Report Title:

University of Hawaii; Commercial Enterprise

Description:

Authorizes the transfer of all University funds with the exception of general funds, into the University of Hawaii Commercial Enterprise Revolving Fund.

JUSTIFICATION SHEET

DEPARTMENT: University of Hawaii

TITLE: A BILL FOR AN ACT RELATING TO THE UNIVERSITY OF HAWAII.

PURPOSE: To provide additional capability to develop and establish commercial enterprises of the University authorized by section 304A-113, Hawaii Revised Statutes, by the reinstatement of wording authorizing the transfer of all University funds, with the exception of general funds, into the University of Hawaii Commercial Enterprises Revolving Fund to finance the establishment of new enterprises.

MEANS: Amend section 304A-2251, Hawaii Revised Statutes.

JUSTIFICATION: Act 193, Session Laws of Hawaii 2001, authorized the use of all University funds except general funds to be used to finance the establishment of new enterprises. This provision was sunsetted on June 30, 2004.

The current wording of section 304A-2251 does not contain a provision for financing the establishment of new enterprises. This limits the use of this fund to take advantage of commercial opportunities. Revenues derived from commercial activities will be used for the general benefit of the University of Hawaii.

Impact on the public: Income from commercial activities will be used to supplement state funds. The potential public benefit will be a University with increased fiscal self-sufficiency.

Impact on the department and other agencies: The University needs to develop alternative revenue sources and resources to more

effectively carry out its mission of teaching, research, and public service. Commercial enterprises provide the opportunity to enhance the University's financial status.

GENERAL FUNDS: None.
