaii 1970; as amended, are found to have a
10 substantial construction defect, or when vacant lands developed,
11 financed, purchased, or sold pursuant to Act 105, Session Laws
12 of Hawaii 1970, as amended, are found to have a substantial soil
13 defect:

14 (1) The corporation shall have the right, but not the
15 obligation, to repurchase a dwelling unit or land
16 which has a defect, regardless of whether or not the
17 owner wishes to sell; provided that such repurchases
18 shall be in accordance with the following provisions:

19 (A) The corporation may repurchase a dwelling unit or
20 land if:

21 (i) The dwelling unit or land is deemed unsafe
22 by the county building department;

- 1 (ii) The defects are irreparable; or
- 2 (iii) In the opinion of the corporation, the
- 3 defect is of such magnitude that it will
- 4 take longer than a year to repair;
- 5 (B) The corporation's purchase price shall be based
- 6 on the formula set forth in section 201H-Q(a)(1);
- 7 (C) After repairs to the unit or land are completed,
- 8 the former owner shall have the first right of
- 9 refusal to repurchase the real property;
- 10 (D) The corporation shall give preference in all
- 11 other projects of the corporation to all owners
- 12 whose real property is repurchased by the
- 13 corporation under this subsection, and the
- 14 corporation may waive certain eligibility
- 15 requirements for these owners; and
- 16 (E) If the corporation exercises its right to
- 17 purchase defective real property against an
- 18 owner's wishes pursuant to this paragraph, the
- 19 corporation shall provide relocation assistance
- 20 to that owner as provided in chapter 111;
- 21 (2) If the corporation does not opt to purchase defective
- 22 real property, the corporation shall also have the

1 right, but not the obligation, to enter into a
2 contract to repair a dwelling unit which has a
3 construction defect or land which has a soil defect.

4 During the period that the real property is being
5 repaired, the corporation shall rent that real
6 property from the owner for an amount not to exceed
7 the owner's present mortgage payments; and

- 8 (3) If the corporation does not execute either a contract
9 to repurchase the real property or an agreement to
10 repair and rent the real property within ninety days
11 after written notice is given to the corporation of a
12 construction defect, the owner may pursue any other
13 available legal remedies.

14 For the purposes of this subsection, "substantial
15 construction defect" includes but is not necessarily limited to:
16 structural defects such as shifting foundations and bearing
17 walls; structural deficiencies due to the use of defective or
18 undersized materials; and defects affecting the health and
19 safety of occupants; and "substantial soil defect" means
20 shifting, sliding, or sinking ground of such degree as to affect
21 the dwelling unit on the land or the health and safety of the
22 occupants of the land.

1 (b) If moneys are expended by the corporation pursuant to
2 subsection (a)(1) and (2), the corporation shall have the
3 authority to take necessary legal action against the developer,
4 co-developer, general contractor, and their subcontractors,
5 consultants, and other parties notwithstanding any provisions to
6 the contrary in chapter 657.

7 (c) If real property developed, constructed, financed,
8 purchased, or sold pursuant to Act 105, Session Laws of Hawaii
9 1970, as amended, is found to have a substantial construction or
10 soil defect, the corporation shall have the right, but not the
11 obligation, to file or cause to be filed a legal action on
12 behalf of or by, the owner or lessee of the real property for
13 the recovery of damages or for injunctive relief against the
14 developer, co-developer, general contractor, and their
15 subcontractors, consultants, and other parties notwithstanding
16 any provisions to the contrary in chapter 657. Additionally,
17 notwithstanding any provision of rule 23 of the Hawaii rules of
18 civil procedure, the corporation may file or cause to be filed a
19 legal action brought under this subsection as a class action on
20 behalf of or by at least two owners or lessees of real property
21 that have similar substantial construction or soil defects.

1 (d) Nothing in this chapter shall be construed so as to
2 diminish the rights or remedies of the corporation otherwise
3 provided under common law, by statute or by contract.

4 (e) The corporation shall adopt rules pursuant to chapter
5 91 necessary for the purposes of this section.

6 (f) This section shall not apply to a particular real
7 property and shall not apply after subsequent transfers of title
8 of that real property if the corporation releases the
9 restrictions when the real property is financed under a
10 federally subsidized mortgage program.

11 (g) If any subsection, sentence, clause, or phrase of this
12 section, or its application to any person or transaction or
13 other circumstances, is for any reason held to be
14 unconstitutional or invalid, the remaining subsections,
15 sentences, clauses, and phrases of this section, or the
16 application of this section to other persons or transactions or
17 circumstances, shall not be affected. The legislature hereby
18 declares that it would have passed this section and each
19 subsection, clause, or phrase thereof, irrespective of the fact
20 that any one or more subsections, sentences, clauses, or phrases
21 of this section, or its application to any person or transaction
22 or other circumstance, be declared unconstitutional or invalid.

