RE: GOV. MSG. NO. 395

Honorable Robert Bunda
President of the Senate
Twenty-Third State Legislature
Regular Session of 2006
State of Hawaii

Sir:

Your Committee on Commerce, Consumer Protection, and Housing, to which was referred Governor's Message No. 395, submitting for study and consideration the nomination of:

BOARD OF PSYCHOLOGY

G.M. No. 395 FRANCES PAULETTE HACKBARTH,
for a term to expire 6-30-2010,

begs leave to report as follows:

FRANCES PAULETTE HACKBARTH is a retiree who worked for thirty-four years as a computer specialist for the United States Navy at Camp Smith, during which time she was also an instructor in sexual harassment prevention for supervisors. Her current volunteer activities include coordinating church ministry visits to hospitalized and homebound persons, as well as supporting and hosting homeless families. She looks forward to participation on the Board of Psychology as a means to serve the ever-growing need for therapy and counseling.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Housing that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Respectfully submitted on
behalf of the members of the
Committee on Commerce, Consumer
Protection, and Housing,

RON MENOR, Chair
