

STAND. COM. REP. NO.

3614

Honolulu, Hawaii

APR 11 2006

RE: S.C.R. No. 139

Honorable Robert Bunda
President of the Senate
Twenty-Third State Legislature
Regular Session of 2006
State of Hawaii

Sir:

Your Committee on Water, Land, and Agriculture, to which was referred S.C.R. No. 139 entitled:

"SENATE CONCURRENT RESOLUTION REQUESTING THE COLLEGE OF TROPICAL AGRICULTURE AND HUMAN RESOURCES OF THE UNIVERSITY OF HAWAII AT MANOA TO STUDY THE FEASIBILITY OF MANDATED OR INCENTIVE BASED VOLUNTARY ROOFTOP LANDSCAPING AND AGRICULTURE IN URBAN DISTRICTS,"

begs leave to report as follows:

The purpose of this measure is to request the University of Hawaii College of Tropical Agriculture and Human Resources to study the feasibility of mandated or incentive-based voluntary rooftop landscaping and agriculture in urban districts.

Testimony in support of this measure was submitted by the Department of Agriculture, the University of Hawaii College of Tropical Agriculture and Human Resources, and the Hawaii Farm Bureau Federation.

Scientific testing in several countries has shown that rooftop landscaping helps to reduce the amount of pollutants and dust particles in the air and water. Your Committee finds that encouraging more of these projects across the State is appropriate. Accordingly, this measure requests the University of Hawaii College of Tropical Agriculture and Human Resources to study the feasibility of mandated or incentive-based voluntary rooftop landscaping and agriculture in urban districts.

As affirmed by the record of votes of the members of your Committee on Water, Land, and Agriculture that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 139 and recommends its adoption.

Respectfully submitted on
behalf of the members of the
Committee on Water, Land, and
Agriculture,

RUSSELL S. KOKUBUN, Chair