1 **§201H-V Nonprofit organizations; government agencies.** (a)

2 The corporation may retain dwelling units in a project to the
3 extent it determines necessary and appropriate, for sale, lease,
4 or rental to nonprofit organizations and government agencies.
5 The dwelling units shall be used by the nonprofit organizations
6 and government agencies to provide housing opportunities and
7 related support services to special needs individuals or
8 families. These purposes include but are not limited to the use
9 of dwelling units for group homes and congregate living
10 facilities and for government employees in special situations.
11 The corporation, in consultation with other appropriate
12 government agencies, shall adopt rules pursuant to chapter 91
13 necessary to implement this subsection, including but not
14 limited to rules relating to the eligibility and qualifications
15 of nonprofit organizations and government agencies, rules
16 relating to the eligibility and qualifications of clients of
17 nonprofit organizations and government agencies to whom housing
18 opportunities may be made available, and rules restricting the
19 use, sale, or transfer of, and authorizing repurchase of,
20 dwelling units sold, leased, or rented pursuant to this
21 subsection. The corporation, to the extent appropriate, shall
22 have the same powers with respect to nonprofit organizations and

1 government agencies purchasing, leasing, or renting dwelling
2 units as the corporation has with respect to qualified residents
3 purchasing, leasing, or renting dwelling units.

4 (b) In connection with the development of any residential
5 units under this chapter, the corporation may also make
6 provisions for the development of appropriate community
7 facilities. The corporation may:

8 (1) Sell, lease, or rent vacant land or land with site
9 improvements to nonprofit organizations or government
10 agencies to develop community facilities; or

11 (2) Develop, on behalf of the State or with an eligible
12 developer, the community facilities and then sell,
13 lease, rent, or otherwise transfer or make available
14 these facilities to nonprofit organizations or
15 government agencies.

16 The corporation shall adopt rules pursuant to chapter 91
17 necessary to implement this subsection.

18 **§201H-W Rate of wages for laborers and mechanics.** The
19 corporation shall require an eligible bidder or eligible
20 developer of a housing project developed under this part to
21 comply with the requirements of section 104-2 for those laborers
22 and mechanics hired to work on that housing project; provided

1 that this section shall not apply to a housing project developed
 2 under this chapter if the entire cost of the project is less
 3 than \$500,000 and the eligible bidder or eligible developer is a
 4 private nonprofit corporation.

5 **201H-X Additional powers.** The powers conferred upon the
 6 corporation by this part shall be in addition and supplemental
 7 to the powers conferred upon it by any other law, and nothing
 8 herein shall be construed as limiting any powers, rights,
 9 privileges, or immunities so conferred upon it."

10 **PART III**

11 **SECTION 4.** Chapter 201H, Hawaii Revised Statutes, is
 12 amended by adding a new part to be appropriately designated and
 13 to read as follows:

14 **"PART . FINANCING PROGRAMS**

15 **A. General Provisions**

16 **§201H-Y Bonds; authorization.** (a) The corporation, with
 17 the approval of the governor, may issue from time to time bonds
 18 (including refunding bonds to pay, retire, or provide for the
 19 retirement of bonds previously issued by the corporation) in
 20 amounts not exceeding the total amount of bonds authorized to be
 21 issued by the legislature for any of its corporate purposes;
 22 provided however, that bonds may be issued in connection with

1 any program whose primary purpose is to provide housing for
2 active or retired United States military personnel, their
3 families, and other persons authorized by any branch of the
4 United States military to reside in such housing; provided
5 further that the aggregate principal amount of all outstanding
6 bonds issued by the corporation for such military housing
7 projects shall total no more than \$2,000,000,000.

8 (b) All bonds shall be issued pursuant to part III of
9 chapter 39, except as provided in this part.

10 (c) The bonds shall be issued in the name of the
11 corporation, and not in the name of the State. The final
12 maturity date of the revenue bonds may be any date not exceeding
13 sixty years from the date of issuance.

