# A BILL FOR AN ACT

RELATING TO HEALTH INSURANCE.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1           SECTION 1. (a) The legislature finds that access to  
2 affordable health insurance is one of the State's most pressing  
3 concerns. According to the Hawaii uninsured project, about one  
4 hundred, twenty thousand Hawaii residents, or ten per cent of  
5 the State's population, are without health insurance.

6           The legislature also finds that significant portions of  
7 Hawaii's medically uninsured are individuals who are part-time  
8 or are self-employed workers. There are about two thousand,  
9 three hundred part-time workers and about eleven thousand, nine  
10 hundred and fifty self-employed workers who are uninsured.  
11 Those classes of workers are part of the gap group that is not  
12 covered under Hawaii's PrePaid Health Care Act. The PrePaid  
13 Health Care Act requires employers to provide health insurance  
14 to full-time employees, and does not require coverage for self-  
15 employed workers.

16           The Hawaii uninsured project also reports that  
17 approximately thirteen thousand, three hundred part-time workers

1 and forty-six thousand, five hundred self-employed workers  
2 currently have health insurance. Many of these workers are  
3 subscribers of individual plans provided by Hawaii's insurers.  
4 Because individual plans and group health plans with one or only  
5 a few employees are not part of larger employee pools, health  
6 insurance premiums for individual plans are generally more  
7 expensive than large group health plans. Larger employee group  
8 health plans are able to spread the health risk more effectively  
9 among their employees to better manage the cost and  
10 administration of coverage. The cost of health insurance,  
11 particularly for self-employed workers, single employee  
12 corporations or partnerships, and small business group health  
13 plans with few employees are of significant concern to Hawaii's  
14 business and general community.

15 The legislature further finds that the higher premiums of  
16 individual plans result from impediments to insurers more  
17 cost-effectively combining various health-related benefits under  
18 the same policy. The Hawaii insurance commissioner has chosen  
19 to interpret Hawaii law as prohibiting combining different types  
20 of health and sickness insurance benefits within the same  
21 policy, as a violation of the anti-bundling law, section 431:13-  
22 103(a)(4)(B), Hawaii Revised Statutes. The insurance

1 commissioner does not believe he has discretion under existing  
2 law to allow combining of benefits or other measures to  
3 encourage cost-effective policies for self-employed workers and  
4 small businesses. The legislature is concerned by the effect of  
5 this interpretation, as the public would benefit from having  
6 access to health plans that would cover the broadest possible  
7 benefits, including but not limited to medical, hospital,  
8 surgical, vision, dental, drug, accidental death and  
9 dismemberment, naturopathy, and chiropractic, as well as other  
10 forms of permissible benefits.

11 Moreover, numerous other Hawaii laws and regulations  
12 already allow or require combining numerous different  
13 health-related benefits within an insurance policy. For  
14 example, employer group plans may include medical care, drugs,  
15 and restorative appliances, under section 393-3(6)(A), Hawaii  
16 Revised Statutes; and employer group plans must include both  
17 medical coverage and certain drug coverage, under sections  
18 432:1-604.5, 431:10A-116.6(b), and 431M-4(b)(1), Hawaii Revised  
19 Statutes;

20 Without allowing combined benefits in one policy, the cost  
21 of coverage for each and every health benefit option results in  
22 higher premiums. These problems can become particularly severe

1 for single or few employee and sole proprietor plans, due to  
2 adverse selection problems. The cost of administering many  
3 different health insurance policies to achieve broad health  
4 coverage creates an unnecessary increase in costs and premiums  
5 for health insurance. Providing a combined health benefits  
6 package, where insurers have the ability to aggregate costs and  
7 risks for a larger pool of combined benefits, may result in  
8 lower health insurance premiums and broader health coverage for  
9 Hawaii's consumers. Accordingly, this Act provides the  
10 insurance division in the department of commerce and consumer  
11 affairs with the authority and duty to allow broader  
12 combinations of insurance benefits in Hawaii.

13 (b) The legislature finds that many of Hawaii's small  
14 insurers provide coverage to individuals, self-employed workers,  
15 and small business group plans with one or few employees. The  
16 public interest is served by promoting vigorous competition  
17 within the health insurance market. Expanded coverage options  
18 and lower premiums resulting from combining insurance benefits  
19 under a single policy provided by small insurers can not only  
20 benefit consumers but increase competition in Hawaii.

