# SENATE RESOLUTION

RECOGNIZING MARCH AS CAREGIVERS' MONTH IN HAWAII.

1           WHEREAS, our nation's democracy and freedom began with the  
2 statement that "We hold these truths to be self-evident, that  
3 all men are created equal, that they are endowed by their  
4 Creator with certain inalienable Rights, that among these are  
5 Life, Liberty, and the pursuit of Happiness"; and  
6

7           WHEREAS, as humans bound by temporal and physical  
8 limitations, our most basic common link is that we all inhabit  
9 this small planet, we all breathe the same air, we all cherish  
10 our children's futures, and we are all mortal; and  
11

12           WHEREAS, the collective defense of life, liberty, and the  
13 pursuit of happiness often requires attentive effort by  
14 virtuous, self-sacrificing individuals committed to the  
15 preservation of humanity and their fellow man; and  
16

17           WHEREAS, few of us are given the opportunity, and even  
18 fewer are given the courage to sacrifice ourselves for the lives  
19 of others; and  
20

21           WHEREAS, it is often only in times of frailty and weakness  
22 that the power of the bond which connects all humanity is  
23 clearly manifested; and  
24

25           WHEREAS, caregivers commit themselves selflessly,  
26 wholeheartedly, and with great virtue to preserving the bond of  
27 humanity through administering care to those in need; and  
28

29           WHEREAS, the actions of caregivers are exemplary of the  
30 highest values of our state, our nation, and the institution of  
31 democracy; and

1 WHEREAS, caregivers deserve to be recognized with full  
 2 gratitude for their selfless actions that serve as rallying  
 3 points to our society for reverently dictating what one ought to  
 4 be, what one can be, and what one will be if taken to heart; and  
 5

6 WHEREAS, the life-changing, life-preserving actions of  
 7 caregivers who are heroes of the highest caliber should never be  
 8 ignored or forgotten; now, therefore,  
 9

10 BE IT RESOLVED by the Senate of the Twenty-third  
 11 Legislature of the State of Hawaii, Regular Session of 2006,  
 12 that this body recognizes March as "Caregivers' Month" and  
 13 supports the efforts of all caregivers who devote themselves to  
 14 our life, liberty, and pursuit of happiness by the powerful  
 15 service of caring for others; and  
 16

17 BE IT FURTHER RESOLVED that certified copies of this  
 18 Resolution be transmitted to the Governor, Director of Health,  
 19 and Director of Human Services.