14 (d) The corporation may issue such types of bonds as it
15 may determine, including, without limitation, bonds payable from
16 and secured, in whole or in part, by:

- 17 (1) Income and revenues derived from the housing project
18 or projects financed from the proceeds of bonds;
- 19 (2) Receipts derived from any grant from the federal
20 government made in aid of a housing project or
21 projects financed from the proceeds of bonds;

1 (3) Income and revenues derived from a particular
2 designated housing project or projects whether or not
3 financed, in whole or in part, from the proceeds of
4 bonds;

5 (4) Receipts derived from any payment for "eligible
6 loans," "eligible improvement loans," or "eligible
7 project loans," as such terms are defined in
8 subpart B, or any other agreement or agreements
9 entered into for a "housing loan program," as such
10 term is defined in subpart B or D, or any other loan
11 program administered by the corporation and financed
12 from the proceeds of bonds;

13 (5) Receipts derived from loans to mortgage lenders or
14 from the payment on account of principal of or
15 interest on loans purchased from mortgage lenders, as
16 such terms are defined in subpart B which loans to
17 mortgage lenders or loans purchased are financed from
18 the proceeds of bonds;

19 (6) Moneys in any funds or accounts established in
20 connection with the issuance of bonds, and any
21 earnings thereon;

22 (7) Proceeds derived from any insurance;

1 (8) Income and revenues of the corporation generally; or

2 (9) Any combination of the above.

3 The terms "income and revenues" shall be deemed to include
4 income and revenues derived from the sale of land or from both
5 land and improvements thereon serviced from infrastructure
6 financed from the proceeds of bonds as permitted by this
7 subpart. The provisions of this subsection are in addition and
8 supplemental to part III of chapter 39.

9 (e) Any of the bonds may be additionally secured by a
10 pledge of any revenues or a mortgage of any housing project,
11 other property of the corporation, the pledge or assignment of
12 any loans or other agreements, or any note or other undertaking,
13 obligation, or property held by or on behalf of the corporation
14 to secure loans made from the proceeds of bonds for any housing
15 loan program, as such term is defined in subpart B or D of this
16 part, or any other loan program administered by the corporation
17 and financed from the proceeds of bonds.

18 (f) Any pledge made by the corporation shall create a
19 perfected security interest in the revenues, moneys, or property
20 so pledged and thereafter received by the corporation from and
21 after the time that a financing statement with respect to the
22 revenues, moneys, or property so pledged and thereafter received

1 shall be filed with the bureau of conveyances. Upon the filing,
2 the revenues, moneys, or property so pledged and thereafter
3 received by the corporation shall immediately be subject to the
4 lien of such pledge without any physical delivery thereof or
5 further act, and the lien of any such pledge shall be prior to
6 the lien of all parties having claims by any kind in tort,
7 contract, or otherwise against the corporation, irrespective of
8 whether such parties have notice thereof. This section shall
9 apply to any financing statement heretofore or hereafter filed
10 with the bureau of conveyances with respect to any pledge made
11 to secure revenue bonds issued under this part.

12 (g) Any housing project or projects authorized by, and
13 undertaken pursuant to, this chapter shall constitute an
14 "undertaking" within the meaning of that term as defined and
15 used in part III, chapter 39; any loan program authorized by,
16 and undertaken pursuant to, this chapter, including without
17 limitation housing loan programs defined in and authorized by
18 subparts B and D of this part, shall constitute a "loan program"
19 within the meaning of that term as defined and used in part III,
20 chapter 39; and the corporation shall constitute a "department"
21 and the board shall constitute a "governing body" within the

1 meaning of those terms as defined and used in part III,
2 chapter 39.

3 (h) Neither the members of the corporation nor any person
4 executing the bonds shall be liable personally on the bonds by
5 reason of the issuance thereof.

6 **§201H-Z Issuance of bonds for the development of**
7 **infrastructure.** Without limiting section 201H-W, the
8 corporation, pursuant to and in accordance with this subpart, is
9 hereby authorized to issue bonds for the purpose of financing
10 the development of infrastructure on land owned by the
11 corporation.

12 **§201H-AA Issuance of bonds for the preservation of**
13 **low-income housing projects.** The corporation, pursuant to and
14 in accordance with this subpart, may issue bonds to purchase
15 low-income housing projects financed by the United States
16 Department of Housing and Urban Development in order to preserve
17 these projects. Upon the payment of all interest and principal
18 stemming from the issuance of these bonds, the corporation may
19 transfer title to these projects to qualified nonprofit
20 organizations. Nothing in this section shall be construed to:

21 (1) Prohibit qualified nonprofit or for profit
22 organizations from operating these projects on behalf

1 of the corporation, or providing for the repair and
2 maintenance of these projects, before the payment of
3 all interest and principal stemming from the issuance
4 of these bonds; or

5 (2) Prohibit the corporation from transferring title to
6 these projects to qualified nonprofit or for profit
7 organizations if these bonds can be secured to the
8 satisfaction of the bondholders.

9 As used in this section, "qualified nonprofit organization"
10 includes community-based nonprofit organizations and resident
11 councils.

