
SENATE CONCURRENT RESOLUTION

DIRECTING THE STRENGTHENING AND EXPANSION OF ADULT EDUCATION
PROGRAMS FOR INCARCERATED PERSONS TO ASSIST WITH THEIR
TRANSITION BACK INTO THE COMMUNITY UPON RELEASE.

1 WHEREAS, there is a high rate of recidivism among the
2 former inmate population, due, in large part, to the many
3 problems former inmates are faced with during the reintegration
4 period, including workplace restrictions, housing restrictions,
5 and many informal restrictions resulting from societal prejudice
6 against former offenders; and
7

8 WHEREAS, this high rate of recidivism of former prison
9 inmates is very costly to the State and its residents, both
10 economically and socially, in the form of increased criminal
11 activity; and
12

13 WHEREAS, the recidivism rate can be dramatically reduced
14 through the implementation of programs to assist these
15 individuals' post-incarceration community integration; and
16

17 WHEREAS, education is the key to success for many former
18 inmates, motivating them to reach their potential, teaching them
19 to accept responsibility for their actions, helping them
20 understand the connection between cause and effect, and how to
21 make changes and better decisions; and
22

23 WHEREAS, these educational efforts must be initiated while
24 individuals are incarcerated and must continue throughout the
25 transition period after release to be truly successful in
26 combating recidivism; and
27

28 WHEREAS, the Department of Education has eleven Community
29 Schools for Adults which offer a wide variety of services,
30 including adult literacy, elementary and secondary education,
31 parenting, and community education classes; and
32

1 WHEREAS, Kulani Correctional Facility has a positive
2 reintegration program that is culturally sensitive and works in
3 conjunction with the Hilo Community School for adults that could
4 serve as a model for other correctional facilities; and
5

6 WHEREAS, formerly incarcerated individuals would be more
7 successful in completing educational programs after release if
8 they were assisted in the transition, including finding and
9 enrolling in the appropriate continuing education program; now,
10 therefore,
11
