# A BILL FOR AN ACT

MAKING AN APPROPRIATION FOR THE COMMUNITY WORK DAY PROGRAM.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1           SECTION 1. The litter control office, established by  
2 chapter 339, Hawaii Revised Statutes, existed from 1977 until  
3 1996, when it was administratively closed due to budgetary  
4 constraints. The legislature finds that the office provided a  
5 critical, necessary, and strategic service to the public in  
6 serving as the focal point to plan, coordinate, and implement  
7 litter control efforts.

8           The litter control office was very successful in its  
9 efforts to clean up, prevent, and educate the public about  
10 litter. Among its accomplishments were: an annual statewide  
11 recycling campaign, including a fundraising program for  
12 businesses; an annual statewide litter campaign; involvement of  
13 volunteers from organizations; a training program for  
14 volunteers; resolution of complaints of littered sites,  
15 including abandoned vehicles; fundraising from organizations and  
16 individuals; establishment of partnerships with civic and  
17 community groups; school and other youth organizations and

1 businesses; community work day program; and a shoreline and  
2 coastal cleanup.

3 The community work day program is part of the national Keep  
4 America Beautiful program, which partners with businesses and  
5 uses in-kind donations to create successful education and  
6 action-oriented programs for island-wide cleanups, roadside  
7 beautification programs, and cleanup of polluted water bodies,  
8 among other clean environment efforts.

9 The purpose of this Act is to make an appropriation from  
10 the statewide product enrichment program fund and the deposit  
11 beverage container deposit special fund for the community work  
12 day program.

13 SECTION 2. There is appropriated the sum of \$ ,  
14 or so much thereof as may be necessary for fiscal year  
15 2006-2007, for the community work day program, to be  
16 appropriated twenty-five per cent from the Hawaii tourism  
17 authority's statewide product enrichment program fund, and  
18 seventy-five per cent from the department of health's deposit  
19 beverage container deposit special fund for recycling education  
20 and demonstration projects pursuant to section 342G-104(b)(2),  
21 Hawaii Revised Statutes.

1           The sum appropriated shall be expended for community work  
2 day programs in each county as follows:

3	City and County of Honolulu	\$
4	County of Maui	\$
5	County of Kauai	\$
6	County of Hawaii	\$
7	Total	\$

8           The sum appropriated shall be expended by the Hawaii  
9 tourism authority and the department of health for the purposes  
10 of this Act.
