RE: H.B. No. 2410  
H.D. 1

Honorable Calvin K.Y. Say  
Speaker, House of Representatives  
Twenty-Third State Legislature  
Regular Session of 2006  
State of Hawaii

Sir:

Your Committee on Judiciary, to which was referred H.B. No. 2410 entitled:

"A BILL FOR AN ACT RELATING TO CONTROLLED SUBSTANCES,"

begs leave to report as follows:

The purpose of this bill is to clarify that the exception from certain requirements of the Uniform Controlled Substances Act for any over-the-counter sale, transfer, furnishing, or receipt of a drug containing pseudoephedrine or norpseudoephedrine is subject to compliance with the additional restrictions on the sale of over-the-counter pseudoephedrine products imposed by Act 193, Session Laws of Hawaii 2005.

The Department of Public Safety testified in support of this bill.

Your Committee has amended this bill by making technical, nonsubstantive amendments for style, clarity, and consistency.

As affirmed by the record of votes of the members of your Committee on Judiciary that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 2410, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 2410, H.D. 1, and be placed on the calendar for Third Reading.

Respectfully submitted on  
behalf of the members of the  
Committee on Judiciary,
