

STAND. COM. REP. NO. 1650

Honolulu, Hawaii

Ajilz, 2007

RE: H.C.R. No. 340

Honorable Calvin K.Y. Say
Speaker, House of Representatives
Twenty-Fourth State Legislature
Regular Session of 2007
State of Hawaii

Sir:

Your Committee on Transportation, to which was referred
H.C.R. No. 340 entitled:

"HOUSE CONCURRENT RESOLUTION REQUESTING THE DEPARTMENT OF
TRANSPORTATION, IN COLLABORATION WITH THE DEPARTMENT OF
BUSINESS, ECONOMIC DEVELOPMENT, AND TOURISM, TO CONDUCT A
STUDY TO EVALUATE PLANS BY YOUNG BROTHERS, LTD., TO
DISCONTINUE ITS LESS-THAN-CONTAINER-LOAD INTERISLAND CARGO
SERVICE,"

begs leave to report as follows:

The purpose of this concurrent resolution is to ensure the
efficient and effective movement of cargo throughout Hawaii by
requesting the Department of Transportation (DOT), in
collaboration with the Department of Business, Economic
Development, and Tourism, to conduct a study to evaluate plans by
Young Brothers, Ltd., to discontinue its less-than-container-load
inter-island cargo service.

DOT, the Agribusiness Development Corporation, The Hawaii
Business League, and L & R Farms Ent LLC, testified in support of
this measure. The Division of Consumer Advocacy of the Department
of Commerce and Consumer Affairs and Young Brothers, Limited,
testified in support of the intent of this measure.

Hawaii's harbors serve as a lifeline between the major
Hawaiian islands. Young Brothers, Limited, provides a valuable
service to many businesses in Hawaii by shipping goods between the
islands. "Less-than-container-load" service allows smaller

HCR340 HSCR TRN HMS 2007-3457

1650

businesses to ship their goods between islands. The discontinuation of this type of service will have severe impacts on Hawaii's businesses, especially small businesses.

As affirmed by the record of votes of the members of your Committee on Transportation that is attached to this report, your Committee concurs with the intent and purpose of H.C.R. No. 340 and recommends that it be referred to the Committee on Economic Development & Business Concerns.

Respectfully submitted on
behalf of the members of the
Committee on Transportation,

JOSEPH M. SOUKI, Chair
