## HOUSE RESOLUTION

REQUESTING THE OFFICE OF PLANNING TO PETITION THE LAND USE  
COMMISSION TO RECLASSIFY CERTAIN PARCELS ALONG THE NORTH  
KOHALA COASTLINE ON THE ISLAND OF HAWAII TO THE  
CONSERVATION DISTRICT.

1           WHEREAS, the North Kohala coastline on the island of Hawaii  
2 provides cultural, historic, and scenic benefits to the people  
3 of Hawaii; and

4  
5           WHEREAS, the significance of the North Kohala coastline  
6 lies in the important role it played in the history of the  
7 missionary, paniolo, and plantation eras; and

8  
9           WHEREAS, the North Kohala coastline is also renowned for  
10 its Lapakahi state park, an ancient Hawaiian coastal settlement,  
11 Mookini Heiau state monument, the birthplace of Kamehameha the  
12 Great, and numerous other historic and sacred native Hawaiian  
13 sites; and

14  
15           WHEREAS, in 1988, this body recognized the scenic  
16 significance of the North Kohala coastline and adopted Senate  
17 Concurrent Resolution No. 179, H.D. 1, which urged the State and  
18 County of Hawaii to work together to preserve the public view  
19 and open space makai of the Kawaihae Mahukona, Hawi road, and to  
20 discourage subdivision and building development there; and

21  
22           WHEREAS, in 2000, over 600 members of the community  
23 responded to an update of the Hawaii County Comprehensive Plan  
24 by petitioning to preserve and protect the North Kohala  
25 coastline from Kawaihae to Polulu Valley; and

26  
27           WHEREAS, in 2001, this body adopted Senate Concurrent  
28 Resolution No. 146, S.D. 1, which urged the State and County of  
29 Hawaii to collaborate with the community and residents of Kohala  
30 to develop and implement a plan that would protect the openness  
31 of the Kohala coast, preserve its valuable historic sites, and  
32 provide greater awareness and appreciation of the historic and  
33 cultural significance of the area; and

1 WHEREAS, despite years of advocating for the protection of  
2 the North Kohala coastline, the area has continued to be  
3 developed and more subdivisions are planned; and  
4

5 WHEREAS, development is permitted because of the area's  
6 current classification as agricultural land, and current zoning  
7 allowing development for low density residential uses; and  
8

9 WHEREAS, reclassification of the lands from the  
10 agricultural to the conservation district would serve to  
11 preserve and protect the North Kohala coastline; now, therefore,  
12
