
A BILL FOR AN ACT

RELATING TO EMPLOYMENT SECURITY LAW.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The purpose of this bill is to provide the same
2 type of unemployment insurance (UI) exclusion [coverage] in
3 state law as in federal law for [the exclusion of] certain alien
4 agricultural workers and to conform coverage of Indian tribe
5 workers under state law to federal law.

6 Under Public Law 94-566, Unemployment Compensation Act of
7 1976, agricultural labor became subject to the federal
8 unemployment tax except for nonresident aliens who were
9 temporarily admitted to the United States to perform contract
10 agricultural work. Under Public Law 96-84, alien agricultural
11 labor must be included solely for purposes of determining the
12 threshold of coverage such as cash wages paid and number of
13 individuals and weeks worked.

14 Under Public Law 106-554, Consolidated Appropriations Act,
15 2001, American Indian tribes must now be treated similarly to
16 state and local governments and nonprofit organizations under
17 federal and state law. The provisions of this bill conform with
18 the Consolidated Appropriations Act requirements.

1 SECTION 2. Chapter 383, Hawaii Revised Statutes is amended
2 by adding a new section to be designated and to read as follows:

3 "§383-62.5 Treatment of Indian tribes. (a) As used in
4 this section:

5 "Employer" includes any Indian tribe for which service in
6 employment as defined in section 383-2 is performed.

7 "Employment" means service performed in the employ of an
8 Indian tribe, provided that such service is excluded from
9 employment as defined in the Federal Unemployment Tax Act solely
10 by reason of section 3306(c)(7), Federal Unemployment Tax Act,
11 and is not otherwise excluded from employment under this
12 chapter. For purposes of this section, the exclusions from
13 employment under section 383-7, apply to services performed in
14 the employ of an Indian tribe in the same manner as the
15 exclusions apply to government and nonprofit entities.

16 "Indian tribe" has the meaning given such term by section
17 4(e) of the Indian Self-Determination and Education Assistance
18 Act (25 U.S.C. section 450b(e)), and includes any subdivision,
19 subsidiary, or business enterprises wholly owned by the Indian
20 tribe.

21 (b) Benefits based on service in employment as defined in
22 this section shall be payable in the same amount, on the same
23 terms and subject to the same conditions as benefits payable on
24 the basis of other service subject to this chapter. The

1 financing of benefits shall apply in the same manner and under
2 the same terms and conditions as in section 383-62, for
3 nonprofit organizations subject to this chapter; except that the
4 provisions of this section shall apply where there is a
5 conflict.

6 (1) Any Indian tribe or tribal unit (subdivisions,
7 subsidiaries or business enterprises wholly owned by
8 the Indian tribe) subject to this chapter on or after
9 January 1, 2007, shall pay contributions under the
10 provisions of this part (with the exception of the
11 provisions in section 383-62(b)) applicable to other
12 employers unless it elects to pay to the director for
13 the fund an amount equal to the amount of benefits
14 that is attributable to service in the employ of an
15 Indian tribe.

16 (2) Any Indian tribe or tribal unit electing to make
17 payments in lieu of contributions shall make this
18 election in the same manner and under the same
19 conditions as provided in section 383-62(d)(1).
20 Indian tribes or tribal units must determine if
21 reimbursement for benefits paid will be elected by the
22 tribe as a whole, by individual tribal units, or by
23 combinations of individual tribal units.

1 (3) An Indian tribe or tribal unit shall be billed and
2 payments shall be made in accordance with section 383-
3 62(d)(2), for the full amount of benefits attributable
4 to service in the employ of the Indian tribe or tribal
5 unit on the same schedule as nonprofit organizations
6 that have elected to make reimbursement payments in
7 lieu of contributions.

8 (4) Any Indian tribe or tribal unit that elects to become
9 liable for payments in lieu of contributions shall be
10 required, within thirty days after the effective date
11 of its election, to deposit with the department an
12 amount of money as security as determined by section
13 383-62(d)(3).

14 (c)(1) Failure of the Indian tribe or tribal unit to make any
15 required payment under this chapter within ninety days
16 after a notice of delinquency was mailed to its last
17 known address or was otherwise delivered to it, will
18 cause the Indian tribe to lose the option to make
19 payments in lieu of contributions and the termination
20 shall continue for the four-consecutive-calendar-
21 quarter period beginning with the quarter in which the
22 termination becomes effective.

23 (2) Any Indian tribe that loses the option to make
24 payments in lieu of contributions due to late payment

1 or nonpayment, shall have such option reinstated after
2 a period of one year if all contributions have been
3 made timely, provided no contributions, payments in
4 lieu of contributions for benefits paid, security
5 deposit, and penalties or interest remain outstanding.

