**REPORT Title:**  
Substance Abuse Testing

**Description:**  
Amends definitions of "substance abuse on-site screening test" and "substance abuse test". Requires that substance abuse testing be conducted according to the manufacturer's package insert. Requires an employer to send an employee for substance abuse testing within four hours of testing positive, to a laboratory licensed by the department and allows an employer to take punitive action against an employee who fails to report for laboratory testing. Requires the confidentiality of test results. Prevents discharge, suspension, or discrimination of or against any employee who tests positive for the presence of drugs, alcohol, or the metabolites of drugs under certain circumstances.
