The purpose of this bill is to amend the Uniform Controlled Substances Act to:

- (2) Clarify that the exception from certain requirements of the Uniform Controlled Substances Act for any over-the-counter sale, transfer, furnishing, or receipt of a drug containing pseudoephedrine or norpseudoephedrine is subject to compliance with the additional restrictions on

the sale of over-the-counter pseudoephedrine products imposed by Act 193, Session Laws of Hawaii 2005;

- (3) Reduce the amount of pseudoephedrine products that a pharmacy or retailer may dispense, sell, or distribute without a prescription, to 3.6 grams per day without regard to the number of transactions, and no more than nine grams within 30 days;
- (4) Require pseudoephedrine products to be sold from an area where the product is delivered directly into the custody of the purchaser;
- (5) Require purchasers of pseudoephedrine products to provide identification; and
- (6) Require pseudoephedrine purchasers to sign a written log or receipt of the transaction.

Your Committee on Conference has amended this bill by:

- (1) Clarifying that the dispensable grams of pseudoephedrine products is 3.6 grams per person each day; and