21 The legislature also finds that comparable federal  
22 antitrust laws regarding anti-bundling only apply to companies

1 which occupy thirty per cent or more of the market. In the  
2 seminal decision of *Jefferson Parish Hospital v. Hyde*, 466 U.S.  
3 2 (1984), the United States Supreme Court in applying the  
4 Sherman Act concluded that Jefferson hospital had no market  
5 power with an assumed market share of thirty per cent and  
6 therefore its bundling arrangement was not unlawful. See  
7 *Hovenkamp*, Federal Antitrust Policy (3d edition, 2005) 402; *Hack*  
8 *v. President and Fellows of Yale College*, 237 F.3d 81 (2d Cir.  
9 2000); *Marts v. Xerox*, 77 F.3d 1109, 1113 n.6 (8th Cir. 1996)  
10 (18% too small); *Shafi v. St. Francis Hosp.*, 937 F.2d 603 (4th  
11 Cir. 1991) (11% insufficient); *Grappone, Inc. v. Subarus of New*  
12 *England, Inc.*, 858 F.2d 792, 797 (1st Cir. 1988) (recognizing a  
13 general rule of at least 30%). Hence, federal antitrust law  
14 reflects the overarching policy and recognition that small  
15 insurers are essential in providing consumers with coverage  
16 options, and that they operate under more significant market  
17 constraints than larger insurers.

18 (c) In accordance with federal antitrust law, the purpose  
19 of this Act is to:

20 (1) Enable small insurers that occupy less than thirty per  
21 cent of the health insurance market to provide the  
22 broadest healthcare coverage at the lowest possible

1 rates by permitting different types of insurance to be  
2 combined into a single unified policy; and

3 (2) Encourage broader coverage of sole proprietors and  
4 other employer groups with only one employee.

5 SECTION 2. Section 431:2-201.5, Hawaii Revised Statutes,  
6 is amended by amending subsection (c) to read as follows:

7 "(c) All group health issuers shall offer all small group  
8 health plans to all small employers whose employees live, work,  
9 or reside in the group health issuer's service areas; provided  
10 that the commissioner may exempt a group health issuer if the  
11 commissioner determines that the group health issuer does not  
12 have the capacity to deliver services adequately to enrollees of  
13 additional groups given its obligation to existing employer  
14 groups[-]; and provided further that the commissioner shall  
15 exempt from this section group health plans offered to small  
16 employer groups that employ only one employee, if the group  
17 health insurer offers the groups at least one small group health  
18 plan that meets the requirements of chapter 393."

19 SECTION 3. Section 431:13-103, Hawaii Revised Statutes, is  
20 amended by amending subsection (a) to read as follows:

1           "(a) The following are defined as unfair methods of  
2 competition and unfair or deceptive acts or practices in the  
3 business of insurance:

4           (1) Misrepresentations and false advertising of insurance  
5 policies. Making, issuing, circulating, or causing to  
6 be made, issued, or circulated, any estimate,  
7 illustration, circular, statement, sales presentation,  
8 omission, or comparison which:

- 9           (A) Misrepresents the benefits, advantages,  
10 conditions, or terms of any insurance policy;
- 11           (B) Misrepresents the dividends or share of the  
12 surplus to be received on any insurance policy;

15 any insurance policy;

21 class of insurance policies misrepresenting the  
22 true nature thereof;

2 inducing or tending to induce the lapse,  
3 forfeiture, exchange, conversion, or surrender of  
4 any insurance policy;

6 effecting a pledge or assignment of or effecting  
7 a loan against any insurance policy;

11 without publishing or advertising with equal  
12 conspicuousness the liabilities of the insurer,  
13 both as shown by its last annual statement; or

15 insurer without stating specifically the amount  
16 of paid-in and subscribed capital;
- 17 (2) False information and advertising generally. Making,  
18 publishing, disseminating, circulating, or placing  
19 before the public, or causing, directly or indirectly,  
20 to be made, published, disseminated, circulated, or

22 other publication, or in the form of a notice,

1 circular, pamphlet, letter, or poster, or over any  
2 radio or television station, or in any other way, an  
3 advertisement, announcement, or statement containing  
4 any assertion, representation, or statement with

7 business, which is untrue, deceptive, or misleading;

8 (3) Defamation. Making, publishing, disseminating, or

12 statement or any pamphlet, circular, article, or  
13 literature which is false, or maliciously critical of  
14 or derogatory to the financial condition of an  
15 insurer, and which is calculated to injure any person  
16 engaged in the business of insurance;

17 (4) Boycott, coercion, and intimidation.

