# A BILL FOR AN ACT

RELATING TO AGRICULTURE.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1           SECTION 1. The legislature finds that a viable agriculture  
2 industry requires a steady, reliable supply of water. However,  
3 drought conditions continue to adversely affect our farms and  
4 ranches, hampering our ability to produce quality products on a  
5 consistent basis throughout the year.

6           The legislature believes that to address the harmful impact  
7 of droughts, mitigation measures laid out in the Hawaii drought  
8 plan must be implemented. The goal of the Hawaii drought plan  
9 is to develop coordinated emergency response mechanisms while at  
10 the same time outlining steps toward mitigating the effects of  
11 future drought occurrences. The Hawaii drought plan provides  
12 clear policies and specifies response entities to implement  
13 immediate, short-term and long-term response measures to  
14 mitigate the impact of droughts.

15           The legislature also finds that in 2004, county drought  
16 committees were formed for each of the four counties in Hawaii.  
17 Each of the county drought committees developed a drought  
18 mitigation strategy for its respective county, with a focus on

1 drought mitigation projects. These county drought mitigation  
2 strategies represent the local needs and concerns of each county  
3 and are incorporated by reference into the Hawaii drought plan.

4 The legislature further finds that to implement the Hawaii  
5 drought plan adequately, sufficient funding to the counties is  
6 necessary to address the many challenges that our agriculture  
7 industry faces in preparing for droughts.

8 The purpose of this Act is to provide funding to pursue  
9 drought mitigation projects and measures in each county of the  
10 state.

11 SECTION 2. There is appropriated out of the general  
12 revenues of the State of Hawaii the sum of \$4,000,000 or so much  
13 thereof as may be necessary for fiscal year 2007-2008 for  
14 drought mitigation projects and measures in each county of the  
15 state.

16 The sum appropriated shall be expended by the department of  
17 land and natural resources for the purposes of this Act.

18 SECTION 3. This Act shall take effect on July 1, 2007

H.B. NO. 400  
H.D. 1  
S.D. 2  
C.D. 1

**Report Title:**

Drought Mitigation; Appropriation

**Description:**

Appropriates funds for drought mitigation projects in each county. (HB400 CD1)
