
HOUSE RESOLUTION

REQUESTING THE UNIVERSITY OF HAWAII SCHOOL OF SOCIAL WORK TO
STUDY THE NEGATIVE EFFECTS OF THE WORK REQUIREMENTS OF THE
TEMPORARY ASSISTANCE FOR NEEDY FAMILIES PROGRAM.

1 WHEREAS, in 1937, the Aid to Families with Dependent
2 Children program was enacted as part of the Social Security Act
3 to keep mothers at home to care for their children; and
4

5 WHEREAS, in 1996, the Aid to Dependent Children program was
6 replaced by the Temporary Assistance for Needy Families program;
7 and
8

9 WHEREAS, however, the new program instituted two major
10 policy changes: recipients could receive benefits for only five
11 years and recipients were subject to work requirements; and
12

13 WHEREAS, by 2006, number of individuals receiving public
14 assistance had decreased by sixty per cent to 4,400,000 across
15 the country; and
16

17 WHEREAS, at the same time child abuse and neglect cases in
18 Hawaii have been reported to have increased forty per cent in
19 the three years from 2000 to 2003; and
20

21 WHEREAS, when a recipient of Temporary Assistance for Needy
22 Families program benefits leaves the family to satisfy the
23 program's work requirements, additional costs are incurred for
24 child care; and
25

26 WHEREAS, program work requirements mean mothers are absent
27 from the family, leading to family life that is subject to
28 disruption and possible increases in demand for child welfare
29 services; and
30

31 WHEREAS, work requirements may even discourage continued
32 participation in the program and force mothers to exit the
33 program early, before they are fully prepared to assume complete
34 economic responsibility for their families; and
35

1 WHEREAS, it is unclear whether work requirements under the
2 Temporary Assistance for Needy Families program generate a net
3 benefit over the resulting social and other costs; now,
4 therefore,
5

6 BE IT RESOLVED by the House of Representatives of the
7 Twenty-fourth Legislature of the State of Hawaii, Regular
8 Session of 2008, that the University of Hawaii School of Social
9 Work is requested to study the negative effects of the work
10 requirements of the Temporary Assistance to Needy Families
11 program; and
12

13 BE IT FURTHER RESOLVED that the School of Social Work is
14 requested to include in its study of work requirements under the
15 Temporary Assistance for Needy Families:
16

17 (1) An examination of any increases:

23

24 (ii) Health care services for recipients as well
25 as for all clients of such services; and
26

27 (iii) Other services;
28

29 correlating with or caused by work requirements;
30

31 (B) In homelessness among those subject to work
32 requirements; and
33

34 (C) In the number of arrests or convictions,
35 including child abuse or neglect, in families
36 subject to work requirements;
37

38 (2) An examination of the rate at which recipients
39 prematurely discontinue participation in the program;
40

41 (3) A survey of program participants for their views and
42 input into program design regarding work requirements,
43 including any additional services deemed necessary;
44 and

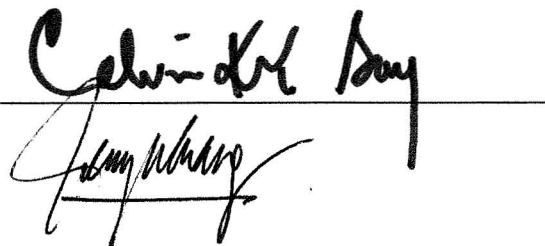

1
2 (4) Any other issues deemed relevant by the University of
3 Hawaii School of Social Work study team; and
4

5 BE IT FURTHER RESOLVED that the Director of Human Services
6 is requested to cooperate fully with and provide assistance,
7 data, and other information to the University of Hawaii School
8 of Social Work in its study; and
9

10 BE IT FURTHER RESOLVED that the University of Hawaii School
11 of Social Work is requested to report to the Legislature its
12 findings and recommendations, including any necessary proposed
13 legislation, not later than twenty days prior to the convening
14 of the Regular Session of 2009; and
15

16 BE IT FURTHER RESOLVED that certified copies of this
17 Resolution be transmitted to the Chairperson of the Board of
18 Regents of the University of Hawaii, the President of the
19 University of Hawaii, the Dean of the University of Hawaii