18 (A) Entering into any agreement to commit, or by any

21 in unreasonable restraint of, or monopoly in, the  
22 business of insurance; or

1 (B) Entering into any agreement on the condition,  
2 agreement, or understanding that a policy will  
3 not be issued or renewed unless the prospective  
4 insured contracts for another class or an  
5 additional policy of the same class of insurance  
6 with the same insurer; provided that this  
7 subsection shall not apply to any accident and  
8 sickness insurer with less than a thirty per cent  
9 market share;

10 (5) False financial statements.

11 (A) Knowingly filing with any supervisory or other  
12 public official, or knowingly making, publishing,  
13 disseminating, circulating, or delivering to any  
14 person, or placing before the public, or  
15 knowingly causing, directly or indirectly, to be  
16 made, published, disseminated, circulated,  
17 delivered to any person, or placed before the

2           condition or into any of its affairs, or any  
3           public official to whom the insurer is required  
4           by law to report, or who has authority by law to  
5           examine into its condition or into any of its  
6           affairs, or, with like intent, knowingly omitting  
7           to make a true entry of any material fact  
8           pertaining to the business of the insurer in any  
9           book, report, or statement of the insurer;

10       (6) Stock operations and advisory board contracts.

16           contracts of any kind promising returns and profits as  
17           an inducement to insurance;

18       (7) Unfair discrimination.

19           (A) Making or permitting any unfair discrimination  
20           between individuals of the same class and equal  
21           expectation of life in the rates charged for any

1 in the dividends or other benefits payable  
2 thereon, or in any other of the terms and  
3 conditions of the contract;

4 (B) Making or permitting any unfair discrimination in  
5 favor of particular individuals or persons, or  
6 between insureds or subjects of insurance having  
7 substantially like insuring, risk, and exposure  
8 factors, or expense elements, in the terms or  
9 conditions of any insurance contract, or in the  
10 rate or amount of premium charge therefor, or in  
11 the benefits payable or in any other rights or  
12 privilege accruing thereunder;

13 (C) Making or permitting any unfair discrimination  
14 between individuals or risks of the same class  
15 and of essentially the same hazards by refusing  
16 to issue, refusing to renew, canceling, or  
17 limiting the amount of insurance coverage on a  
18 property or casualty risk because of the  
19 geographic location of the risk, unless:

20 (i) The refusal, cancellation, or limitation is  
21 for a business purpose which is not a mere  
22 pretext for unfair discrimination; or

- 1           (ii) The refusal, cancellation, or limitation is  
2                       required by law or regulatory mandate;
- 3           (D) Making or permitting any unfair discrimination  
4                       between individuals or risks of the same class  
5                       and of essentially the same hazards by refusing  
6                       to issue, refusing to renew, canceling, or  
7                       limiting the amount of insurance coverage on a  
8                       residential property risk, or the personal  
9                       property contained therein, because of the age of  
10                      the residential property, unless:
- 11           (i) The refusal, cancellation, or limitation is  
12                      for a business purpose which is not a mere  
13                      pretext for unfair discrimination; or
- 14           (ii) The refusal, cancellation, or limitation is  
15                      required by law or regulatory mandate;
- 16           (E) Refusing to insure, refusing to continue to  
17                      insure, or limiting the amount of coverage  
18                      available to an individual because of the sex or  
19                      marital status of the individual; however,  
20                      nothing in this subsection shall prohibit an  
21                      insurer from taking marital status into account

1 for the purpose of defining persons eligible for  
2 dependent benefits;

3 (F) Terminating or modifying coverage, or refusing to  
4 issue or renew any property or casualty policy or  
5 contract of insurance solely because the  
6 applicant or insured or any employee of either is  
7 mentally or physically impaired; provided that  
8 this subparagraph shall not apply to accident and  
9 health or sickness insurance sold by a casualty  
10 insurer; provided further that this subparagraph  
11 shall not be interpreted to modify any other  
12 provision of law relating to the termination,  
13 modification, issuance, or renewal of any  
14 insurance policy or contract;

15 (G) Refusing to insure, refusing to continue to  
16 insure, or limiting the amount of coverage  
17 available to an individual based solely upon the  
18 individual's having taken a human  
19 immunodeficiency virus (HIV) test prior to  
20 applying for insurance; or

