SENATE CONCURRENT RESOLUTION

REQUESTING THE WORLD HEALTH ORGANIZATION TO CONFER "OBSERVER
STATUS" UPON TAIWAN IN ORDER TO PERMIT TAIWAN'S
PARTICIPATION IN THE WORLD HEALTH ORGANIZATION'S PROGRAMS

8 the world; and
9

10 WHEREAS, the World Health Organization is an international
11 body through which different nations may engage in cooperative
12 and coordinated efforts to respond to public health crises; and
13

14 WHEREAS, the World Health Organization's mission and

19

20 WHEREAS, the protection of the health and welfare of all
21 peoples of the world depends greatly upon the World Health
22 Organization; and
23

24 WHEREAS, Taiwan, although having a population of twenty-
25 three million people, is not a member of the World Health
26 Organization; and
27

28 WHEREAS, Taiwan has expressed a desire and willingness to
29 participate in the World Health Organization's programs and
30 activities; and

1
2 WHEREAS, before Taiwan lost its membership in the World
3 Health Organization in 1972 because of termination of its
4 membership in the United Nations, Taiwan was a valuable
5 contributing member of the World Health Organization; and
6

7 WHEREAS, if allowed to participate again, there is no doubt
8 that Taiwan will serve as a productive member of the World
9 Health Organization; now, therefore,
10

11 BE IT RESOLVED by the Senate of the Twenty-fourth
12 Legislature of the State of Hawaii, Regular Session of 2007, the
13 House of Representatives concurring, that the World Health
14 Organization is requested to confer "observer status" upon
15 Taiwan in order to permit Taiwan's participation in the World
16 Health Organization's programs and activities; and
17

18 BE IT FURTHER RESOLVED that certified copies of this
19 Concurrent Resolution be transmitted to the Secretary-General of
20 the United Nations, Director-General of the World Health
21 Organization, and Director-General of the Taipei Economic and
