**RE-REFERRAL OF A
SENATE RESOLUTION**

The Chair re-referred the following Senate resolution that was offered:

Senate
Resolution

Referred to:

No. 31 Jointly to the Committee on Education and Military Affairs and the Committee on Human Services

Senator Hemmings rose on a point of personal privilege as follows:

“Mr. President, I rise on a point of personal privilege.

“My purpose is to make the Senate aware of what I think is somewhat of a devious attempt to lobby a special interest under what might be deceptive circumstances. My office has received over 30 calls. The phone ID has 9-1 followed by a series of zeros, which makes it difficult to identify the true caller. A couple of confused constituents specifically when asked by my staff, and I’ve asked my staff to document these calls, identified Philip Morris as the originator of the call. Their effort was to try to lobby this Body, and in particular Senators who voted in favor of legislation raising the taxes on cigarettes that their constituents express concern. In spite of the billions of dollars Philip Morris makes off this terrible habit that kills many, they did not do their homework very well and did not brief the people they had enticed to call our offices.

“So this serves as an alert to my fellow colleagues to be very aware of these phone calls because they may not represent the true intent of the caller but rather the intent of a very wealthy lobbying effort on the part of people that quite frankly make a lot of money off selling death.

“Thank you, Mr. President.”