12 **§201H-BB Bonds; interest rate, price and sale.** (a) The
13 bonds shall bear interest at rates payable at times that the
14 corporation, with the approval of the governor, may determine
15 except for deeply discounted bonds that are subject to
16 redemption or retirement at their accreted value; provided that
17 the discounted value of the bonds shall not exceed ten per cent
18 of any issue; and provided further that no bonds may be issued
19 without the approval of the director of finance and the
20 governor. Notwithstanding any other law to the contrary, the
21 corporation may, subject to the approval of the director of
22 finance and the governor, issue bonds pursuant to section

1 201H-Z, in which the discounted value of the bonds exceeds ten
2 per cent of the issue.

3 (b) The corporation may include the costs of undertaking
4 and maintaining any housing project or projects or loan program
5 for which the bonds are issued in determining the principal
6 amount of bonds to be issued. In determining the cost of
7 undertaking and maintaining the housing projects, the
8 corporation may include the cost of studies and surveys;
9 insurance premiums; underwriting fees; financial consultant,
10 legal, accounting, and other services incurred; reserve account,
11 trustee, custodian, and rating agency fees; and interest on the
12 bonds for a period determined by the corporation, or the
13 estimated expenditure of borrowed funds for any loan program for
14 which the bonds are issued.

15 **§201H-CC Trustee; designation, duties.** (a) The
16 corporation may designate a trustee for each issue of bonds
17 secured under the same trust indenture; provided that the
18 trustee shall be approved by the director of finance.

19 (b) The trustee shall be authorized by the corporation to
20 receive and receipt for, hold, and administer the proceeds of
21 the bonds, and to apply the proceeds to the purposes for which
22 the bonds are issued.

1 (c) The trustee shall also be authorized by the
2 corporation to hold and administer any housing project bond
3 special funds established pursuant to section 201H-HH, and to
4 receive and receipt for, hold, and administer the revenues
5 derived by the corporation from any housing project or projects
6 or loan program for which the bonds are issued or the projects
7 or loan programs pledged to the payment of the bonds, and to
8 apply the revenues to the payment of the cost of administering,
9 operating, and maintaining the housing project or projects or
10 loan program, to pay the principal of and the interest on the
11 bonds, to the establishment of reserves, and to other purposes
12 as may be authorized in the proceedings providing for the
13 issuance of the bonds.

14 (d) Notwithstanding section 39-68, the director of finance
15 may appoint the trustee to serve as fiscal agent for:

16 (1) The payment of the principal of and interest on the
17 bonds; and

18 (2) The purchase, registration, transfer, exchange, and
19 redemption of the bonds.

20 (e) The trustee shall perform additional functions with
21 respect to the payment, purchase, registration, transfer,
22 exchange, and redemption, as the director of finance may deem

1 necessary, advisable, or expeditious, including the holding of
2 the bonds and coupons, if any, that have been paid and the
3 supervision of their destruction in accordance with law.

4 (f) Nothing in this part shall limit or be construed to
5 limit the powers granted to the director of finance in sections
6 36-3, 39-13, and 39-68(a), to appoint the trustee or others as
7 fiscal agents, paying agents, and registrars for the bonds or to
8 authorize and empower those fiscal agents, paying agents, and
9 registrars to perform the functions referred to in those
10 sections.

11 **§201H-DD Trust indenture.** (a) A trust indenture may
12 contain covenants and provisions authorized by part III of
13 chapter 39, and as deemed necessary or convenient by the
14 corporation for the purposes of this part.

15 (b) A trust indenture may allow the corporation to pledge
16 and assign to the trustee agreements related to the housing
17 project or projects or loan program and the rights of the
18 corporation thereunder, including the right to receive revenues
19 thereunder and to enforce the provision thereof.

20 (c) Where a trust indenture provides that any bond issued
21 under that trust indenture is not valid or obligatory for any
22 purpose unless certified or authenticated by the trustee, all

1 signatures of the officers of the State upon the bonds required
2 by section 39-56 may be facsimiles of their signatures.

3 (d) A trust indenture shall also contain provisions as to:

4 (1) The investment of the proceeds of the bonds, the
5 investment of any reserve for the bonds, the
6 investment of the revenues of the housing project or
7 system of housing projects, and the use and
8 application of the earnings from investments; and

9 (2) The terms and conditions upon which the holders of the
10 bonds or any portion of them or any trustee thereof
11 may institute proceedings for the enforcement of any
12 agreement or any note or other undertaking,
13 obligation, or property securing the payment of the
14 bonds and the use and application of the moneys
15 derived therefrom.

