
A BILL FOR AN ACT

RELATING TO THE UNIVERSITY OF HAWAII.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that, while there is much
2 to be proud of in this centennial year of the University of
3 Hawaii, much more should be done to recognize the many
4 opportunities and successes of the University of Hawaii. For
5 example, the people of Hawaii have displayed tremendous support
6 and loyalty to the University of Hawaii athletics program, which
7 has been a source of great pride and inspiration for the entire
8 state, much as professional teams are for other cities and
9 states. With the significant achievements of the University of
10 Hawaii Warrior football team, the University of Hawaii must move
11 forward especially in the areas of facilities renewal, revenue
12 generation, and compensation.

13 The legislature also finds that leveraging the University
14 of Hawaii's successes will require focused priorities and
15 consistent efforts to improve facilities throughout the ten-
16 campus system. This is an appropriate way to honor the
17 University of Hawaii's first 100 years, and will allow for the
18 university administration to address much of its facility needs

1 for both academics and athletics. A comprehensive approach is
2 needed particularly in the area of athletics to ensure that the
3 University of Hawaii is able to secure a brighter and more
4 productive second century.

5 The purpose of this Act is to honor the accomplishments of

18 SECTION 2. The director of finance is authorized to issue
19 general obligation bonds in the sum of \$ or so much thereof
20 as may be necessary and the same sum or so much thereof as may
