# A BILL FOR AN ACT

RELATING TO THE UNIVERSITY OF HAWAII.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1           SECTION 1. The legislature recognizes that, according to  
2 the national center for public policy and higher education, net  
3 college costs for low- and middle-income students to attend  
4 Hawaii's public four-year colleges and universities represent a  
5 third of their families' annual income. In 2004, the national  
6 non-profit independent organization gave Hawaii a "D" for  
7 affordability. The organization also noted that "over the past  
8 few years, Hawaii has had among the steepest declines in the  
9 nation in the percentage of first-time, full-time college  
10 students earning their bachelor's degree within six years of  
11 enrolling in college."

12           During the 2005 legislative session, recognizing the need  
13 to provide financial support to Hawaii's residents in attaining  
14 a post secondary degree, the legislature appropriated \$1,500,000  
15 in general funds for the fiscal biennium 2005-2007 to provide  
16 merit-based scholarships for Hawaii's low-income public school  
17 graduates wishing to attend the University of Hawaii. Despite  
18 this appropriation, the legislature finds that the increases in

1 the tuition and fee schedule, which take effect in the fall of  
2 2006, will continue to make it difficult for Hawaii's residents  
3 to attend the university. The legislature also finds that the  
4 initial appropriation of \$1,500,000 is not sufficient to enroll  
5 a significant proportion of the estimated number of eligible  
6 applicants.

7 Given the State's current financial surplus, and based on  
8 input from the university, the purpose of this Act is to  
9 encourage Hawaii residents to pursue post secondary school  
10 education by:

- 11 (1) Amending section 57 of Act 178, Session Laws of Hawaii  
12 2005, to clarify the financial eligibility guidelines;
- 13 (2) Establishing a workforce development scholarship  
14 program at the community colleges based on need;
- 15 (3) Establishing the Hawaii state scholars program; and
- 16 (4) Placing funds for all scholarship programs in a  
17 separate account in the student scholarship and  
18 assistance special fund.

19 SECTION 2. Chapter 304, Hawaii Revised Statutes, is  
20 amended by adding a new section to be appropriately designated  
21 and to read as follows:

1        "§304- Hawaii state scholars program. (a) There is  
2 established the Hawaii state scholars program to be administered  
3 by the University of Hawaii. This program shall be used to  
4 provide financial assistance in the form of scholarships for up  
5 to four years to any qualified student enrolled at any campus of  
6 the University of Hawaii with the possibility of renewal for a  
7 fifth year in exceptional circumstances.

8        (b) Appropriations for the state scholars program shall be  
9 deposited into the University of Hawaii student scholarship and  
10 assistance special fund established pursuant to section  
11 304-16.6. The number of scholarships awarded and amount of each  
12 scholarship shall be determined by the university subject to the  
13 availability of funds.

14        The University of Hawaii shall offer scholarships to pay  
15 for educational costs, such as tuition, fees, books, housing,  
16 and other educational costs; provided that the scholarship  
17 applicant:

- 18        (1) Is a bona fide resident of the State, for tuition  
19        purposes, at the time of admission to the university;
- 20        (2) Presents evidence of academic excellence by meeting  
21        one or more of the following:

- 2           in the State as a valedictorian of the
- 3           applicant's class;

- 5           of 4.0 as determined for admission to the
- 6           university; or
- 7           (C) Has achieved a test score on a standardized
- 8           college admission test recognized and accepted by
- 9           the university for admission consideration, such
- 10           as SAT or ACT, that places the student among the
- 11           top ten percentile of students taking the test
- 12           nationwide;

- 16           completion and a cumulative 3.0 grade point average."

17           SECTION 3. Chapter 305, Hawaii Revised Statutes, is  
 18 amended by adding a new section to be appropriately designated  
 19 and to read as follows:

20           "§305- Workforce development scholarship program. (a)  
 21 There is established the workforce development scholarship  
 22 program to be administered by the University of Hawaii to

1 address projected shortfalls in and needs of the workforce. The  
2 program shall be used to provide financial assistance for up to  
3 three years to any qualified student enrolled at a community  
4 college campus of the University of Hawaii.

5 (b) The number of scholarships awarded and the amount of  
6 each scholarship shall be determined by the university and shall  
7 be subject to the availability of funds. The University of  
8 Hawaii shall offer scholarships to pay for educational costs,  
9 such as tuition, fees, books, housing, and other educational

17 provided that the student maintains satisfactory academic

19 SECTION 4. Section 304-16.6, Hawaii Revised Statutes, is  
20 amended by amending subsection (b) to read as follows:

21 "(b) Revenues deposited into this fund shall include but  
22 not be limited to state, federal, and private funds, [~~and~~] funds

1 transferred by the university from the tuition and fees special  
2 fund pursuant to section 304-16.5[~~7~~], and appropriations for the

8 SECTION 5. Act 178, Session Laws of Hawaii 2005, is