21 (H) Refusing to insure, refusing to continue to  
22 insure, or limiting the amount of coverage

1 available to an individual because the individual  
2 refuses to consent to the release of information  
3 which is confidential as provided in section 325-  
4 101; provided that nothing in this subparagraph  
5 shall prohibit an insurer from obtaining and  
6 using the results of a test satisfying the  
7 requirements of the commissioner, which was taken  
8 with the consent of an applicant for insurance;  
9 provided further that any applicant for insurance  
10 who is tested for HIV infection shall be afforded  
11 the opportunity to obtain the test results,  
12 within a reasonable time after being tested, and  
13 that the confidentiality of the test results  
14 shall be maintained as provided by section 325-  
15 101;

16 (8) Rebates. Except as otherwise expressly provided by  
17 law:

18 (A) Knowingly permitting or offering to make or  
19 making any contract of insurance, or agreement as  
20 to the contract other than as plainly expressed  
21 in the contract, or paying or allowing, or giving  
22 or offering to pay, allow, or give, directly or

1 indirectly, as inducement to the insurance, any  
2 rebate of premiums payable on the contract, or  
3 any special favor or advantage in the dividends  
4 or other benefits, or any valuable consideration  
5 or inducement not specified in the contract; or

6 (B) Giving, selling, or purchasing, or offering to  
7 give, sell, or purchase as inducement to the  
8 insurance or in connection therewith, any stocks,  
9 bonds, or other securities of any insurance  
10 company or other corporation, association, or  
11 partnership, or any dividends or profits accrued  
12 thereon, or anything of value not specified in  
13 the contract;

14 (9) Nothing in paragraph (7) or (8) shall be construed as  
15 including within the definition of discrimination or  
16 rebates any of the following practices:

17 (A) In the case of any contract of life insurance or  
18 life annuity, paying bonuses to policyholders or  
19 otherwise abating their premiums in whole or in  
20 part out of surplus accumulated from  
21 nonparticipating insurance; provided that any  
22 bonus or abatement of premiums shall be fair and

- 1 equitably to policyholders and in the best  
2 interests of the insurer and its policyholders;
- 3 (B) In the case of life insurance policies issued on  
4 the industrial debit plan, making allowance to  
5 policyholders who have continuously for a  
6 specified period made premium payments directly  
7 to an office of the insurer in an amount which  
8 fairly represents the saving in collection  
9 expense;
- 10 (C) Readjustment of the rate of premium for a group  
11 insurance policy based on the loss or expense  
12 experience thereunder, at the end of the first or  
13 any subsequent policy year of insurance  
14 thereunder, which may be made retroactive only  
15 for the policy year; and
- 16 (D) In the case of any contract of insurance, the  
17 distribution of savings, earnings, or surplus  
18 equitably among a class of policyholders, all in  
19 accordance with this article;
- 20 (10) Refusing to provide or limiting coverage available to  
21 an individual because the individual may have a third-  
22 party claim for recovery of damages; provided that:

- 1 (A) Where damages are recovered by judgment or  
2 settlement of a third-party claim, reimbursement  
3 of past benefits paid shall be allowed pursuant  
4 to section 663-10;
- 5 (B) This paragraph shall not apply to entities  
6 licensed under chapter 386 or 431:10C; and
- 7 (C) For entities licensed under chapter 432 or 432D:
- 8 (i) It shall not be a violation of this section  
9 to refuse to provide or limit coverage  
10 available to an individual because the  
11 entity determines that the individual  
12 reasonably appears to have coverage  
13 available under chapter 386 or 431:10C; and
- 14 (ii) Payment of claims to an individual who may  
15 have a third-party claim for recovery of  
16 damages may be conditioned upon the  
17 individual first signing and submitting to  
18 the entity documents to secure the lien and  
19 reimbursement rights of the entity and  
20 providing information reasonably related to  
21 the entity's investigation of its liability  
22 for coverage.

