

STAND. COM. REP. NO. 2042

Honolulu, Hawaii

A-213, 2007

RE: H.C.R. No. 162

Honorable Calvin K.Y. Say
Speaker, House of Representatives
Twenty-Fourth State Legislature
Regular Session of 2007
State of Hawaii

Sir:

Your Committees on Energy & Environmental Protection and Water, Land, Ocean Resources & Hawaiian Affairs, to which was referred H.C.R. No. 162 entitled:

"HOUSE CONCURRENT RESOLUTION REQUESTING CERTAIN ACTION CONCERNING THE CONDUCTING OF A TEST TO CONVERT H-POWER ASH TO REUSABLE MATERIAL,"

beg leave to report as follows:

The purpose of this concurrent resolution is to facilitate the recycling of the ash produced by H-Power into a useful product and thereby extend the useful life of our landfills by requesting the Department of Health (DOH) to:

- (1) Waive the requirements, if legally possible, to modify H-Power's permit to allow an ash conversion test at H-Power's site; or
- (2) Suggest an alternative method to conduct the ash conversion test that does not require permit modifications; and
- (3) If neither is possible, expedite the permit modification process to less than the 180-day automatic approval period.

Covanta Energy testified in support of this concurrent resolution. DOH opposed this measure. The Department of

HCR162 HSCR EEP-WLH HMS 2007-3720

Environmental Services of the City and County of Honolulu commented on this concurrent resolution.

H-Power is the cornerstone of the City and County of Honolulu's municipal solid waste program that converts approximately 660,000 tons of solid waste to energy annually and saves landfill space by reducing the solid waste volume by 90 percent. Your Committees support the conversion of ash to a recycled usable byproduct in a manner that does not compromise the safety and health of the public.

As affirmed by the records of votes of the members of your Committees on Energy & Environmental Protection and Water, Land, Ocean Resources & Hawaiian Affairs that are attached to this report, your Committees concur with the intent and purpose of H.C.R. No. 162 and recommend its adoption.

Respectfully submitted on
behalf of the members of the
Committees on Energy &
Environmental Protection and
Water, Land, Ocean Resources &
Hawaiian Affairs,

for: 
KEN ITO, Chair

for: 
HERMINA MORITA, Chair
