## HOUSE CONCURRENT RESOLUTION

---

REQUESTING THE ATTORNEY GENERAL AND THE IDENTITY THEFT TASK  
FORCE TO IDENTIFY WAYS IN WHICH THE PROCESS OF NOTARIZING  
DOCUMENTS CAN BE IMPROVED TO REDUCE IDENTITY THEFT.

1 WHEREAS, the Attorney General appoints and commissions  
2 notaries public for the State as the Attorney General deems  
3 necessary for the public good and convenience; and  
4

5 WHEREAS, every notary public must keep an engraved seal of  
6 office or a rubber stamp facsimile seal that clearly shows, when  
7 embossed, stamped, or impressed upon a document, the notary's  
8 name and the words, "notary public" and "State of Hawaii"; and  
9

10 WHEREAS, the notary public must authenticate all the  
11 notary's official acts, attestations, certificates, and  
12 instruments and always add to an official signature the typed or  
13 printed name of the notary and a statement showing the date that  
14 the notary's commission expires; and  
15

16 WHEREAS, each time a notary public notarizes a document the  
17 notary public must record the type, date, and time of day of the  
18 notarial act, the title or type and date of the document or  
19 proceeding, the signature, printed name, and address of each  
20 person whose signature is notarized and of each witness, other  
21 parties to the instrument, and the manner in which the signer  
22 was identified; and  
23

24 WHEREAS, all copies or certificates granted by the notary  
25 must be under the notary's hand and notarial seal and shall be  
26 received as evidence of such transactions; and  
27

28 WHEREAS, notwithstanding the requirements that attend  
29 notarization of documents, there is an alarming increase in the  
30 alteration of notarized documents for the purpose of identity  
31 theft and fraud; and

1  
2 WHEREAS, other states are trying to counter this trend by  
3 adopting additional requirements for authentication of  
4 signatures and documents; and

5  
6 WHEREAS, misrepresentation often takes the form of a scam  
7 which may involve naive and trusting senior citizens who are  
8 often tricked into signing away property.

9  
10 WHEREAS, there is ongoing in Hawaii the investigation of a  
11 man with a federal criminal record involving bank fraud, bogus  
12 names, and false checks who has traveled to the Philippines with  
13 at least two business associates who have never been seen alive  
14 again, one of whom was later found murdered; and

15  
16 WHEREAS, the man is now charged in one case with identity  
17 theft and other offenses arising from the use of a notarized  
18 document relating to the sale of a Land Rover automobile and to  
19 transfer land and property owned by the murder victim to the  
20 man; and

21  
22 WHEREAS, a third man who was an associate of the charged  
23 man has been missing for sixteen years and his home is now owned  
24 and occupied by the charged man's girlfriend; and

25  
26 WHEREAS, the Attorney General is a member of the identity  
27 theft task force established by Act 140, Session Laws of Hawaii  
28 2006, which is required, among other things, to identify best  
29 practices to reduce identity theft and to report its final  
30 findings and recommendations to the Legislature, including any  
31 proposed legislation, no later than twenty days prior to the  
32 convening of the Regular Session of 2008; now, therefore,

33  
34 BE IT RESOLVED by the House of Representatives of the  
35 Twenty-fourth Legislature of the State of Hawaii, Regular  
36 Session of 2007, the Senate concurring, that the Attorney  
37 General and the Identity Theft Task Force are requested to  
38 identify ways in which the process of notarizing documents can  
39 be improved to reduce identity theft, by requiring the notary's  
40 seal to be placed over a succinct phrase identifying the nature  
41 of the document and the underlying transaction; and

42  
43 BE IT FURTHER RESOLVED that the Attorney General and the  
44 Identity Theft Task Force are requested to report findings and

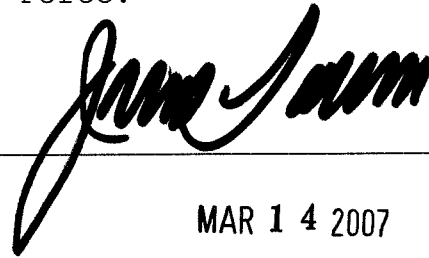

# H.C.R. NO. 247

1 recommendations, including any proposed legislation, to the  
2 Legislature no later than twenty days prior to the convening of  
3 the Regular Session of 2008, provided that the findings and  
4 recommendations may be included in the final report of the  
5 Identity Theft Task Force to be submitted pursuant to Act 140,  
6 Session Laws of Hawaii 2006; and

7  
8 BE IT FURTHER RESOLVED that certified copies of this  
9 Concurrent Resolution be transmitted to the Attorney General and
