# A BILL FOR AN ACT

RELATING TO PUBLIC PARKING.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1           SECTION 1. The legislature finds that the Kapahulu  
2 district on Oahu is a densely populated area of residential  
3 dwellings and small businesses. Parking is in short supply.  
4 Other than street parking, there are no parking structures in  
5 Kapahulu. Small businesses are being adversely affected by the  
6 lack of a parking structure.

7           The legislature further finds that the department of land  
8 and natural resources is currently seeking rezoning of certain  
9 state property along Kapahulu Avenue for a long-term commercial  
10 lease.

11           The purpose of this Act is to make an appropriation to  
12 construct a parking facility along Kapahulu Avenue and to lease  
13 the parking lot to the city and county of Honolulu to operate.

14           SECTION 2. The department of land and natural resources  
15 shall construct a parking facility along Kapahulu avenue, on  
16 Oahu, to be located on property identified as TMK numbers  
17 2-7-36:04 and 2-7-36:16. The parking facility shall be leased  
18 on a long-term basis to the city and county of Honolulu to

1 operate the parking facility, with lease rent to be determined  
2 by the department of land and natural resources; provided that  
3 the amount of the lease may be a nominal amount in consideration  
4 of the public nature of the parking facility.

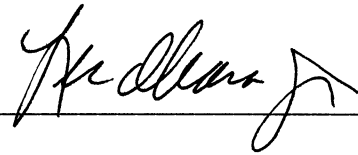

5 SECTION 3. There is appropriated out of the general  
6 revenues of the State of Hawaii the sum of \$300,000, or so much  
7 thereof as may be necessary for fiscal year 2006-2007, for  
8 construction of a parking facility on Kapahulu Avenue (TMK  
9 2-7-36:04 and 16), in accordance with section 2 of this Act.

10 SECTION 4. The sum appropriated shall be expended by the  
11 department of land and natural resources for the purposes of  
12 this Act.

13 SECTION 5. This Act shall take effect on July 1, 2006.
