
HOUSE RESOLUTION

URGING CONGRESS TO PASS, AND THE PRESIDENT OF THE UNITED STATES
TO SIGN, THE CAMERON GULBRANSEN KIDS AND CAR SAFETY ACT.

1 WHEREAS, every other day, a young child is killed in a non-
2 traffic automobile accident, and the age of the victims in these
3 cases is usually less than 4-years old; and
4

5 WHEREAS, since 1999, at least 1,000 children have died in
6 non-traffic incidents, and these statistics are increasing
7 steadily when, for instance, in 2005 alone there have been at
8 least 222 fatalities; and
9

10 WHEREAS, a 2002 Centers for Disease Control and Prevention
11 (CDC) study revealed that over 9,160 children were treated in
12 hospital emergency rooms due to nontraffic incidents; and
13

14 WHEREAS, the federal government does not currently have any
15 regulations about what a driver should be able to see behind a
16 vehicle; and
17

18 WHEREAS, the United States Congress is considering
19 addressing this issue through the Cameron Gulbransen Kids and
20 Cars Safety Act, a piece of legislation directing the Secretary
21 of Transportation to issue safety standards and take other
22 action to reduce the incidence of child injury and death inside
23 or outside of parked passenger motor vehicles; and
24

25 WHEREAS, the bill is named after Cameron Gulbransen, a two
26 year old who was accidentally run over and killed by his father
27 as he was backing out his vehicle; and
28

29 WHEREAS, this tragedy has been repeated many times in
30 Hawaii where recently in Punalu'u, 2-year- old Teysia Aku was
31 fatally injured when a car backed out of her family's driveway,
32 and in Puna where 2-year-old Abygail Arquitola was killed in a

1 hit-and-run accident while playing in the back of a subdivision;
2 and
3

4 WHEREAS, The Cameron Gulbransen Kids and Cars Safety Act
5 will help to lessen and eliminate these tragic incidences by
6 requiring such things as a rearward visibility performance
7 standard that will provide drivers with a means of detecting the
8 presence of a person behind the vehicle, and requiring the
9 vehicle service brake to be engaged in all key positions and
10 while the key is out of the ignition, in order to prevent
11 incidents resulting from children disengaging the gear shift and
12 causing vehicles to roll away; and
13

14 WHEREAS, the act further promotes child safety by
15 establishing a child safety information program that will
16 involve collecting non-traffic incident data, informing parents
17 about these hazards to children, and ways to mitigate them, as
18 well as making this information available to the public through
19 the Internet and other means; and
20

21 WHEREAS, this legislation is supported by a large number
22 groups including KIDS AND CARS, Consumer Union, Advocates for
23 Highway and Auto Safety, the American Academy of Pediatrics,
24 Public Citizen, Kids in Danger, Trauma Foundation, The Zoie
25 Foundation, Adrianna's Rule Foundation, Veronica's Eye
26 Foundation, Craig's Crusade and more; now, therefore,
27

28 BE IT RESOLVED by the House of Representatives of the
29 Twenty-fourth Legislature of the State of Hawaii, Regular
30 Session of 2007, that this body urges the Congress of the United
31 States to pass the Cameron Gulbransen Kids and Car Safety Act;
32 and
33

34 BE IT FURTHER RESOLVED that the Legislature urge the
35 President of the United States to sign the Cameron Gulbransen
36 Kids and Car Safety Act; and
37

38 BE IT FURTHER RESOLVED that certified copies of this
39 Resolution be transmitted to the President of the United States,
40 each member of the Hawaii Congressional Delegation, the Speaker

H.R. NO. 127

1 of United States House of Representatives, and the President pro
2 tempore of the United States Senate.