16 (e) A trust indenture may also contain provisions deemed
17 necessary or desirable by the corporation to obtain or permit,
18 by grant, interest subsidy, or otherwise, the participation of
19 the federal government in the housing projects or in the
20 financing of the costs of administering, operating, or
21 maintaining the housing projects.

1 **§201H-EE Investment of reserves, etc.** The corporation may
2 invest any funds held in reserves or sinking funds or any funds
3 not required for immediate disbursement, including the proceeds
4 of bonds, in property or securities in which the director of
5 finance may legally invest, as provided in section 36-21, except
6 that funds held outside the state treasury may be invested for
7 terms not to exceed thirty-five years. No provisions with
8 respect to the acquisition, operation, or disposition of
9 property by other public bodies shall be applicable to the
10 corporation unless the legislature shall specifically so state.

11 **§201H-FF Security for funds deposited by the corporation.**

12 The corporation may by resolution provide that all moneys
13 deposited by it shall be secured:

14 (1) By any securities by which funds deposited by the
15 director of finance may be legally secured as provided
16 in section 38-3; or

17 (2) By an undertaking with sureties as are approved by the
18 corporation faithfully to keep and pay over upon the
19 order of the corporation any deposits and agreed
20 interest thereon, and all banks and trust companies
21 are authorized to give any such security for such
22 deposits.

1 **§201H-GG Arbitrage provisions, interest rate.** (a) Any
2 other provision of law to the contrary notwithstanding, neither
3 the corporation nor the director of finance shall make loans or
4 purchase mortgages with the proceeds of general obligation bonds
5 of the State or from a revolving fund established or maintained
6 from the proceeds of bonds, at a rate of interest or upon terms
7 and conditions which would cause any general obligation bond of
8 the State or any bond to be an "arbitrage bond" within the
9 meaning of that term as defined in the Internal Revenue Code of
10 1986, as amended, and the regulations of the Internal Revenue
11 Service promulgated pursuant thereto.

12 (b) The rate of interest on loans made under this chapter
13 from the proceeds of general obligation bonds of the State shall
14 be established by the corporation, with the approval of the
15 director of finance, after each sale of general obligation bonds
16 of the State, the proceeds of which are to be used for the
17 purposes of making loans or purchasing mortgages under this
18 chapter. If no sale of general obligation bonds of the State
19 intervenes in a twelve-month period after the last rate fixing,
20 the corporation may review the then existing rates on loans or
21 mortgages made under this chapter from the proceeds of general
22 obligation bonds of the State and retain the existing rate or,

1 with the approval of the director of finance, establish
2 different rates.

3 (c) The director of finance shall approve those rates so
4 as to produce up to, but not in excess of, the maximum yield to
5 the State or the corporation permitted under the Internal
6 Revenue Code of 1986, as amended, and the regulations of the
7 Internal Revenue Service promulgated pursuant thereto, on the
8 assumption that the general obligation bonds of the State, the
9 proceeds of which have been or are to be used for the purposes
10 of making loans or purchasing mortgages under this chapter,
11 would otherwise be "arbitrage bonds" under the Internal Revenue
12 Code of 1986, as amended, and the regulations of the Internal
13 Revenue Service promulgated pursuant thereto, were the maximum
14 yield to be exceeded. The establishment of the rates of interest
15 shall be exempt from chapter 91.

16 **§201H-HH Housing finance revolving fund; housing project
17 bond special funds.** (a) There is created a housing finance

18 revolving fund to be administered by the corporation.
19 Notwithstanding sections 36-21 and 201H-EEEE, the proceeds in
20 the fund shall be used for long-term and other special
21 financings of the corporation and for the necessary expenses in
22 administering this part.

1 (b) All moneys received and collected by the corporation,
2 not otherwise pledged or obligated nor required by law to be
3 placed in any other special fund, shall be deposited in the
4 housing finance revolving fund.

5 (c) A separate special fund shall be established for each
6 housing project or system of housing projects or loan program
7 financed from the proceeds of bonds secured under the same trust
8 indenture. Each fund shall be designated "housing project bond
9 special fund" or "housing loan program revenue bond special
10 fund", as appropriate, and shall bear additional designation as
11 the corporation deems appropriate to properly identify the fund.

12 (d) Notwithstanding any other law to the contrary, all
13 revenues, income, and receipts derived from a housing project or
14 system of projects or loan program financed from the proceeds of
15 bonds or pledged to the payment of principal of and interest and
16 premium on bonds, shall be paid into the housing project bond
17 special fund established for the housing project or system of
18 projects or loan program and applied as provided in the
19 proceedings authorizing the issuance of the bonds.

