

STAND. COM. REP. NO.

97

Honolulu, Hawaii

FEB 09 2007

RE: S.B. No. 810
S.D. 1

Honorable Colleen Hanabusa
President of the Senate
Twenty-Fourth State Legislature
Regular Session of 2007
State of Hawaii

Madam:

Your Committee on Health, to which was referred S.B. No. 810
entitled:

"A BILL FOR AN ACT RELATING TO WAIMANO RIDGE,"

begs leave to report as follows:

The purpose of this measure is to ensure that the state-owned
lands in the Waimano ridge area are used in an effective,
appropriate, and "community-friendly" manner that has the approval
of the residents of the Waimano ridge community and the State.

Your Committee received testimony in support of this measure
from the Center on Disability Studies. Your Committee received
testimony in opposition to this measure from the Department of
Health.

Your Committee finds that the Waimano ridge task force is in
need of financial support in order for it to develop and implement
a "community-friendly" master plan for the state-owned Waimano
ridge lands.

Your Committee intends to accomplish the purpose of this
measure by providing needed funding through appropriations and
general obligation bonds for the Waimano ridge task force to
establish a comprehensive Waimano ridge master plan, for a full-
time facilities manager position, and for building projects. This
funding will enable the Waimano ridge task force to develop a
master plan that facilitates the establishment of a "totally
integrated community" where activities on the state-owned Waimano

ridge lands will be community-friendly. It is the further intent of your Committee to authorize the issuance of general obligation bonds to support building demolition, building improvements, and water system upgrades for the Waimano ridge lands that will allow for the implementation of the master plan.

Your Committee amended this measure by adopting the Department of Health's recommendation to change the purpose section language to reflect the Legislature's support of good communications and relations between the State and the Waimano ridge community residents.

As affirmed by the record of votes of the members of your Committee on Health that is attached to this report, your Committee is in accord with the intent and purpose of S.B. No. 810, as amended herein, and recommends that it pass Second Reading in the form attached hereto as S.B. No. 810, S.D. 1, and be referred to the Committee on Ways and Means.

Respectfully submitted on
behalf of the members of the
Committee on Health,

DAVID Y. ISE, Chair

The Senate
Twenty-Fourth Legislature
State of Hawaii
