
A BILL FOR AN ACT

RELATING TO EDUCATION.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The federal Individuals with Disabilities
2 Education Act requires that each state establish and maintain a
3 state advisory panel on the education of children with
4 disabilities. The Act further states that the advisory panel
5 must be appointed by the governor or any other official
6 authorized under state law to make those appointments; provided
7 that if a state has an existing advisory panel that can perform
8 the required functions, the state may modify the existing panel
9 so that it fulfills all of the requirements, instead of
10 establishing a new advisory panel. In Hawaii, the advisory
11 panel is the Special Education Advisory Council, and members are
12 appointed by the superintendent of education.

13 The purpose of this Act is to establish the special
14 education advisory council in chapter 302A, Hawaii Revised
15 Statutes, with members to be appointed by the governor.

12 (c) A quorum shall consist of one-half of the current
13 membership. Members who are absent without prior notice two

16 without prior notification shall result in a recommendation to
17 the governor that the person's membership be terminated and a

19 council shall submit a written notice to the chairperson who