20 **§201H-II Kikala-Keokea housing revolving fund;**

21 **established.** (a) There is established in the state treasury
22 the Kikala-Keokea housing revolving fund to provide low interest

1 loans for home construction for Kikala-Keokea leaseholders who
 2 have been denied loans from traditional financial institutions.
 3 The revolving fund shall be administered by the corporation.

4 (b) The rate of interest on loans executed pursuant to
 5 this section shall not exceed three per cent per year and
 6 interest earnings on loans made pursuant to this section may be
 7 used for administrative and other expenses necessary for
 8 administering the loan program. Guidelines shall be established
 9 by the corporation with respect to loan terms and loan
 10 qualification criteria. Moneys appropriated for the purposes of
 11 this section shall be deposited into the Kikala-Keokea housing
 12 revolving fund; provided that upon fulfillment of the purposes
 13 of this section, all unencumbered moneys shall lapse into the
 14 state general fund.

15 (c) The corporation shall adopt rules in accordance with
 16 chapter 91 to effectuate the purposes of this section.

17 **§201H-JJ Rate of wages for laborers and mechanics.** The
 18 corporation shall require an eligible bidder or eligible
 19 developer of a housing project developed under this subpart to
 20 comply with the requirements of section 104-2 for those laborers
 21 and mechanics hired to work on that housing project; provided
 22 that this section shall not apply to a housing project developed

1 under this chapter if the entire cost of the project is less
2 than \$500,000 and the eligible bidder or eligible developer is a
3 private nonprofit corporation.

4 **§201H-KK Additional powers.** The powers conferred upon the
5 corporation by this subpart shall be in addition and
6 supplemental to the powers conferred upon it by any other law,
7 and nothing herein shall be construed as limiting any powers,
8 rights, privileges, or immunities so conferred upon it.

9 **B. Housing Loan and Mortgage Program**

10 **§201H-LL Definitions.** The following words or terms as
11 used in this subpart shall have the following meanings unless a
12 different meaning clearly appears from the context:

20 residence within or without the State and who has not

1 loan under this part, except this requirement shall
2 not apply to any eligible loan for a targeted area
3 residence as defined in the Mortgage Subsidy Bond Tax
4 Act of 1980, Public Law 96-499, which residence is to
5 replace a housing unit which has been declared
6 structurally unsalvageable by a governmental board or
7 agency having the power to make the declaration; and
8 provided further that this requirement shall not apply
9 to up to ten per cent of eligible loans of a bond
10 issue made to single parent household borrowers. No
11 loans, however, shall be made if they adversely affect
12 the tax-exempt status of the bonds issued. For the
13 purpose of this section, "single parent household"
14 means a household headed by a single person who has
15 legal custody of one or more dependent children;

2 eligible improvement to the owner of the housing unit, which may
3 be a condominium unit, where the eligible improvement is to be

6 set forth in the definition of "eligible borrower" need not

10 adopted by the corporation.

11 "Eligible loan" means a loan to an eligible borrower for
12 the permanent financing of a dwelling unit, including a
13 condominium unit; provided that the property financed is located

15 residence by the eligible borrower, and meets other requirements
16 as established by rules adopted by the corporation.

17 "Eligible project loan" means an interim or permanent loan,
18 which may be federally insured or guaranteed, made to a
19 qualified sponsor for the financing of a rental housing project,

 2 loan to lenders program, the purchase of existing loans program,
 3 the advance commitments program, and the loan funding programs
 4 authorized under this part.

5 "Qualified sponsor" means any person or entity determined
 6 by the corporation:

7 (1) To be qualified by experience, financial
 8 responsibility, and support to construct a housing
 9 project of the type and magnitude described;

 13 project, and the requirements of all applicable
 14 environmental statutes and rules; and

15 (3) To meet other qualifications as established by rules
 16 adopted by the corporation pursuant to chapter 91.

17 **§201H-MM Owner-occupancy requirement.** (a) An eligible
 18 borrower shall utilize the dwelling unit purchased under this
 19 part as the eligible borrower's permanent and primary residence.

20 (b) From time to time, the corporation may submit a
 21 verification of owner-occupancy form to the eligible borrower.
 22 Failure to respond to this verification in a timely manner may

1 result in an immediate escalation of the interest rate or
2 acceleration of the eligible loan.

3 (c) For eligible borrowers in the process of selling or
4 transferring title to their property, the corporation may grant
5 a waiver of subsection (a) for a period not to exceed three
6 years and for reasons set forth in section 201H-S on a case-by-
7 case basis.

