

STAND. COM. REP. NO. 1579

Honolulu, Hawaii

March 29, 2007

RE: S.B. No. 776

Honorable Calvin K.Y. Say
Speaker, House of Representatives
Twenty-Fourth State Legislature
Regular Session of 2007
State of Hawaii

Sir:

Your Committee on Transportation, to which was referred S.B. No. 776 entitled:

"A BILL FOR AN ACT RELATING TO FIRE PROTECTION,"

begs leave to report as follows:

The purpose of this bill is to clarify responsibilities for conducting fire inspections at state-owned airport facilities.

The Department of Transportation, State Fire Council, Honolulu Fire Department, and Kauai Fire Department testified in support of this bill.

Current law requires county fire departments to inspect all state-owned and county-owned buildings. However, all state airports are also required to be inspected by the State. This has caused duplication in inspections at Hawaii's airports. Moreover, county fire departments have had difficulties accessing state airports due to stringent security requirements at these facilities. Your Committee finds that exempting county fire departments from conducting inspections at state airports will solve this problem.

As affirmed by the record of votes of the members of your Committee on Transportation that is attached to this report, your Committee is in accord with the intent and purpose of S.B. No. 776 and recommends that it pass Second Reading and be placed on the calendar for Third Reading.

SB776 HSCR TRN HMS 2007-3308

Respectfully submitted on
behalf of the members of the
Committee on Transportation,

JOSEPH M. SOUKI, Chair

HSCR 1579

State of Hawaii
House of Representatives
The Twenty-fourth Legislature
