

healthcare services provided by the twelve healthcare facilities throughout the five HHSC regions. He has been involved in public service capacities in the Maui community and is exceptionally committed to quality improvement activities for the healthcare safety-net system of facilities. His medical expertise, healthcare knowledge, and community compassion make him a valuable component to the Board of Directors of the Hawai'i Health Systems Corporation.

Your Committee received testimony in support of Roseanne C. Harrigan, Ed.D., from the Hawaii Health Systems Corporation and Hawaii Medical Association.

Dr. Harrigan, who is also a sitting member on the HHSC Board of Directors, is an outstanding nominee who has proven herself to be a tremendous asset to the State in her Board governance role of the State's healthcare safety-net system. Dr. Harrigan's extensive educational, clinical and healthcare management expertise will provide a visionary perspective and leadership that is needed for the HHSC Board of Directors. In her role as an HHSC Board member, she will contribute the highest level of professional expertise and commitment and help ensure that the most prudent governance and decision-making is made with regard to the State authorized system of community hospitals.

As affirmed by the records of votes of the members of your Committee on Health that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Respectfully submitted on
behalf of the members of the
Committee on Health,

DAVID Y. IGE, Chair