8 **§201H-NN Rules; eligible borrower.** (a) The corporation
9 shall establish the qualifications of the eligible borrower, and
10 may consider the following:

- 11 (1) The proportion of income spent for shelter;
- 12 (2) Size of the family;
- 13 (3) Cost and condition of housing available to the total
14 housing market; and

20 exceed the income requirements of section 143(f) of the Internal
21 Revenue Code of 1986, as amended.

1 (c) For the purpose of determining the qualification of an
2 eligible borrower for an eligible improvement loan:

3 (1) The housing unit for which the eligible improvement
4 loan is to be made and the property on which the
5 housing unit is situated shall not be included in the
6 calculation of the eligible borrower's assets; and

7 (2) The mortgage secured by the housing unit and property
8 shall not be included in the calculation of the
9 eligible borrower's liabilities.

10 (d) For the purpose of determining the qualification of an
11 eligible borrower for an eligible loan for a targeted area
12 residence:

13 (1) The housing unit being replaced and the property on
14 which the housing unit is situated shall not be
15 included in the calculation of the eligible borrower's
16 assets; and

17 (2) The mortgage secured by the housing unit and the
18 property shall not be included in the calculation of
19 the eligible borrower's liabilities.

20 **§201H-00 Rules; eligible loans.** (a) The corporation
21 shall establish requirements for property financed by an

1 eligible loan, and may consider the location, age, condition,
2 and other characteristics of the property.

3 (b) The corporation shall establish restrictions on the
4 terms, maturities, interest rates, collateral, and other
5 requirements for eligible loans.

6 (c) All eligible loans made shall comply with applicable
7 state and federal laws.

8 **§201H-PP Rules; eligible project loans.** (a) The
9 corporation shall establish requirements for projects to be
10 financed by an eligible project loan, and may consider the
11 location, age, condition, and other characteristics of the
12 project.

13 (b) The corporation shall establish restrictions on the
14 terms, maturities, interest rates, and other requirements for
15 eligible project loans.

16 (c) The corporation shall establish restrictions on the
17 prepayment of eligible project loans and on the transfer of
18 ownership of the projects securing eligible project loans.

19 (d) The corporation shall require that any sums deferred
20 on land leased at nominal rates by the corporation to the owner
21 of an eligible project shall be recovered by the corporation at
22 the time an eligible project loan is prepaid, whether as a

1 result of refinancing of the eligible project loan or otherwise,
2 to the extent that funds are available from the refinancing or
3 other method by which the eligible project loan is paid in full
4 prior to its due date.

5 (e) The corporation shall enter into an agreement with the
6 owner of an eligible project to be financed with an eligible
7 project loan which shall provide that in the event that the
8 eligible project loan is at any time prepaid for the purpose of
9 converting the rental units of such project to ownership units,
10 all tenants at the time of the proposed conversion shall have
11 the first option to purchase their units.

12 (f) All eligible project loans shall comply with
13 applicable state and federal laws.

14 **§201H-QQ Rules; eligible improvement loans.** (a) The
15 corporation shall establish requirements for property financed
16 by an eligible improvement loan, and may consider the location,
17 age, condition, value, and other characteristics of the
18 property.

19 (b) The corporation shall establish restrictions on the
20 terms, maturities, interest rates, collateral, and other
21 requirements for eligible improvement loans.

14 **C. Rental Assistance Program**

15 **§201H-GGG Purpose; findings and determinations.** The
16 legislature finds and declares that the health and general
17 welfare of the people of the State require that the people of
18 this State have safe and sanitary rental housing accommodations
19 available at affordable rents; that a grave shortage in the
20 number of such accommodations affordable by families and
21 individuals of low and moderate income in the State exists; that
22 it is essential that owners of rental housing accommodations be

1 provided with appropriate additional means to assist in reducing
2 the cost of rental housing accommodations to the people of the
3 State.

4 Additionally, the legislature finds that the high cost of
5 infrastructure development and the obtaining of interim
6 construction financing are two of the greatest impediments to
7 the production of affordable rental housing in this State. It
8 is especially difficult for private nonprofit and profit
9 entities to participate in the development of affordable housing
10 due to the difficulty in amassing the capital necessary to plan
11 and carry a project to completion.

12 It is the purpose of this subpart to:

13 (1) Assist owners in maintaining the rentals at levels
14 affordable by families and individuals of low and
15 moderate income by providing owners with rental
16 assistance payments which, with rentals received by
17 tenants of low and moderate income, will provide
18 owners with limited but acceptable rates of return on
19 their investments in rental housing accommodations;
20 and that assisting owners by entering into contracts
21 with them which provide for rental assistance payments

1 is a valid public purpose and in the public interest;
2 and

3 (2) Provide a funding source for interim construction
4 financing for the development of affordable rental
5 housing by private nonprofit and profit entities, as
6 well as the corporation; provided that in allotting
7 this financing, the corporation shall give preference
8 to qualified sponsors who are private nonprofit and
9 profit entities.

