Report Title:

Exemption to Exemptions from Procurement Code.

Description:

To add the exemption from the State's procurement code for special purpose revenue bonds issued for not-for-profit private organizations, for-profit private organizations, and public instrumentalities and their qualified affiliates in the development of low- and moderate-income housing and for agricultural enterprises serving important agricultural lands.

HB 3077

JUSTIFICATION SHEET

DEPARTMENT: Budget and Finance

TITLE: A BILL FOR AN ACT RELATING TO EXEMPTIONS FROM PROCUREMENT CODE.

PURPOSE: To add the exemption from the State's procurement code for special purpose revenue bonds issued for not-for-profit private organizations, for-profit private organizations, and public instrumentalities and their qualified affiliates in the development of low- and moderate-income housing and for agricultural enterprises serving important agricultural lands.

MEANS: Amend sections 39A-282 and 39A-312, Hawaii Revised Statutes.

JUSTIFICATION: Special purpose revenue bonds issued to assist not-for-profit health care facilities providing health care to the general public, manufacturing, processing and industrial enterprises, utilities serving the general public, early childhood education and care facilities providing services to the general public, and not-for-profit sectarian and nonsectarian elementary and secondary schools, and colleges and universities serving the general public, are currently exempt from the State's procurement code. The exemption from the procurement code is warranted since the issuance of special purpose revenue bonds does not involve the expenditure of public funds.

Special purpose revenue bonds issued to assist in the development of low- and moderate-income housing programs and to assist agricultural enterprises serving important agricultural lands also do not involve the expenditure of public funds. The financing of such programs with special purpose revenue bonds should not be subject to the State's procurement code.

HB 9077

Impact on the public: The exemption from procurement may encourage the private sector to develop affordable housing and to assist agricultural enterprises serving important agricultural lands.

Impact on the department and other agencies: The exemption from procurement will reduce administrative oversight for the procurement of contractors and expedite the process of issuing bonds, the fees and costs for which do not involve the expenditure of public funds.

OTHER FUNDS: None.

DESIGNATION: BUF-115.

OTHER AFFECTED
