Report Title:

Commercial Drivers License; Highway; Safety

Description:

Conforms Hawaii to federal law by closing a loophole that allows individuals convicted of driving under the influence to operate a commercial vehicle on a restructured commercial driver's license.

JUSTIFICATION SHEET

DEPARTMENT: Transportation

TITLE: A BILL FOR AN ACT RELATING TO COMMERCIAL DRIVERS.

PURPOSE: To conform court-issued license to drive law to the federal commercial driver licensing law for consistency with section 286-236, Hawaii Revised Statutes (HRS)

MEANS: Amend section 291E-61(b), Hawaii Revised Statutes

JUSTIFICATION: The intent of the proposed change is to meet the requirements of a federal regulation (49 CFR §384.210) and improve enforcement by specifying wording in this section. Currently, wording in section 286-236(d), HRS, to address this federal regulation has proven to be inadequate. In addition, for consistency, this change will apply to drivers with a category four driver's license who operate commercial vehicles.

The court-issued license to drive law allows the CDL driver a hardship license which is prohibited in the CDL program under 49 C.F.R. §384.210. This practice allows an unsafe commercial driver to continue to pose a risk to motorists and other roadway users by allowing the unsafe commercial driver continued operation on the highway. Legislation is needed to limit this restricted license to non-CDL holders and bring state practice into compliance with the CDL requirement for identifying and removing drivers whose violations warrant such action.

Failure to enact the changes required in the FMCSA regulation could result in the loss of approximately \$4,700,000 (or 5 percent) of federal-aid highway funds (based on fiscal year 2006-2007 funding) for the first year of non-compliance and \$9,500,000 (or 10 percent) per year thereafter Motor Carrier Safety Assistance Program (MCSAP) grant funds (\$700,302 in fiscal year 2006-2007) could

also be withheld for each year of noncompliance.

Impact on the public:

Any holder of commercial driver's license or category four driver's license will not be allowed to drive a commercial motor vehicle for work related purposes after being convicted of operating a vehicle under the influence of an intoxicant.

Impact on the department and other agencies:

The court will be affected by this legislation.