1 Any individual who knows or reasonably should  
2 know that the individual may have a third-party  
3 claim for recovery of damages and who fails to  
4 provide timely notice of the potential claim to  
5 the entity, shall be deemed to have waived the  
6 prohibition of this paragraph against refusal or  
7 limitation of coverage. "Third-party claim" for  
8 purposes of this paragraph means any tort claim  
9 for monetary recovery or damages that the  
10 individual has against any person, entity, or  
11 insurer, other than the entity licensed under  
12 chapter 432 or 432D;

13 (11) Unfair claim settlement practices. Committing or  
14 performing with such frequency as to indicate a  
15 general business practice any of the following:

16 (A) Misrepresenting pertinent facts or insurance  
17 policy provisions relating to coverages at issue;

18 (B) With respect to claims arising under its  
19 policies, failing to respond with reasonable  
20 promptness, in no case more than fifteen working  
21 days, to communications received from:

22 (i) The insurer's policyholder;

- 1 (ii) Any other persons, including the  
2 commissioner; or
- 3 (iii) The insurer of a person involved in an  
4 incident in which the insurer's policyholder  
5 is also involved.
- 6 The response shall be more than an acknowledgment  
7 that such person's communication has been  
8 received, and shall adequately address the  
9 concerns stated in the communication;
- 10 (C) Failing to adopt and implement reasonable  
11 standards for the prompt investigation of claims  
12 arising under insurance policies;
- 13 (D) Refusing to pay claims without conducting a  
14 reasonable investigation based upon all available  
15 information;
- 16 (E) Failing to affirm or deny coverage of claims  
17 within a reasonable time after proof of loss  
18 statements have been completed;
- 19 (F) Failing to offer payment within thirty calendar  
20 days of affirmation of liability, if the amount  
21 of the claim has been determined and is not in  
22 dispute;

- 1 (G) Failing to provide the insured, or when  
2 applicable the insured's beneficiary, with a  
3 reasonable written explanation for any delay, on  
4 every claim remaining unresolved for thirty  
5 calendar days from the date it was reported;
- 6 (H) Not attempting in good faith to effectuate  
7 prompt, fair, and equitable settlements of claims  
8 in which liability has become reasonably clear;
- 9 (I) Compelling insureds to institute litigation to  
10 recover amounts due under an insurance policy by  
11 offering substantially less than the amounts  
12 ultimately recovered in actions brought by the  
13 insureds;
- 14 (J) Attempting to settle a claim for less than the  
15 amount to which a reasonable person would have  
16 believed the person was entitled by reference to  
17 written or printed advertising material  
18 accompanying or made part of an application;
- 19 (K) Attempting to settle claims on the basis of an  
20 application which was altered without notice,  
21 knowledge, or consent of the insured;

- 1 (L) Making claims payments to insureds or  
2 beneficiaries not accompanied by a statement  
3 setting forth the coverage under which the  
4 payments are being made;
- 5 (M) Making known to insureds or claimants a policy of  
6 appealing from arbitration awards in favor of  
7 insureds or claimants for the purpose of  
8 compelling them to accept settlements or  
9 compromises less than the amount awarded in  
10 arbitration;
- 11 (N) Delaying the investigation or payment of claims  
12 by requiring an insured, claimant, or the  
13 physician of either to submit a preliminary claim  
14 report and then requiring the subsequent  
15 submission of formal proof of loss forms, both of  
16 which submissions contain substantially the same  
17 information;
- 18 (O) Failing to promptly settle claims, where  
19 liability has become reasonably clear, under one  
20 portion of the insurance policy coverage to  
21 influence settlements under other portions of the  
22 insurance policy coverage;

- 1 (P) Failing to promptly provide a reasonable  
2 explanation of the basis in the insurance policy  
3 in relation to the facts or applicable law for  
4 denial of a claim or for the offer of a  
5 compromise settlement; and
- 6 (Q) Indicating to the insured on any payment draft,  
7 check, or in any accompanying letter that the  
8 payment is "final" or is "a release" of any claim  
9 if additional benefits relating to the claim are  
10 probable under coverages afforded by the policy;  
11 unless the policy limit has been paid or there is  
12 a bona fide dispute over either the coverage or  
13 the amount payable under the policy;
- 14 (12) Failure to maintain complaint handling procedures.  
15 Failure of any insurer to maintain a complete record  
16 of all the complaints which it has received since the  
17 date of its last examination under section 431:2-302.  
18 This record shall indicate the total number of  
19 complaints, their classification by line of insurance,  
20 the nature of each complaint, the disposition of these  
21 complaints, and the time it took to process each  
22 complaint. For purposes of this section, "complaint"

1 means any written communication primarily expressing a  
2 grievance; and

3 (13) Misrepresentation in insurance applications. Making  
4 false or fraudulent statements or representations on
