## HOUSE CONCURRENT RESOLUTION

---

REQUESTING THE ESTABLISHMENT OF A TASK FORCE TO STUDY THE  
FEASIBILITY OF A NATIVE HAWAIIAN HEALING PROGRAM ON  
KAHO'OLAWÉ.

1 WHEREAS, Kaho'olawe is a sacred island to the Native  
2 Hawaiian people, as evidenced by ancient chants and  
3 archeological sites, and believed to have been inhabited for  
4 more than one thousand years; and  
5

6 WHEREAS, subsequent to Kaho'olawe's transfer from the  
7 Republic of Hawai'i to the United States in 1898, cattle and  
8 sheep were introduced to the island, resulting in a negative  
9 environmental impact and causing soil erosion; and  
10

11 WHEREAS, in August 1910, the Territorial Board of  
12 Agriculture designated Kaho'olawe as a forest reserve and  
13 attempted to revegetate the island; however, realizing these  
14 attempts were futile in light of the proliferation of goats on  
15 the island, the Territorial Board redesignated the island,  
16 transferring it to the Commissioner of Public Lands, and it was  
17 leased to cattle ranchers; and  
18

19 WHEREAS, in 1941, the United States leased part of  
20 Kaho'olawe for military purposes, using the island as a testing  
21 and training range for military weapons, beginning five decades  
22 of military bombardment and control of the island; and  
23

24 WHEREAS, in 1981, Kaho'olawe was designated an Archeological  
25 District and listed on the National Register of Historic Places;  
26 and  
27

28 WHEREAS, in 1993, Title X of the Department of Defense and  
29 Appropriations Act conveyed Kaho'olawe and its surrounding waters  
30 to the State, providing for "meaningful safe use of the island  
31 for appropriate cultural, historical, archeological, and  
32 educational purposes as determined by the State of Hawaii"; and

1  
2 WHEREAS, in 1993, chapter 6K, Hawaii Revised Statutes, was  
3 enacted, creating the Kaho'olawe Island Reserve and reserving its  
4 uses solely and exclusively for the following purposes:

- 5  
6 (1) Preservation and practice of all rights customarily  
7 and traditionally exercised by Native Hawaiians for  
8 cultural, spiritual, and subsistence purposes;  
9  
10 (2) Preservation and protection of its archaeological,  
11 historical, and environmental resources;  
12  
13 (3) Rehabilitation, revegetation, habitat restoration, and  
14 preservation; and  
15  
16 (4) Education; and  
17

18 WHEREAS, section 6K-9, Hawaii Revised Statutes, provides  
19 "that the State shall transfer management and control of the  
20 island and its waters to the sovereign native Hawaiian entity  
21 upon its recognition by the United States and the State of  
22 Hawaii"; and  
23

24 WHEREAS, Kaho'olawe has served as the foundation for the  
25 revitalization of Native Hawaiian cultural practices; and  
26

27 WHEREAS, the Girls' Court Program, a gender-specific and  
28 strength-based program targeting female juvenile offenders, was  
29 granted the unique opportunity to volunteer on Kaho'olawe, where  
30 they lived together, shared and restored the land by planting  
31 native species of vegetation, cleared trails and paths, and  
32 learned about the island's history; and  
33

34 WHEREAS, these young women benefited personally,  
35 spiritually, and educationally from this unique experience  
36 through learning about their culture, providing community  
37 service, and self-discovery about their young womanhood; and  
38

39 WHEREAS, a similar program for offenders targeted at  
40 healing and teaching Native Hawaiian traditions and cultural  
41 practices would greatly benefit these individuals who could also  
42 develop a cultural connection to Kaho'olawe by increasing their

1 knowledge and providing a purpose for them and for future  
2 generations of Hawaii's people; and  
3

4 WHEREAS, according to Department of Public Safety  
5 statistics published in 2005, approximately forty-four per cent  
6 of female offenders and thirty-seven per cent of male offenders  
7 are Native Hawaiian; and  
8

9 WHEREAS, this program would house at least forty offenders,  
10 preparing them to become stewards of the land, learn life skills  
11 with an emphasis on Native Hawaiian cultural traditions, and  
12 become acquainted or reacquainted with their rich heritage; so  
13 that in helping to heal Kaho'olawe, they would also help heal  
14 themselves; and  
15

16 WHEREAS, a volunteer program for such offenders on  
17 Kaho'olawe would temporarily address well-known overcrowding  
18 issues in Hawaii's correctional facilities and provide an  
19 opportunity for the many Native Hawaiian offenders in mainland  
20 correctional facilities to return home; now, therefore,  
21

22 BE IT RESOLVED by the House of Representatives of the  
23 Twenty-fourth Legislature of the State of Hawaii, Regular  
24 Session of 2007, the Senate concurring, that the Department of  
25 Public Safety convene a task force to study the feasibility of a  
26 reciprocal healing program for offenders on Kaho'olawe,  
27 emphasizing Native Hawaiian practices for Native Hawaiian  
28 offenders; and  
29

30 BE IT FURTHER RESOLVED that the Task Force be comprised of  
31 the following entities:  
32

- 33 (1) The Department of Public Safety;
- 34
- 35 (2) The Department of Human Services;

- 38
- 39 (4) The Kaho'olawe Island Reserve Commission; and
- 40
- 41 (5) The Protect Kaho'olawe 'Ohana; and
- 42

1 BE IT FURTHER RESOLVED that Department of Public Safety is  
 2 requested to submit a report to the Legislature on the  
 3 establishment of the task force requested by this measure,  
 4 including but not limited to any recommendations of the task  
 5 force no later than twenty days prior to the convening of the  
 6 Regular Session of 2008; and  
 7

8 BE IT FURTHER RESOLVED that certified copies of this  
 9 Concurrent Resolution be transmitted to the Director of Public  
 10 Safety, the Director of Human Resources, the Chair of the Office  
 11 of Hawaiian Affairs, the Chair of the Kaho'olawe Island Reserve  
 12 Commission, and the Chair of Protect Kaho'olawe 'Ohana.
