begs leave to report as follows:

Your Committee received testimony in support of this nominee from Hawaii Medical Association and two individuals.

Mrs. Bergquist-Trommald is the Executive Vice President for Communications Pacific, where she oversees the marketing side of the company. Her primary responsibility is to provide strategic marketing advice to clients, including advertising, marketing, and communications. Mrs. Bergquist-Trommald previously served as Senior Vice President for Outrigger for marketing.

Mrs. Bergquist-Trommald is actively involved in the community, including Commissioner and Chair of the State Foundation on Culture and the Arts; Director (and former Chair) of the Salvation Army, and Washington Place Foundation. Your Committee believes Mrs. Bergquist-Trommald's experience will be an asset to the Health Planning Council, Windward Oahu Subarea.

As affirmed by the record of votes of the members of your Committee on Health that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.
