
A BILL FOR AN ACT

MAKING AN APPROPRIATION FOR THE HONOLULU SYMPHONY AND ITS
PROGRAMS.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that the Honolulu
2 Symphony, founded in 1900, is one of the 12 oldest symphony
3 orchestras in the United States and the oldest American symphony
4 orchestra west of the Rocky Mountains. The Honolulu Symphony
5 has established a rich and illustrious legacy as one of Hawaii's
6 great cultural, educational, and entertainment resources, and it
7 is a cornerstone of performing arts in Hawaii. As Hawaii's only
8 professional full-time orchestra, the Honolulu Symphony plays an
9 essential role in the cultural vitality of our state with its
10 youth music education program and community engagement mission
11 for the enrichment of thousands of students, residents, and
12 visitors each year.

13 The legislature further finds that the Honolulu Symphony
14 brings music into the lives of over 20,000 youth and their
15 families through education and community outreach programs,
16 which promote a love of music and music-making in our island
17 communities. With a national and local focus on education, the

1 legislature finds it essential that support be provided to the
2 Honolulu Symphony to enhance its ability to continue offering
3 affordable youth music education concerts, free in-school
4 ensemble performances, free residencies and resource teachers,
5 free music education curriculum, free student composition
6 reading for college-level student composers, free master classes
7 for vocal students, and free community engagement concerts for
8 the general public.

9 The legislature, through the provisions of Act 97, Session
10 Laws of Hawaii 2006, and Act 156, Session Laws of Hawaii 2007,
11 provided public support for the Honolulu Symphony by
12 appropriating \$4,000,000 to the State of Hawaii endowment fund,
13 from which the income and capital gains earned from that public
14 investment are to be used by the symphony, provided that the
15 funds are matched by private funds or pledges.

16 The purpose of this Act is to appropriate to the Honolulu
17 Symphony the funds as may be necessary to meet the symphony's
18 attendant fiscal obligations, pending the resolution of any
19 problems that preclude the state foundation on culture and the
20 arts from fulfilling its obligations as expressed by the
21 provisions of Act 97, Session Laws of Hawaii 2006, and Act 156,
22 Session Laws of Hawaii 2007. It is further the intent of the

1 legislature that these funds shall be used to assist the
2 symphony in meeting its payroll obligations to the symphony's
3 musicians and to provide fiscal support to the symphony for its
4 administration and programs, including marketing,
5 communications, and youth education.

6 SECTION 2. There is appropriated out of the general
7 revenues of the State of Hawaii the sum of \$ or so much
8 thereof as may be necessary for fiscal year 2008-2009 to meet
9 the shortfall in funding for the operations of the Honolulu
10 Symphony and its programs.

11 The sum appropriated shall be expended by the department of
12 accounting and general services for the purposes of this Act.

13 SECTION 3. This Act shall take effect on July 1, 2020.
