
A BILL FOR AN ACT

MAKING AN APPROPRIATION FOR CHORE SERVICE PROGRAMS.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that our elderly and
2 disabled populations need assistance with household chores, but
3 many residents do not have friends or families to assist them
4 with these routine tasks. Chore services programs enable these
5 residents to remain in their homes after they can no longer
6 perform essential housekeeping and related activities, thereby
7 avoiding premature and costly institutionalization.

8 The purpose of this Act is to make an appropriation for
9 chore services programs.

10 SECTION 2. There is appropriated out of the general
11 revenues of the State of Hawaii the sum of \$4,056,471, or so
12 much thereof as may be necessary for fiscal year 2006-2007, for
13 the purpose of supporting and expanding the chore services
14 program to provide high quality elder care and services to
15 Hawaii's elderly and disabled populations.

16 The sum appropriated shall be expended by the department of

1 human services for the purposes of this Act.

2 SECTION 3. This Act shall take effect on July 1, 2006.
