
HOUSE CONCURRENT RESOLUTION

REQUESTING THE UNIVERSITY OF HAWAII TO PLAN SUFFICIENT ON-CAMPUS
PARKING AT KAPIOLANI COMMUNITY COLLEGE.

1 WHEREAS, Kapiolani Community College (KCC), located on the
2 slopes of Diamond Head, presently has an enrollment of 7,300
3 students who commute daily to this campus; and
4

5 WHEREAS, there are 225 parking spaces for 550 staff members
6 and 942 stalls for students on campus, a ratio of one stall per
7 six users which is the largest shortfall of parking in the UH
8 system; and
9

10 WHEREAS, in 2005, Dr. John Morton, then KCC Chancellor,
11 estimated that there was a need for 400 additional parking
12 spaces during peak class periods; and
13

14 WHEREAS, a 2005 student study found that many students
15 arrive on campus early in the morning, hours ahead of their
16 scheduled classes, in order to secure a parking space, then
17 study or sleep until class time; and
18

19 WHEREAS, when all campus stalls are taken, students must
20 then park in the Kaimuki neighborhood, an old community with
21 narrow streets with little room for parking; and
22

23 WHEREAS, many Kaimuki homes have garages for only one car,
24 so residents must also park on the streets; and
25

26 WHEREAS, future growth of Kapiolani Community College will
27 entail growth in the size of the student body, a corresponding
28 increase in the number of instructors, administrative and
29 maintenance staff and the construction of additional offices and
30 classrooms; and
31

BE IT FURTHER RESOLVED that certified copies of this Concurrent Resolution be transmitted to the President of the University of Hawaii, the Chancellor of the University of Hawaii Community Colleges, Dr. Leon Richards, the Interim Chancellor to Kapiolani Community College, Councilmember Charles Djou, and the Chair of the Kaimuki Neighborhood Board No. 4.
