
A BILL FOR AN ACT

RELATING TO INVESTIGATORS OF THE DEPARTMENT OF HUMAN SERVICES.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that for the State to
2 comply with the settlement agreement between the State and the
3 United States Department of Justice concerning conditions at the
4 Hawaii youth correctional facility, the State must be able to
5 administratively investigate incidents of use of force, staff-
6 on-youth violence, serious youth-on-youth violence,
7 inappropriate staff relationships with youth, sexual misconduct
8 between youth, and abusive institutional practices at the Hawaii
9 youth correctional facility.

10 Although pursuant to section 346-4.5, Hawaii Revised
11 Statutes, the director of human services has broad authority to
12 appoint and commission investigators and those investigators are
13 authorized to access information maintained by any state or
14 county entity, the statute is not clear that such investigators
15 have the authority to access information necessary to
16 investigate incidents at the Hawaii youth correctional facility.
17 Some records that may be necessary to a particular investigation

1 may be maintained and in the custody of agencies such as the
2 department of education and the department of health.

3 The purpose of this Act is to authorize investigators
4 appointed and commissioned by the director of human services to
5 access all information necessary to investigate incidents at the
6 Hawaii youth correctional facility.

7 SECTION 2. Section 346-4.5, Hawaii Revised Statutes, is
8 amended to read as follows:

1 commission, authority, or committee of the State or its

Report Title:

Office of Youth Services; Administrative investigators

Description:

Allows the Department of Human Services to appoint and commission an administrative investigator for the Office of Youth Services, pursuant to a memorandum of agreement with the U.S. Department of Justice.

JUSTIFICATION SHEET

DEPARTMENT: Human Services

TITLE: A BILL FOR AN ACT RELATING TO INVESTIGATORS OF THE DEPARTMENT OF HUMAN SERVICES.

PURPOSE: To allow the Director to appoint and commission an administrative investigator for the Office of Youth Services.

MEANS: Amend section 346-4.5, Hawaii Revised Statutes.

JUSTIFICATION: The Office of Youth Services (OYS) established an administrative investigator position to respond to a requirement of the Memorandum of Agreement between the United States Department of Justice and the State of Hawaii concerning conditions at the Hawaii Youth Correctional Facility (HYCF). In order to carry out the duties of the position and to ensure credibility as a witness in official proceedings, it is important to have the investigator commissioned to have the powers and authority of a law enforcement officer, except to carry firearms.

Section 346-4.5, Hawaii Revised Statutes (HRS), authorizes the Director of the Department of Human Services (DHS) to appoint and commission investigators for the purposes of investigating crime relating to public assistance, locating absent parents, and obtaining and enforcing court orders of support. It is unclear, though, whether that authority can be extended to investigating incidents at HYCF. To avoid any potential legal challenge to the law enforcement powers of the OYS investigator, it is recommended the law be amended so that it is explicit that the DHS Director may appoint and commission investigators as law enforcement personnel for HYCF investigations.
