
A BILL FOR AN ACT

RELATING TO BURIAL SITES.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. Section 6E-43.6, Hawaii Revised Statutes, is
2 amended as follows:

3 1. By amending subsection (b) to read as follows:

4 "(b) The discovery shall be reported as soon as possible
5 to the department, the appropriate medical examiner or coroner,
6 and the appropriate police department. As soon as practicable,
7 the department shall notify the appropriate council and the
8 office of Hawaiian affairs. The department shall also map the
9 coordinates of the location where the human skeletal remains
10 were discovered, using a global positioning system device, and
11 record the information with the bureau of conveyances."

12 2. By amending subsection (f) to read as follows:

13 "(f) In cases where remains are archaeologically removed,
14 the department shall determine the place of relocation, after
15 consultation with the appropriate council, affected property
16 owners, representatives of the relevant ethnic group, and any
17 identified lineal descendants, as appropriate. The department
18 shall also map the coordinates of the location where the human

1 skeletal remains are to be relocated, using a global positioning
2 system device, and record the information with the bureau of
3 conveyances. Relocation shall conform with requirements imposed
4 by the department of health, and may be accompanied by
5 traditional ceremonies, as determined by the lineal descendants,
6 or, if no lineal descendants are identified, the appropriate
7 council or representatives of the relevant ethnic group that the
8 department deems appropriate. Specific or special reinterment
9 requests from lineal or cultural descendants may be accommodated
10 provided that the additional expenses incurred are paid by the
11 affected descendants."

12 SECTION 2. New statutory material is underscored.

13 SECTION 3. This Act shall take effect on July 1, 2050.

SB3176, SD1

Report Title:

Burial Sites; Location Recordation

Description:

Requires the department of land and natural resources to map burial sites that are inadvertently discovered using a global positioning system device and record the location of the burial site and the site to which the remains are reinterred, if any.
