
HOUSE CONCURRENT RESOLUTION

REQUESTING THE DEPARTMENT OF TRANSPORTATION TO DETERMINE THE EXACT COSTS OF PLANS, DESIGN, CONSTRUCTION, AND OTHER NECESSARY EXPENDITURES FOR AN OFF-ROAD BICYCLE PATH ADJACENT TO PIILANI HIGHWAY ON MAUI.

1 WHEREAS, Piilani Highway, otherwise known as Highway 31, is
2 a scenic winding highway that hugs the southern coast of Maui
3 connecting North Kihei, South Kihei, Wailea, and Makena; and
4

5 WHEREAS, residents who live in the area through which the
6 Piilani Highway traverses, as opposed to the more urbanized
7 areas on Maui such as Kahului and Wailuku, seem to have a
8 particular affinity for riding bicycles; and
9

10 WHEREAS, bikeways offer not only an efficient and non-
11 polluting alternative means of transport within the area but
12 provide riders with healthful exercise; and
13

14 WHEREAS, the construction of an off-road bicycle path
15 adjacent to Piilani Highway on the island of Maui has not gone
16 forward partly because the administration and the community are
17 unaware of the exact costs of planning, design, construction,
18 and other necessary expenditures; now, therefore,
19

20 BE IT RESOLVED by the House of Representatives of the
21 Twenty-fourth Legislature of the State of Hawaii, Regular
22 Session of 2008, the Senate concurring, that the Department of
23 Transportation is requested to determine the exact costs of
24 plans, design, construction, and other necessary expenditures
25 for an off-road bicycle path adjacent to Piilani Highway on
26 Maui; and
27

28 BE IT FURTHER RESOLVED that the Department of
29 Transportation is urged to request the Governor to provide
30 funding for this study to the extent required; and