10 **§201H-HHH Definitions.** The following words or terms as
11 used in this subpart shall have the following meanings unless a
12 different meaning clearly appears from the context:

18 corporation;
- 19 (3) Maintains at least twenty per cent of its units for
20 eligible tenants; and
- 21 (4) Meets other qualifications as established by rules
22 adopted by the corporation.

1 Notwithstanding any provisions to the contrary, "eligible
2 project" may also include a rental housing project which is
3 financed by the corporation pursuant to subpart A.

5 income does not exceed eighty per cent of the area median income
6 as determined by the United States Department of Housing and
7 Urban Development.

20 revolving fund which may without limitation include sums made
21 available from any government program or grant, from private

2 the owner of an eligible project is other than the corporation.

3 (b) Prior to the execution of a rental assistance
4 contract, the corporation may execute an agreement to enter into
5 a rental assistance contract with an owner, which agreement
6 shall provide for the execution of a rental assistance contract
7 upon satisfaction of the terms set forth in such agreement and
8 otherwise established by the corporation. Each rental
9 assistance contract heretofore entered into by the corporation
10 which provided that rental assistance payments shall be made
11 solely from the earnings on the investment of the rental
12 assistance revolving fund shall hereafter, without modification
13 of such contracts, be payable from the aggregate principal sum
14 and the accumulated earnings in the rental assistance revolving
15 fund.

16 (c) A rental assistance contract and any subsidy of
17 tenants' rents in projects developed under this part shall be
18 for a term not in excess of thirty-five years and shall be
19 approved by the board of directors of the corporation. Upon such
20 approval by the corporation, the director of finance shall be
21 authorized to guarantee the obligation of the corporation for
22 the term of the rental assistance contract or the subsidy of

1 tenants' rents in an amount equal to the aggregate obligation of
2 the corporation to make assistance payments; provided that the
3 aggregate of all such outstanding guarantees shall not exceed

5 make annual rental payments to the owner in accordance with the
6 approved rental assistance contract or to the tenants in
7 accordance with the approved subsidy.

8 (d) Each rental assistance contract shall set forth a
9 maximum annual rental assistance payment amount. The
10 corporation shall establish procedures for determining the
11 maximum annual rental assistance payment amount and may consider
12 the following:

- 13 (1) The cost of constructing the eligible project;
- 14 (2) The estimated annual operating cost of the eligible
15 project;
- 16 (3) The estimated maximum rentals which may be charged for
17 units in the eligible project;
- 18 (4) The amount of funds available for the funding of
19 rental assistance contracts;
- 20 (5) The number of eligible projects requiring assistance
21 under this part; and

1 corporation shall determine the amount of rental assistance
2 payments payable to the owner for the forthcoming year, which
3 amount shall under no circumstances exceed the maximum annual
4 rental assistance payment amount determined in accordance with
5 section 201H-JJJ. The amount determined pursuant to this
6 subsection shall take into account the estimated amount to be
7 derived by the owner from rentals to be charged for the
8 forthcoming year and the limited rate of return on equity
9 permitted in accordance with section 201H-JJJ(d)(6).

10 (d) The corporation shall establish standards and
11 requirements for:

12 (1) The awarding of rental assistance contracts and the
13 allocation of annual rental assistance payments;

14 (2) The form of lease to be utilized by the owner in
15 renting units in an eligible project;

2 units in eligible projects; and

3 (3) The periodic inspection of eligible projects to
4 monitor the owners' compliance with the terms and
5 conditions of their rental assistance contracts.

6 (f) When an eligible project is not owned by the
7 corporation, the corporation shall be entitled to share in the
8 appreciation in value of units maintained for eligible tenants
9 within an eligible project realized at the time of refinancing
10 or prepayment of the eligible project loan. The corporation's
11 share shall be calculated by multiplying the appreciation in
12 value of units maintained for eligible tenants realized upon
13 refinancing or prepayment by the ratio of the owner's equity to
14 the discounted value of the aggregate rental assistance
15 payments. The discount rate shall be established by rules
16 adopted by the corporation.

17 The corporation shall exempt projects owned by a county
18 from the shared appreciation requirement set forth in this
19 section if all of the following requirements are met:

20 (1) The funds derived by the county as a result of
21 appreciation in value of the units are used for
22 housing projects wherein:

1 (A) At least sixty per cent of the project is
2 affordable to families earning one hundred per
3 cent or below of the applicable area median
