
A BILL FOR AN ACT

RELATING TO GOVERNMENT SERVICES.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. In 2001, the legislature found that it was
2 important for state and county government to have the ability to
3 deliver services by the most efficient means possible, and that
4 such flexibility can have a positive impact upon both the public
5 and private sectors of our economy.

6 The legislature also found that it was important to address
7 and resolve the uncertainty created by the Hawaii supreme
8 court's decision in *Konno v. County of Hawaii*, 85 Haw. 61 (1997)
9 regarding government's ability to rely upon the private sector
10 for services government needs or is required to provide.

11 With the sunseting of part II of Act 90, Session Laws of
12 Hawaii 2001, in June 2007, this uncertainty has now returned and
13 once again the basic authority of state and county government to
14 deliver public services has been called into question.

15 The legislature remains committed to the principle that
16 government should have the ability to deliver services by the
17 most efficient means possible and, toward this end, to rely upon
18 contracting arrangements where appropriate for needed or

1 required government services. The legislature also finds that it
2 is desirable to the government and to the general public to
3 limit the disruption of such.

4 Accordingly, the purpose of this Act is to address the
5 uncertainty and disruption created by the sunseting of part II
6 of Act 90, Session Laws of Hawaii 2001, and to enable the
7 governor and the executives of other jurisdictions to utilize
8 appropriate contracting arrangements to provide government
9 services more efficiently.

10 SECTION 2. The Hawaii Revised Statutes is amended by
11 adding a new chapter to be appropriately designated and to read
12 as follows:

13 **"CHAPTER**

14 **CONTRACTS WITH NON-GOVERNMENT ENTITIES**

15 **§ -1 Scope and application.** This chapter preempts and
16 supersedes all other state law with regard to determining
17 whether services, including services obtained in conjunction
18 with the procurement of goods and construction, funded by the
19 State or any of its counties, should be provided exclusively by
20 government or obtained through government contracts from the
21 private sector. Procurement laws shall be applied, as
22 appropriate, if a determination is made pursuant to this chapter

1 that a service should be obtained by contract from the private
2 sector.

3 **§ -2 Determination; standards.** (a) Notwithstanding any
4 law to the contrary, including chapters 46, 76, 77, 78, 89, and
5 89A, any other applicable civil service law, customary or
6 historical past practices, or the fact that the services
7 hereinafter described may have been performed by persons or
8 positions in civil service, any state or county official in whom
9 procurement authority is vested by law may enter into a contract
10 financed by public funds, with a private entity to obtain
11 services, including services provided in conjunction with the
12 procurement of goods or construction, from a private entity,
13 when there is reasonable basis to believe that the service of
14 equivalent or better quality than that which could be provided
15 by a government agency can be provided at lower cost.

16 (b) For purposes of this chapter, a "private entity" is
17 any individual, company, or organization that is not an employee
18 or agency within the federal, state, or county government.

19 (c) In the determination made pursuant to this chapter,
20 the state or county official shall consider whether contracting
21 with the private entity will:

- 1 (1) Jeopardize the government's ability to provide the
2 service if the private entity fails to perform, or the
3 contract becomes unprofitable or impossible for a
4 private entity to perform;
- 5 (2) Impact on any employee covered by civil service laws;
6 provided that the impact shall not prevent the
7 procurement of services pursuant to this chapter;
- 8 (3) Affect the nature of the service the agency needs,
9 including whether:
 - 10 (A) The service is self-contained or part of a larger
11 service delivery system;
 - 12 (B) The service is geographically dispersed;
 - 13 (C) The service is a core or ancillary government
14 service and if in-house resources are available
15 or needed;
 - 16 (D) Government control is necessary;
 - 17 (E) Government accountability can be shared; and
 - 18 (F) Governmental authority will be diluted;
- 19 (4) Increase the potential for achieving cost savings,
20 including:

- 1 (A) The need to abandon or repurchase capital
2 improvements or equipment that are not fully
3 depreciated;
- 4 (B) The extent to which the service is available in
5 the private sector marketplace; and
- 6 (C) The extent to which federal or state restrictions
7 may reduce private sector interest in providing
8 or performing the needed or required service; and
- 9 (5) Affect the extent to which the services are needed or
10 required, and how the criteria to select a service
11 provider can be described in objective specifications.

12 **§ -3 Annual reports.** Except for the judiciary, each
13 state and county department and agency that uses the contracting
14 process set out in this chapter, shall submit a report to the
15 legislature no later than twenty days prior to the convening of
16 the regular session of each year beginning with 2008. The
17 report shall include:

- 18 (1) An itemization of all services that were outsourced or
19 subjected to the processes set out in this chapter;
- 20 (2) The agency's or department's justification that
21 standards for determination were met;

1 (3) The cost of services obtained through the process set
2 out in this chapter;

3 (4) A copy of all contracts entered into under this
4 chapter; and

5 (5) A confirmation that civil service employees were not
6 displaced as a consequence of this chapter."

7 SECTION 3. Chapter 76-77, Hawaii Revised Statutes, is
8 amended to read as follows:

9 "**§76-77 Civil service and exemptions.** The civil service
10 to which this part applies comprises all positions in the public
11 service of each county, now existing or hereafter established,
12 and embraces all personal services performed for each county,

20 service procedures; provided that no contract pursuant
21 to this paragraph shall be for any period exceeding
22 one year;