6 (3) If any Indian tribe or tribal unit fails to make
7 payments required under this section (including
8 assessed[ment of] of interest and penalty) within
9 ninety days of a notice of delinquency, the department
10 will immediately notify the United States Internal
11 Revenue Service and the United States Department of
12 Labor.

13 (d) Notices of payment and reporting delinquency to Indian
14 tribes and tribal units shall include information that
15 failure to make full payments within the prescribed time
16 will cause the Indian tribe to:

17 (1) Be liable for taxes under Federal Unemployment Tax
18 Act; and

19 (2) Lose the option to make payments in lieu of
20 contributions.

21 (e) Except as provided in subsection (f) of this section, the
22 amount payable to the fund by each Indian tribe or tribal
23 unit that is liable for payments in lieu of contributions

1 shall be determined in the same manner as provided in
2 section 383-62(e).

3 (f) An Indian tribe or tribal unit must reimburse the fund for
4 all extended benefits paid that are attributable to service
5 in the employ of the Indian tribe or tribal unit unless the
6 benefits are reimbursed by the federal government.

7 (g) Any two or more Indian tribes or tribal units that
8 have become liable for payments in lieu of contributions may
9 file a joint application to the department for the establishment
10 of a group account for the purpose of sharing the cost of
11 benefits paid that are attributable to service in the employ of
12 such employers in the same manner as provided in section 383-
13 62(f)."

14 SECTION 3. Section 383-7, Hawaii Revised Statutes, is amended
15 to read as follows:

16 "§383-7 **Excluded service.** "Employment" shall not include
17 the following service:

18 (1) Agricultural labor as defined in section 383-9 if it
19 is performed by an individual who is employed by an

23 less than \$20,000 in cash remuneration to

5 an individual, unless the cash remuneration paid for
6 the service is \$50 or more and the service is

8 by the employing unit to perform the service. For the

JUSTIFICATION SHEET

DEPARTMENT: Labor and Industrial Relations

TITLE: A BILL FOR AN ACT RELATING TO EMPLOYMENT SECURITY LAW.

PURPOSE: The purpose of this bill is to provide the same type of unemployment insurance (UI) coverage in state law as in federal law for the exclusion of certain alien agricultural workers and to conform coverage of Indian tribe workers under state law to federal law. Under Public Law No. 94-566, Unemployment Compensation Act of 1976, agricultural labor became subject to the FUTA tax except for nonresident aliens who were temporarily admitted to the United States to perform contract agricultural work. Under Public Law No. 96-84, alien agricultural labor must be included solely for purposes of determining the threshold of coverage such as cash wages paid and number of individuals and weeks worked. Under Public Law No. 106-554, Consolidated Appropriations Act, 2001 (CAA), American Indian tribes must now be treated similarly to state and local governments and nonprofit organizations under federal and state law. The provisions of this bill conform with the CAA requirements.

MEANS: Add a new section to chapter 383 and amend section 383-7(1), Hawaii Revised Statutes (HRS).

JUSTIFICATION: Both of the coverage proposals in this bill will render state law consistent with federal law. The proposal for Indian tribe workers is needed because federal law requires states with "Indian tribes" to implement the requirements created by the CAA. The services performed in the employ of tribes must be covered under state law and tribes must be offered the reimbursement option. One recognized Indian tribe is currently doing business in Hawaii and is subject to the CAA requirements under a stipulated agreement reached in March 2006. Without this statutory change, the state unemployment insurance (UI) law will be out of compliance with the FUTA law on required coverage and equal treatment provisions and employers in the state will not be able to receive credit

against the FUTA tax. The federal administrative grants to operate the UI program in Hawaii will also be in jeopardy.

While the proposal to exclude alien agricultural workers is optional to states, consistency with the federal law creates less confusion for employers. Even if the services performed by alien agricultural workers are excluded, federal law dictates that such services must continue to be included in determining the size of the firm.

Impact on the public: If Hawaii law does not conform to federal law, employers will be subject to higher federal payroll taxes if the FUTA tax offset credit is lost. In addition, if Hawaii loses its federal administrative grant of \$13 million, all UI offices will shutdown and unemployed workers would be unable to file for unemployment insurance benefits unless state funds are available to continue operations.

Impact on the department and other agencies: There should be minimal impact on the UI trust fund as very few Indian tribes are expected to do business in Hawaii and the number of alien contract workers is not substantial.

GENERAL FUND: None.

OTHER FUNDS: Federal.
